State Allocation Board

September 22, 2021

Upon notice duly given, the meeting of the State Allocation Board (SAB) was held at the Department of General Services, Ziggurat Building, located at 707 3rd Street, 6th Floor, Room 6-300, in West Sacramento, California on September 22, 2021 at 1:00 p.m.

Ms. Gayle Miller, the SAB Chair, announced that pursuant to Governor Newsom's Executive Order N-25-20, issued March 12, 2020, this meeting would be conducted by way of teleconference/Zoom meeting. The meeting was physically webcast from Room 6-300 in the Ziggurat Building in West Sacramento for anyone that would have liked to provide public comment in person.

Members of the SAB were present in order to establish a quorum for the meeting as follows:

- Gayle Miller, Chief Deputy Director, Policy, Department of Finance, designated representative for Keely Bosler, Director, Department of Finance
- Ana Lasso, Director, Department of General Services
- Juan Mireles, Director, School Facilities and Transportation Services Division, California Department of Education, designated representative for Tony Thurmond, Superintendent of Public Instruction
- Senator Connie Leyva
- Senator Richard Roth
- Assembly Member Patrick O'Donnell
- Assembly Member Jordan Cunningham
- Assembly Member Autumn Burke

Members of the SAB absent were as follows:

- Senator Scott Wilk
- Jeremy Smith, Governor's appointee

Representative of the SAB was as follows:

- Lisa Silverman, Executive Officer

Representatives of the Department of General Services, Office of Public School Construction (OPSC), were as follows:

- Lisa Silverman, Executive Officer
- Barbara Kampmeiner, Deputy Executive Officer

Representative of the Department of General Services, Office of Legal Services, was as follows:

- Tom Patton, SAB/OPSC Counsel

With a quorum present, Ms. Miller, Chair, called the meeting to order at 1:01 p.m.

The Executive Officer informed the SAB of the following:

Stakeholder Meeting Updates*California Preschool, Transitional Kindergarten, Full-Day Kindergarten Facilities Grant Program*

The Governor signed Assembly Bill (AB) 130 on July 9, 2021. This bill, among other changes, expanded the Full-day Kindergarten Facilities Grant Program to the California Preschool, Transitional Kindergarten, and Full-day Kindergarten Facilities Grant Program. In addition, the bill provided \$490 million for school districts to construct new school facilities or retrofit existing school facilities for the purposes of providing preschool classrooms for California state preschool programs, transitional kindergarten classrooms, and full-day kindergarten classrooms.

OPSC held the first stakeholder meeting via Zoom on September 8, 2021 and invited stakeholder participation in the development of updated regulations for the expanded program. Eighty participants attended this meeting and provided invaluable feedback that will be taken into consideration in drafting updated regulations for this program.

Facility Inspection Tool

The Governor signed Senate Bill 129 on July 12, 2021. This bill, among other changes, provided \$250,000 for OPSC to update the Facility Inspection Tool (FIT) for use beginning July 1, 2022. The FIT is used to determine the condition of a school facility. OPSC had tentatively scheduled the first stakeholder meeting for September 30, 2021; it has been postponed to a later date.

EXECUTIVE OFFICER'S STATEMENT (cont.)

School Facility Program Regulatory Amendments – Repayment of State Funds

Education Code Section 17076.10(c) was amended by AB 130 to provide school districts the ability to repay state funds over a period of up to 20 years under the School Facility Program (SFP) (rather than five years as it was previously) when the SAB determines that repayment of the full liability within 60 days would constitute a severe financial hardship. OPSC will present proposed regulatory amendments at the October 27, 2021 meeting that implement the new maximum repayment period.

21st Priority Funding Filing Round Apportionments

The 21st Priority Funding filing period closed at the end of day on June 10, 2021. Valid requests made are eligible for apportionments from July 1, 2021 through December 31, 2021. OPSC received requests in the amount of \$766.1 million for 246 of the total 260 unique and eligible projects. OPSC received proceeds from the Fall General Obligation Bond sale in the amount of \$766 million for the SFP and will prepare Priority Funding Apportionments for the SAB to take action at its October 27, 2021 meeting.

