BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

IN THE MATTER OF:

PARENTS ON BEHALF OF STUDENT,

v.

VENTURA UNIFIED SCHOOL DISTRICT.

OAH CASE NUMBER 2026010058

ORDER DENYING REQUEST FOR RECONSIDERATION

FEBRUARY 11, 2026

On January 26, 2026, OAH issued to the parties an order determining Student's complaint sufficient. On February 4, 2026, Ventura Unified School District, called Ventura, filed a motion for reconsideration. The Office of Administrative Hearings did not receive a response from Student.

APPLICABLE LAW

The Office of Administrative Hearings will generally reconsider a ruling upon a showing of new or different facts, circumstances, or law justifying reconsideration, when the party seeks reconsideration within a reasonable period of time, generally within ten days. (See, e.g., Gov. Code, § 11521; Code Civ. Proc., § 1008.) The party seeking reconsideration may also be required to provide an explanation for its failure to

previously provide the different facts, circumstances or law. (See *Baldwin v. Home Savings of America* (1997) 59 Cal.App.4th 1192, 1199-1200.)

Here, Ventura alleged that this ALJ based its findings of sufficiency on a reframed issue and therefore, the order warranted reconsideration. Contrary to Ventura's argument, the January 26, 2026 order only determined that the complaint and proposed resolutions were sufficient and the existing dates remained on calendar. Moreover, the order of sufficiency was based on the totality of the facts alleged in the complaint. Under these circumstances, Ventura has not established that the January 26, 2026 order determining the complaint sufficient should be reconsidered because there were no new or different facts, circumstances, or law to be considered. Therefore, Ventura has provided no basis upon which to grant reconsideration.

ORDER

1. Ventura's motion for reconsideration is denied.
2. All dates set in this matter are confirmed.

IT IS SO ORDERED.
