On February 2, 2017, Student's counsel inquired from the Office of Administrative Hearings as to the status of a peremptory challenge that had purportedly been filed by the Anaheim City School District on January 24, 2017, seeking to disqualify Administrative Law Judge Adrienne Krikorian from deciding this case. Such peremptory was due on or before January 24, 2017, pursuant to a January 20, 2017 OAH order setting that deadline.

Upon investigation, OAH determined that the peremptory had not been properly filed. Instead, it had been attached to a different filing (District's Opposition to a Motion to Dismiss in OAH Case No. 2017010004), and filed as the last four pages of that other document. As such, it was not properly filed in the relevant case number and was not brought to OAH's attention until Student's counsel's inquiry.

District's peremptory challenge was improperly filed under a different case number, attached to an unrelated document in that case. It was never properly filed as a separate

document in the instant case. District's peremptory challenge was not timely filed. As such, it is denied.

IT IS SO ORDERED.