Virtual Training Series

OPSC has held 13 free virtual training workshops since the start of the series in January 2021 with the most recent workshop taking place on September 9, 2021, which covered the Site Development Worksheet and the new *Facility Hardship Cost Estimate* (Form SAB 58-01). In addition to this training workshop, the Plan Verification Team was introduced highlighting their role in processing applications. Staff discussed the purpose and use cases for both forms, provided an overview of the review process and funding analysis associated with each form, and offered tips for successfully completing each of the forms to obtain the best results when submitting these documents. To date, 917 external participants have attended these virtual training workshops and the feedback received has been overwhelmingly positive.

Additionally, the Executive Officer announced that a virtual training workshop would be scheduled for the Grant Agreements through OPSC Online on October 26, 2021. All online trainings are archived to OPSC's YouTube channel for future access.

Next SAB Meeting

The SAB and stakeholders were reminded that the next SAB meeting would be Wednesday, October 27, 2021 at 1:00 p.m. via Zoom.

EXECUTIVE OFFICER STATEMENT
State Allocation Board Meeting, October 27, 2021

STAKEHOLDER MEETING UPDATES

California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program

Assembly Bill (AB) 130 was signed by the Governor on July 9, 2021. Among other changes, this bill expands the Full-Day Kindergarten Facilities Grant Program to the California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program. This bill provided an additional \$490 million to the Program for school districts to construct new school facilities or retrofit existing school facilities for the purposes of providing preschool classrooms for California state preschool programs, transitional kindergarten classrooms, and full-day kindergarten classrooms.

On October 12, 2021, Office of Public School Construction (OPSC) Staff held the third stakeholder meeting virtually via Zoom inviting members of the public to participate in the development of updated regulations for this program expansion. A total of 198 participants attended the three stakeholder meetings and provided invaluable feedback. Overall, the proposed regulatory amendments for the program expansion was well-received and stakeholder feedback was incorporated in the development of the updates.

Facility Inspection Tool

Senate Bill 129 was signed by the Governor on July 12, 2021. Among other changes, this bill requires OPSC to update the Facility Inspection Tool for use beginning July 1, 2022. The Facility Inspection Tool is used to determine the condition of a school facility. Staff scheduled the first stakeholder meeting virtually via Zoom on Tuesday, November 30, 2021 from 4-6 p.m.

21st PRIORITY FUNDING APPORTIONMENTS

As a result of cash proceeds that became available from the General Obligation Bond Sale that took place in September 2021, the Action Items portion of this agenda includes \$754.9 million in priority funding apportionments for 248 projects, representing 97 school districts and qualifying applicants.

Districts that receive a Priority Funding Apportionment are required to submit a valid *Fund Release Authorization* (Form SAB 50-05) by the end of **Tuesday, January 25, 2022** to OPSC. The Form SAB 50-05 and supporting documentation may be submitted electronically through our OPSC Online System or emailed to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed, or hand delivered to OPSC's office located at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

If a required applicant does not submit a valid fund release request by January 25, 2022, the project will be given a non-participation occurrence and will receive a new Unfunded Approval date of January 25, 2022. If a second non-participation occurrence is received, the project will be rescinded without further action by the Board.

VIRTUAL TRAINING SERIES

Since the September 22, 2021 Board meeting, OPSC has held one more free virtual training workshop. This workshop took place on October 26, 2021 and covered the Grant Agreement process and how to review and submit a Grant Agreement using the OPSC Online system.

OPSC has held 14 free virtual training workshops since the start of the series in January 2021. These virtual workshops provide background and training on applying to the different programs offered by OPSC as well as navigating our new online application, OPSC Online, and various processes related to SFP funding. Thus far, 917 external participants have attended these workshops and the feedback from Districts and stakeholders has been overwhelmingly positive.

