BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

IN THE MATTER OF:

CORONA-NORCO UNIFIED SCHOOL DISTRICT,

v.

PARENTS ON BEHALF OF STUDENT.

OAH CASE NUMBER 2025030208

ORDER TO COMPLY WITH INSTRUCTIONS IN ORIGINAL ORDER TO UPLOAD COMPLETE PSYCHOEDUCATIONAL REPORT AND TO RESTORE THE ORIGINAL VERSION OF DISTRICT'S EXHIBIT 22

APRIL 2, 2025

On April 1, 2025, the undersigned issued an order requiring Corona-Norco to upload a complete copy of District's Exhibit 22, titled, Psychoeducational Case Study, dated November 11, 2024. The copy originally uploaded to OAH's evidence program, Case Center, was missing pages 10 and 12. Corona-Norco was given explicit instructions in the April 1, 2025 Order regarding how to remedy their failure to upload a complete copy of the exhibit.

On April 2, 2025, Corona-Norco failed to follow those instructions, which asked that the complete report be uploaded as District's next exhibit in order. Instead, Corona-Norco deleted an admitted exhibit, and replaced it with a different document.

At no time was Corona-Norco given permission to remove an admitted exhibit from the record.

Corona-Norco is hereby ordered to immediately restore the original version of its Exhibit 22 to Case Center. Corona-Norco must then follow the instructions requiring that the complete version of the report be uploaded to Case Center as the next District Exhibit in order, which should be Exhibit 42. If this process is not completed by April 3, 2025 at 12:00 noon, Corona-Norco may be subject to sanctions including exclusion of the exhibit.

Should Student object that the new document uploaded by Corona-Norco is not the same as the November 7, 2024 psychoeducational report Parents received, Parents may file an objection as instructed in the original April 1, 2025 order. The deadline for filing the objection will be the same as the deadline for the closing brief: 3:00 PM Friday April 4, 2025. Any objection shall include a copy of the report Parents received and include a list of any differences between the report they received and the report Corona Norco uploads, with page and paragraph references, as originally ordered on April 1, 2025.

IT IS SO ORDERED.
