BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

IN THE MATTER OF:

PARENTS ON BEHALF OF STUDENT,

v.

BASS LAKE JOINT UNION ELEMENTARY SCHOOL DISTRICT.

OAH CASE NUMBER 2020060992

# ORDER TO MEET AND CONFER REGARDING THE COMPLETION OF THE ADMINISTRATIVE RECORD

FEBRUARY 8, 2023

On February 5, 2021, the Office of Administrative Hearings, called OAH, issued the Amended Decision in this case. On January 4, 2023, Student requested a certified copy of the hearing audio recordings and transcript.

OAH began the transcription process and discovered that the recordings for October 27, 2020, are inaudible, and the transcript for the morning session of October 22, 2020 is missing. The Administrative Law Judge's hearing notes indicate that Kellie Henkel, the speech and language pathologist who administered Student's augmentative communication assessment, testified, as well as Diane Hagood, special education

coordinator for Bass Lake. The Administrative Law Judge's notes further indicated that Hagood completed her testimony on October 27, 2020, as the sole witness that day.

## ORDER

No later than February 15, 2023, at 12:00 p.m., the parties shall meet and confer, and shall file their proposed solution to complete the administrative record, which may include using any recording made by either party during the hearing. Each party shall include sworn declarations to support any factual arguments included in its briefing.

IT IS SO ORDERED.