In continuing this effort, OPSC has scheduled one new virtual training workshop:

The upcoming workshop covers the SFP Substantial Progress and Expenditure Reporting processes and is scheduled for **November 2, 2021 from 10 a.m. – 11:30 a.m.** The session will provide an overview of the SFP Substantial Progress and Expenditure Reporting processes and how to submit the Substantial Progress Checklists and *Expenditure Report* (Form SAB 50-06) in OPSC Online.

All online trainings are archived to [OPSC's YouTube channel](#) for future access.

NEXT MEETING

The next meeting is scheduled for Tuesday, December 7, 2021 at 2:00 p.m. via Zoom.

State of California
State Allocation Board

SCHOOL FACILITY PROGRAM

This Resolution of the State Allocation Board (hereafter referred to as the “Board”) is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on October 27, 2021.

WHEREAS, the Board has previously approved or determined to be approvable a number of projects for construction or modernization eligibility of facilities for school districts and is making apportionments and/or unfunded approvals for the grant amounts for projects that meet the Board’s criteria for the apportionment of grants pursuant to Education Code Sections 17072.10, 17078.52, 17078.70, 17079 or 17074.10 or Board Regulations 1859.81.1 or 1859.83;

WHEREAS, Treasury Regulations Section 1.150-2 require the State (on whose behalf the Board is acting) to declare its reasonable intent to provide grant funding to school districts, in accordance with Board policy and law, for costs of the projects with proceeds of State bonds.

NOW THEREFORE, BE IT RESOLVED:

1. This Resolution is adopted by the Board for the purposes of establishing compliance with Treasury Regulations Section 1.150-2 and this Resolution does not bind the Board to make any additional apportionment or bind the State to incur any indebtedness.
2. The Board anticipates that some or all of the school districts listed on the list of “Projects” referred to in this Resolution will pay certain capital expenditures in connection with some or all of the project’s cost prior to the issuance of bonds by the State to pay for the grants for the projects. The reimbursement of such costs is consistent with the State’s budgetary and financial circumstances, and in accordance with Board policy, as no other funds or accounts of the State have been budgeted or are available to pay the costs of the projects on either a short-term or a long-term basis.
3. The Board, acting on behalf of the State, hereby declares that it is the State’s official intent to use proceeds of general obligation bonds that may become available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants, in accordance with applicable, laws and regulations.
4. This Resolution shall be continuously available for inspection by the general public during normal business hours at the offices of the Board at 707 Third Street, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.
5. Any eligibility determination does not constitute a commitment of future funding by the Board.

SCHOOL FACILITY PROGRAM

PURPOSE OF REPORT

To present the Districts' requests for School Facility Program (SFP) eligibility approval.

DESCRIPTION

The school districts shown in the following sections have complied with State Allocation Board (Board) regulations regarding new construction or modernization eligibility determinations for the projects listed.

RECOMMENDATIONS

1. Approve the eligibility determinations for the districts/projects shown on the Attachment.
2. Provide that this approval of eligibility determination for the districts/projects listed does not constitute a commitment for future funding by the Board.
3. For purposes of any application for funding, provide that the district must comply with all requirements of law and regulations pertaining to the SFP.

SCHOOL FACILITY PROGRAM

PURPOSE OF REPORT

To adjust the baseline eligibility for new construction and modernization projects under the Leroy F. Greene School Facilities Act of 1998.

DESCRIPTION

The districts listed on Attachment A have received eligibility approval for new construction. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.51.

The districts listed on Attachment B have received eligibility approval for modernization. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.61.

RECOMMENDATIONS

1. Approve an adjustment to the new construction eligibility baseline determination as shown on Attachment A.
2. Approve an adjustment to the modernization eligibility baseline determination as shown on Attachment B.
3. Provide that this approval of adjusted eligibility determination does not constitute a commitment for future funding by the State Allocation Board.

