In the Matter of: PARENT ON BEHALF OF STUDENT, v. COLTON JOINT UNIFIED SCHOOL DISTRICT.	OAH Case No. 2019030759 ORDER DETERMINING DUE PROCESS COMPLAINT INSUFFICIENT

On March 18, 2019, Student filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings, naming Colton Joint Unified School District. On March 28, 2019, Colton filed a response to Student's complaint. On April 2, 2019, Colton filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the

DISCUSSION

Student's complaint alleges three problems. The problems have to do with something which happened at school, involved a knife or art pen paper cutter, and caused some sort of disciplinary action by Director Scott Baggs. The complaint also states a proposed resolution for each problem.

However, a complaint must also include facts that connect what happened at school to special education, special education eligibility, or whether Colton's actions denied Student a free appropriate public education under the IDEA or California law. Without this information, Student's complaint does not provide Colton enough information to participate in resolution session, voluntary mediation, or prepare for a hearing.

MEDIATOR ASSISTANCE FOR NON-REPRESENTED PARENTS: A parent who is not represented by an attorney may ask OAH to provide a mediator to help parent identify the issues and proposed resolutions that must be included in a complaint. (Ed. Code, § 56505.) Parents are encouraged to contact OAH for assistance if they intend to amend their due process hearing request.

ORDER

1. Student's complaint is insufficiently pled under section title 20 United States Code 1415(c)(2)(D).

2. Student shall be permitted to file an amended complaint under title 20 United States Code section 1415(c)(2)(E)(i)(II).

3. The amended complaint shall comply with the requirements of title 20 U.S.C. section 1415(b)(7)(A)(ii), and shall be filed not later than 14 days from the date of this order. If Student files an amended complaint, OAH will issue a Scheduling Order which will restart the timelines for a due process hearing.

4. If Student fails to file a timely amended complaint, the complaint will be dismissed.

5. All dates previously set in this matter are vacated.
