IN THE MATTER OF:

PARENTS ON BEHALF OF STUDENT

v.

LOS ANGELES UNIFIED SCHOOL DISTRICT

OAH CASE NUMBER 2025050715

ORDER ACCEPTING HEARING EXHIBIT

SEPTEMBER 16, 2025

On September 4, 2025, Student filed a motion to have the Los Angeles Unified School District academic calendar for the 2025-2026 school year received into evidence, noting that the August 18, 2025, Order Following Prehearing Conference for Hearing by Videoconference directed Los Angeles to include a copy of the school calendar for each school year in question with its exhibits.

At hearing, Los Angeles moved an academic calendar for the 2024-2025 school year into evidence, but omitted to present and move a calendar for the 2025-2026 school year. Student asserts this was an inadvertent mistake that neither party caught during the hearing. Los Angeles was notified by Student that he would be making this motion and has not filed in opposition to it.

The record in this matter has not been closed and will not be closed until the parties complete final briefing on the matter on September 17, 2025. As the motion to add the exhibit is not opposed, the record is still open, and there exists good cause to receive the exhibit, the request is granted.

ORDER

The record in this matter now includes as an exhibit a copy of the Los Angeles Unified School District's academic calendar for the 2025-2026 school year, as attached to Student's motion. Student shall upload a copy of the exhibit to Case Center and mark it as Student's Exhibit 22. OAH will then receive the exhibit into evidence as Student's Exhibit 22.

IT IS SO ORDERED.