KEY TO ADJUSTMENTS

NEW CONSTRUCTION ONLY

- (a) Reduced by the number of pupils provided grants in a new construction School Facility Program (SFP) project and by the number of pupils that received a Preliminary Apportionment pursuant to Section 1859.140 or a Preliminary Charter School Apportionment pursuant to Regulation Section 1859.162.2.
- (b) Reduced by the number of pupils housed, based on the loading standards pursuant to Ed. Code Section 17071.25(a)(2)(A), in a new construction LPP project funded under the provisions of the LPP pursuant to Regulation Section 1859.12 or 1859.13.
- (c) Reduced by the number of pupils housed in additional classrooms constructed or purchased based on the loading standards, pursuant to Ed. Code Section 17071.25(a)(2)(A), in a modernization SFP project.
- (d) Adjusted as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Increased/decreased by changes in projected enrollment in subsequent enrollment reporting years, except as provided in (j) below.
- (f) Adjusted as a result of errors or omissions by the district or by the Office of Public School Construction (OPSC).
- (g) Adjusted as result of amendments to the SFP Regulations that affect the eligibility.
- (h) Increased by the number of pupils eligible for grants pursuant to Regulation Section 1859.82(a).
- (i) Reduced by the number of pupils housed in classrooms provided after the baseline eligibility was determined by the State Allocation Board, with 12 exceptions at Regulation Section 1859.51(i).
- (j) For Small School Districts, following a 3-year period after the district's eligibility was approved by the Board, decreased by any reduction in projected enrollment, and by any increase in pupils in the latest CDE operational grant report per Ed. Code Sec. 42268.
- (k) Adjusted for any changes in classroom inventory as a result of a reorganization election.
- (l) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (m) As directed by the SAB due to finding a Material Inaccuracy pursuant to Section 1859.104.1.
- (n) Increased by the number of pupils that received a Preliminary Apportionment that was rescinded pursuant to Section 1859.148 or a Preliminary Charter School Apportionment that was rescinded pursuant to Section 1859.166.
- (o) Adjusted for operational grant changes as determined/provided by the California Department of Education.
- (p) For High School Attendance Area (HSAA) districts with Preliminary Apportionments within the 2002 or 2004 Critically Overcrowded School Facilities Account, adjusted in accordance with Regulation Section 1859.51(p)(1), (2), or (3).
- (q) Adjusted by the difference between the Alternative Enrollment Projection for the current enrollment reporting year and the projected enrollment determined pursuant to Section 1859.42 for the current enrollment reporting year, or by the eligibility remaining from this calculation that can no longer be utilized if the funds made available pursuant to EC Section 17071.75(a)(1)(A) have been exhausted.
- (r) Adjusted per Ed. Code Sec. 17071.75(b)(2) by the number of pupils housed, based on the loading standards per Ed. Code Sec. 17071.25(a)(2)(A), in any classroom(s) where title was relinquished to the School District receiving the transferred classrooms.

KEY TO ADJUSTMENTS

MODERNIZATION ONLY

- (a) Reduced by the number of pupils provided grants in a modernization SFP project or CSFP Rehabilitation project at the specific site.
- (b) Reduced by the number of pupils housed, based on the loading standard pursuant to EC Section 17071.25(a)(2), in a modernization LPP project funded under the LPP pursuant to Regulation Section 1859.14 and 1859.15.
- (c) Increased by changes in projected enrollment in subsequent enrollment reporting years.
- (d) (1) Increased for additional facilities not previously modernized with State funds, that become 25 years old, if permanent, or 20 years old, if portable or, (2) as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Adjusted as a result of errors or omissions by the district or by the OPSC.
- (f) Adjusted as result of amendments to the Subgroup 5.5 Regulations that affect the eligibility.
- (g) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (h) As directed by the SAB due to finding a Material Inaccuracy pursuant to Regulation Section 1859.104.1.
- (i) Increased for facilities previously modernized with State funds, which qualify for an additional modernization apportionment pursuant to Regulation Section 1859.78.8.
- (j) Adjusted as a result of the Reconfiguration of an existing high school under the Small High School Program.
- (k) Decreased for facilities that were deemed eligible for modernization pursuant to Regulation Sections 1859.60 and 1859.61(d) and subsequently replaced, or will be replaced under a signed contract for construction or acquisition of facilities, in a project funded by the district without participation from the State.
- (l) Adjusted as a result of replaced eligible portables funded with the Overcrowding Relief Grant, per Ed. Code Section 17079 et seq.
- (m) Adjusted as a result of classrooms demolished and replaced pursuant to Regulation Section 1859.82.

