IN THE MATTER OF:

PARENTS ON BEHALF OF STUDENT,

v.

GLENDALE UNIFIED SCHOOL DISTRICT.

OAH CASE NUMBER 2025120710

# ORDER DENYING MOTION TO DISMISS REQUEST FOR DUE PROCESS HEARING, AS MOOT

DECEMBER 31, 2025

On December 17, 2025, Parents on behalf of Student filed a Due Process Hearing Request, called a complaint, against Glendale Unified School District. On December 18, 2025, based on issues asserted in the complaint, the Office of Administrative Hearings, referred to as OAH, issued a scheduling order setting this matter for expedited mediation, expedited prehearing conference, and expedited hearing and for non-expedited prehearing conference and non-expedited hearing.

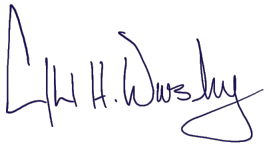

On December 23, 2025, Glendale Unified filed this motion to dismiss Student's complaint.

On December 23, 2025, OAH issued an Order Determining Non-Expedited Issues in Due Process Complaint Insufficient, which ruled that the non-expedited issues of Student's complaint were insufficiently pled, vacated the non-expedited prehearing conference and hearing, and provided Student 14 days within which to file an amended complaint.

As of this time, there is no complaint to be dismissed because Student has yet to file an amended complaint. If Student fails to timely file an amended complaint, the non-expedited portion of this matter will be dismissed pursuant to the order of insufficiency.

Therefore, Glendale Unified's motion to dismiss Student's request for due process hearing is denied, as moot.

IT IS SO ORDERED.
