IN THE MATTER OF:

PARENTS ON BEHALF OF STUDENT,

v.

CASTRO VALLEY UNIFIED SCHOOL DISTRICT.

OAH CASE NUMBER 2022100695

ORDER OF DETERMINATION OF SUFFICIENCY OF DUE PROCESS COMPLAINT

NOVEMBER 4, 2022

On October 25, 2022, Parents on behalf of Student filed a Due Process Hearing Request, called a complaint, with the Office of Administrative Hearings, called OAH, naming Castro Valley Unified School District, called Castro Valley. On November 3, 2022, Castro Valley filed a Notice of Insufficiency as to the complaint.

APPLICABLE LAW

The named parties have the right to challenge the complaint's sufficiency. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing

unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it: (1) describes the problem relating to the proposed change regarding the Student's identification, evaluation, or educational placement, or providing the Student a free appropriate public education; (2) includes facts about the problem; and (3) includes a proposed resolution to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes. Lenape Regional High School Dist. Bd. of Educ.* (3d Cir. 2009) 306 Fed.Appx. 772, 775 [nonpub. Opn.].) Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge. DISCUSSION

Student's complaint alleges two issues. Issue One asserts Student is experiencing significant physical symptoms during tests. As a remedy, Student requests a neuro-psychoeducational evaluation to ascertain her levels of need and areas of diagnosis. Issue One sufficiently described the problem relating to a proposed change regarding Student's identification of disability and evaluation.

Issue Two asserts Student has difficulty processing material in her math class. As a remedy, Student requests various accommodations. Issue Two sufficiently described the problem relating to a proposed change regarding Student's educational placement.

While the complaint is brief in its description of the issues and underlying facts, it identifies the issues and adequate facts about the problem to permit Castro Valley to respond and participate in a resolution session and mediation. The complaint is therefore sufficient.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).
2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.

IT IS SO ORDERED.