SCHOOL FACILITY PROGRAM UNFUNDED APPROVALS

(Lack of AB 55 Loans)

PURPOSE OF REPORT

To present to the State Allocation Board (Board) a list of School Facility Program (SFP) applications for unfunded approval.

DESCRIPTION

At the January 2021 Board meeting, the Board elected to provide an increase adjustment of 1.42 percent to SFP projects for calendar year 2021. The projects listed on the Attachment reflect the Board's action of the adoption of the 1.42 percent increase based on the RS Means Construction Cost Index. In addition, the project applications represent SFP New Construction, Modernization, Charter School and Overcrowding Relief Grant projects in date order of a complete application being received by the Office of Public School Construction (OPSC).

AUTHORITY

SFP Regulation Section 1859.2 defines an Unfunded List (Lack of AB 55 Loans) as an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008.

SFP Regulation Section 1859.95 states:

"When the Board has no funds to apportion ..., the Board will also accept and process applications for apportionment for purposes of developing an Unfunded List based on the date the application is ready for Apportionment, with the exception of New Construction funding applications that utilize eligibility generated by the Alternative Enrollment Projection.

An application for funding included on an Unfunded List is eligible for reimbursement subject to adjustments in the New Construction Grants amount pursuant to Section 1859.77."

BACKGROUND

At the March 11, 2009 SAB meeting, the Board requested that Staff continue to process applications to the Board for unfunded approval, up to the bonding authority. The Attachment reflects applications being presented for unfunded approval, including SFP modernization and new construction projects in date order of a complete application being received by the OPSC. The list also includes health and safety facility hardship applications for funding that have been processed and are ready for approval regardless of received date. The unfunded approval of the applications as reflected on the Attachment does not constitute a guarantee of future funding.

RECOMMENDATIONS

1. Approve the SFP applications as presented on the Attachment.
2. Provide that these unfunded approvals do not constitute a guarantee of future funding.

SCHOOL DISTRICT DATA

School District: Los Angeles Unified
Application Number: 55/64733-00-026
Total District Enrollment: 574,996

County: Los Angeles
School Name: Monroe High
Project Grade Level: 9-12
Financial Hardship: No

PURPOSE OF REPORT

To present the District's request to amend the equipment list of a previously approved Career Technical Education Program (CTEFP) funding application.

DESCRIPTION

As of March 25, 2020, the District received a total of \$2,842,266.00 in grant funding, of which \$523,281.00 was for equipment. After that approval, on May 12, 2021, the District submitted a School District Appeal Request (Attachment A) to amend the originally approved equipment list associated with the project. Staff has reviewed the District's request and supports the change of equipment items.

AUTHORITY

School Facilities Program (SFP) Regulation Section 1859.193 states, in part "Equipment purchased under the Career Technical Education Facilities Program must have an average useful life expectancy of at least ten years pursuant to Education Code 17078.72(a)."

BACKGROUND

The CTEFP provides a maximum of \$3 million in grants for new construction projects and \$1.5 million for modernization projects, inclusive of equipment. Statute requires that equipment has an average useful life expectancy of 10 years. To be complete, grant applications must include a detailed cost estimate of construction and site development and an itemized equipment list.

