On April 10, 2017, a telephonic prehearing conference was held before an Administrative Law Judge with the Office of Administrative Hearings. During the prehearing conference it was determined the hearing shall take place at the Riverside Unified School District's Adult Center, located at 6735 Magnolia Avenue, Riverside, California 92506.

On April 12, 2017, District filed a letter noticing a change of the hearing venue. The letter will be treated as a motion for change of hearing venue. The District's motion explained that after the prehearing conference District notified their counsel that the Adult Center could not accommodate two hearings at the same time and a different venue would need to be located for this hearing. District identified an alternate venue, their counsel's offices located at 3390 University Avenue, 5th Floor, Riverside, California 92501. District served the motion on both Student's attorney and advocate. Student did not respond.

Federal and state law provides that a due process hearing must be held in a place "reasonably convenient" to the student and parents. (34 C.F.R. § 300.511(d); Ed. Code § 56505(b).) The proposed location is only three miles away from the location identified during the prehearing conference, and is in the same general area.

For the foregoing reasons, District's motion is granted. The hearing shall take place at Best Best & Krieger, 3390 University Avenue, 5th Floor, Riverside, California 92501.

IT IS SO ORDERED.
