In the Matter of: PARENT ON BEHALF OF STUDENT, v. WILLIAM S. HART UNION HIGH SCHOOL DISTRICT.	OAH Case No. 2018040634 ORDER DETERMINING DUE PROCESS COMPLAINT TO BE SUFFICIENT

On April 13, 2018, unrepresented Parent on behalf of Student filed a due process hearing request[1] (complaint) with the Office of Administrative Hearings naming William S. Hart Union High School District.[2] On May 1, 2018, District timely filed a notice of insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and

[1] A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under title 20 U.S.C. section 1415(b)(7)(A).

mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes. DISCUSSION

Student alleges through a letter attached to OAH's due process complaint form, that he attended District through early 2017, during which time he suffered traumatic brain injuries during sport activities and depression. The letter recites facts demonstrating that despite declining grades and missed school as a result of Student's injuries and condition, District did not identify him as eligible for special education or offer him special education and related services. Student seeks compensatory education in the form of assistance to earn his high school diploma and become and independent adult.

In its notice of insufficiency, District makes a number of arguments regarding the extent of OAH jurisdiction over the alleged disputes. These arguments may support a motion to dismiss, but do not constitute a challenge to the sufficiency of notice given by the complaint.

The facts alleged in Student's complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. Student's complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation.

Therefore, Student's statement of the claims is sufficient.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