The District submitted a CTEFP funding application during Cycle 5 for new CTE facilities in the Engineering and Architecture Industry Sector on February 13, 2019. The project was approved for placement on the Unfunded List (Lack of AB 55 Loans) on May 22, 2019 and then received an apportionment on September 25, 2019 (Attachment B) totaling \$2,834,843.00 which included 1 classroom and equipment for the program. Subsequently, at the March 25, 2020 meeting, the Board approved an equipment funding adjustment increase of \$7,423.00 which increased total equipment funding for this project to \$523,281.00 (Attachment C). Following these approvals, the District determined that it needed to amend the equipment list further thus, on May 12, 2021, the District submitted the attached *District Appeal Request* (Form SAB 189) which is included as an attachment.

STAFF ANALYSIS/STATEMENTS

DISTRICT POSITION

As indicated in the Form SAB 189 and narrative, the District requests to substitute equipment items is due to “the digital enhancements brought about by the emergence of the ‘4th Industrial Revolution’ where physical and digital technologies have radically altered how companies conceive, design, produce, distribute and repair nearly everything” and further noted that “Technological innovations in the field have halved costs while delivering twice the performance.” The District further states that “The scope of our approved CTEFP grant proposal was to provide up-to-date and modern equipment to the new James Monroe High School Engineering and Design lab that would provide a skilled future workforce to enter the manufacturing, engineering, and design career fields...The attached equipment substitutions more appropriately match the scope of our original approved CTEFP grant proposal given the trends in the engineering and design career fields.”

In support of its request, the District submitted the following documentation:

1. Approval from the local CTE Program Advisory Committee for the equipment change.
2. Substantiation from the vendor that the proposed new equipment items meet the statutorily required 10-year average life expectancy.
3. Substantiation for the costs of the proposed substitute equipment items.

STAFF POSITON

The equipment substitutions requested by the District represent either more recent models of the same equipment, or more robust versions of the same item. The District requests to amend the most current approved equipment list for its CTEFP funding application (55/64733-00-026) to align equipment items with the industry trends for this sector and the District’s vision for its Engineering and Architecture program at Monroe High School to meet these trends. Staff reviewed the District’s request and determined that some, but not all, the District’s proposed items could be approved. Some items included ineligible expenditures (extended warranties) or equipment that would not meet the statutorily required average 10-year life expectancy requirement. Therefore, the District accepts staff’s recommendation to include only the equipment Staff determined to be program eligible.

Additionally, some items are not being presented here for approval as only the cost of the items had changed. Staff recommends accepting the District’s proposed equipment list shown in Attachment A, which was amended during the appeal processing.

The proposed amended list represents a potential cost savings for the project totaling \$120,632.45. Due to the lesser cost of the proposed equipment items, residual funds may remain at the conclusion of the project. Any savings reported through the audit process must be returned to OPSC pursuant to SFP Regulation Section 1859.199.

Conclusion

Staff supports the District's request to substitute the proposed equipment items from the originally approved list.

RECOMMENDATION

Approve the District's amended request as follows:

Added Equipment	Removed Equipment
Artec EVA LITE EDU Bundle - Eva Lite Scanner (2 each)	Artec EVA 3D scanner

The purpose of this SAB 189 appeal is to request equipment substitutions for an SAB-approved CTEFP funding application.

The equipment substitutions found in this equipment scope revision can be attributed to the digital enhancements brought about by the emergence of the “4th Industrial Revolution”, where physical and digital technologies have radically altered how companies conceive, design, produce, distribute and repair nearly everything. The increased global demand for sustainable solutions and customized products has resulted in a surge in demand for 3D-printed parts and other digital products. Use of this technology is becoming increasingly widespread thereby increasing demand for a skilled future workforce to enter the manufacturing, engineering, and design career fields.

The proposed equipment more appropriately matches the scope of the original approved CTEFP grant proposal of providing up-to-date and modern equipment. This effort is supported by Monroe High School's Engineering and Design Academy Business Collaborative.

Per direction from OPSC

Please find documents attached:

1. Letter of explanation for the equipment change of scope request.
2. Complete list of previously approved items and proposed items to be substituted.
3. Documentation that the proposed new items meet the statutorily required 10-year average life expectancy.
4. Vendor quotes for equipment
5. Meeting minutes from the local CTE program advisory committee (Monroe High School Engineering and Design Academy Business Collaborative) documenting approval of the changes.

