Note: Only comments received in an accessible format will be viewable via CBSC's website. Use the e-Comment form to ensure accessibility.

Any interested person, or his or her duly authorized representative, may request no later than 15 days prior to the close of the written comment period that a public hearing be held.

The public will have an opportunity to provide both written and/or oral comments regarding the proposed action on building standards at a public meeting to be conducted by CBSC to be scheduled at a date near the end of the current adoption cycle. A meeting notice will be issued announcing the date, time and location of the public meeting.

POST-HEARING MODIFICATIONS TO THE TEXT OF THE REGULATIONS

Reference: Government Code Section 11346.5(a)(18).

Following the public comment period, CBSC may adopt the proposed building standards substantially as proposed in this notice or with modifications that are sufficiently related to the original proposed text and notice of proposed changes. If modifications are made, the full text of the proposed modifications, clearly indicated, will be made available to the public for at least 15 days prior to the date on which CBSC adopts, amends, or repeals the regulation(s). CBSC will accept written comments on the modified building standards

during the 15-day period.

NOTE: To be notified of any modifications, you must submit written/oral comments or request that you be notified of any modifications.

AUTHORITY AND REFERENCE

Reference: Government Code Section 11346.5(a)(2).

CBSC proposes to adopt these building standards under the authority granted by Health and Safety Code Sections 18930 and 18949.1. The purpose of these building standards is to implement, interpret, or make specific the provisions of Health and Safety Code Sections 16000-16023, and Education Code Sections 17280-17317, 81130-81147, and 81052-81053.

The Division of the State Architect is proposing this regulatory action based on Health and Safety Code Section 16022, and Education Code Sections 17310, 81142, and 81053.

INFORMATIVE DIGEST

Reference: Government Code Section 11346.5(a)(3).

Summary of Existing Laws

Section 16023 of the Health and Safety Code authorizes the State Architect to establish building standards for state-owned and state-leased essential services buildings.

Sections 17310 and 81142 of the Education Code authorize the State Architect to establish building standards for public elementary and secondary schools, and community colleges.

Sections 81052 and 81053 of the Education Code authorize the State Architect to establish building standards which a community college may elect to use in lieu of those standards promulgated in accordance with Education Code Section 81142.

Summary of Existing Regulations

Existing building standards which prescribe the requirements for electrical design and construction of state-owned or state-leased essential services buildings, public elementary and secondary schools, and community colleges are promulgated by the Division of the State Architect. These regulations are contained in Title 24, Part 3, and are based on provisions within the adopted model building code.

Summary of Effect

The proposed action would update Title 24, Part 3, by repealing the adoption of the 2017 edition National Electrical Code and adopting the most recent edition of the selected model electrical code (*National Electrical Code*, 2020 edition). The proposed action will also:

- Integrate currently adopted electrical safety amendments into the updated Title 24, Part 3.
- Make editorial changes to currently adopted amendments to improve clarity or intent.

Comparable Federal Statute or Regulations

There are no comparable statutes.

Policy Statement Overview

The broad objective of the proposed action is to maintain building regulations in conformance with current state law by adopting the most current edition of the model electrical code and nationally recognized electrical design standards.

Evaluation of Consistency

There are no inconsistent or incompatible regulations being proposed.
