DOWNEY UNIFIED SCHOOL DISTRICT, v. PARENT ON BEHALF OF STUDENT.	OAH CASE NO. 2014041256 ORDER DENYING DISTRICT'S REQUEST FOR OFFICIAL NOTICE

On November 10, 2014, Downey Unified School District requested official notice of a due process hearing request filed by Student in a prior matter, OAH Case No. 2014010242, which matter was dismissed on May 7, 2014, pursuant to a settlement. On November 12, 2014, Student filed opposition to District's request for official notice.

District's moving papers do not explain the reason for the request. The prior pleading, which was never heard or decided on the merits, has no relevance to this consolidated proceeding. Accordingly, the request for official notice is denied.

IT IS SO ORDERED.
