Summary: Would require the Transportation Agency, in consultation with public transit operators, to conduct an assessment of the procedures public transit operators use to provide dial-a-ride and paratransit services to individuals with disabilities who are visiting their service territories and are certified to use another in-state public transit operator's similar dial-a-ride and paratransit services. The bill would require the agency to publish the assessment on its internet website on or before July 1, 2021. The bill would require the agency, after conducting and publishing the assessment, to adopt guidelines for the development of a statewide program to enable individuals with disabilities who a public transit operator has certified to use its dial-a-ride and paratransit services to use another in-state public transit operator's similar dial-a-ride and paratransit services.