To Whom It May Concern:

It's been over five years since we started the journey of envisioning an Engineering and Design lab at James Monroe High School that is modern, up-to-date, and forward thinking. We wanted a learning space that would enable students to gain skills and experience in the manufacturing and engineering industries found in the Los Angeles area. With multiple versions of quotes submitted, revised, and updated, over time there have been several fundamental and innovative changes that our industry partners have suggested as a renewed focus for our curriculum and hands-on experience provide to our CTE students.

The equipment substitutions found in this proposal can be attributed to the digital enhancements brought about by us entering the "4th Industrial Revolution", where physical and digital technologies have radically altered how companies conceive, design, produce, distribute and repair nearly everything. The increased global demand for sustainable solutions and customized products has resulted in a surge in demand for 3D-printed parts and other digital products. Technological innovations in the field have halved costs while delivering twice the performance. As the 3D printing sector moves beyond prototyping, use of this technology, particularly in supply chains, is becoming increasingly widespread.

One really powerful example of 3D printing seen in the last year is how 3D suppliers and digital manufacturers are coming together to help produce vital applications to help fight COVID-19. 3D printer manufacturers and its global network of partners and customers are printing crucial parts such as ventilator valves, face mask adjusters and hands-free door handles for local hospitals and healthcare providers around the world. One of our vendors, Paton Group, as well as our local schools (USC, SCI-ARC, Don Bosco) produced nearly 10,000 masks/shields for our healthcare and first responders in the Los Angeles area. These items were produced with 3D printers, laser cutters, and digital UV printing equipment.

CNC machines take material away, while the other design printers create by building the product layer-by-layer. We proposed several CNC machines in the original proposal, but now that's not where the future of Engineering and Design is going. The purchase of the two Haas CNC machines remains on our equipment list and represent the most current models used in industry today. There were several other CNC mills, lathes, and routers on the original quotes from the

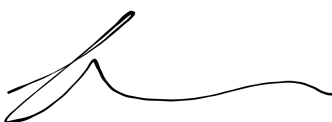

approved CTEFP grant proposal, but our industry partners have suggested that we should maintain CNC training with the two HAAS machines, but substitute the other CNC mills, CNC routers, and CNC lathes with state-of-the-art 3D printers and other digital devices that are currently found in the manufacturing and engineering industries found in our own local area.

The scope of our approved CTEFP grant proposal was to provide up-to-date and modern equipment to the new James Monroe High School Engineering and Design lab that would provide a skilled future workforce to enter the manufacturing, engineering, and design career fields. If that is the scope, then providing a focus on CNC manufacturing no longer aligns with it. The attached equipment substitutions more appropriately match the scope of our original approved CTEFP grant proposal given the trends in the engineering and design career fields. With gratitude, we thank you for your support of our program and we encourage you to consider approving our substitution list.

Yours truly,

Lewis Chappellear

The substitution is the V5 (the current VEX Robotics System) Competition Super Kit. Pursuant to the Board's action on September 25, 2019, the District is required to submit a complete Fund Release Authorization (Form SAB 50-05) on or before December 24, 2019; otherwise, the apportionment will be rescinded without further Board action and will receive a new Unfunded Approval date of December 24, 2019.

The Form SAB 50-05 submittal must contain an original signature from a designated District Representative and must be physically received by the Office of Public School Construction at 707 Third Street, West Sacramento, CA 95605 prior to the close of business on December 24, 2019.

Based on the Board's action on June 5, 2017, this project is subject to the Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4.

Pursuant to School Facility Program Regulation Section 1859.199, the State portion of any and all project savings realized from the funding of a Career Technical Education Facilities Program Project must be returned to the State.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

Pursuant to SFP Regulation Sections 1859.193 and 1859.193.1, the District has combined this application with a qualifying SFP application.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

This funding represents a portion of the grant amounts the District has requested. An appeal has been submitted requesting additional grants.

SCHOOL FACILITY PROGRAM

SUBSTANTIAL PROGRESS REDUCTION TO COSTS INCURRED

PURPOSE OF REPORT

To present School Facility Program (SFP) project apportionments to be reduced to eligible costs incurred.

DESCRIPTION

The SFP projects listed on the Attachment are Districts that received separate design and site fund releases. The Districts have either requested to have their projects reduced to costs incurred or have not met the substantial progress requirement or have indicated that they will be unable to move forward with the SFP projects listed on the Attachment. The Districts have requested that their apportionments be reduced to costs incurred to recognize eligible costs for the separate design phase.

AUTHORITY

Pursuant to Education Code Section 17076.10(b), sufficient evidence of substantial progress for the design, site and adjusted grant apportionments shall be due 18 months from the date any funds were released to the district. The SFP Regulation Section 1859.105 requires that when an apportionment is reduced to project costs incurred or rescinded, all State funds not used to finance eligible expenditures are to be returned to the State Allocation Board (SAB). The SFP Regulations also stipulate that interest earned on State funds, which is not used to finance eligible expenditures, is due to the SAB.

RECOMMENDATIONS

1. Find that the Districts are unable to meet the substantial progress requirements or indicated that they will be unable to move forward with the projects listed on the Attachment.
2. Reduce the funded apportionments to costs incurred for the projects listed on the Attachment.
3. Direct Staff to adjust the District baseline eligibility, according to the increases (identified in the "Pupils Returned to the District's Baseline" column) on the Attachment, once all funds due to the State have been received.

*Pupil grants are not assigned to Site grants.

**This item supersedes the SAB approval of October 28, 2020. Recognize the State has already returned \$168,074.87 to the District. Only 236 of the 864 original pupils assigned were returned to the District's baseline eligibility. Therefore, there are still 628 pupil grants to be restored to the school District baseline eligibility.

TYPE OF REQUEST

State Allocation Board (Board) approval for placement on the Unfunded List (Lack of AB 55 Loans) for a School Facility Program (SFP) Seismic Mitigation Program (SMP) Replacement Project.

Total Project Cost: \$1,196,688.00
Cost to the State: \$598,344.00

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

A report by KNA Structural Engineers, Inc., dated December 20, 2019, identifies several structural deficiencies in Classroom Building 7 located at the Thurston Middle School site. The reports reference material insufficiencies such as with the wall anchorage designs of the structure of the building that renders this facility at high risk of collapse in the event of seismic activity. The buildings qualify for the SMP based on the qualifying criteria in Education Code Section 17075.10 and SFP Regulation Section 1859.82.2.

SCOPE OF PROJECT

The project consists of structural retrofitting of Classroom Building 7 at the Thurston Middle School site.

STATUS OF SCHOOL SITE

The District is currently in construction with an anticipated completion in November of 2021.

QUALIFYING CRITERIA

GOVERNMENT/STATE LEVEL CONCURRENCE

Classroom Building 7 was classified as a Most Vulnerable Category 2 Building type as defined in SFP regulations and has met qualifying criteria of the SMP. The Division of the State Architect (DSA) has approved the District for Phase One (Eligibility Evaluation), Phase Three (Evaluation and Design Criteria) and provided Phase Four concurrence to minimum scope, and final plan approval. These approvals enable the District to apply for funding from the Board.

Staff Supports the District's Request: Yes

SITE VISIT COMPLETED BY STAFF

Staff accepted detailed reports from industry specialists and DSA approval in lieu of a site visit.

AUTHORITY

See Attachment A

RECOMMENDATION(S)

1. Approve the District's request for an unfunded approval for replacement funding to rehabilitate Classroom Building 7 at the Thurston Middle School Site, pursuant to SFP Regulation Section 1859.82.2(b) as shown on Attachment B.
2. Pursuant to SFP Regulation Section 1859.61(l)(1), the age of Classroom Building 7 shall be adjusted to the date of the Apportionment for this project.

Seismic Mitigation Program – Replacement Projects (as of August 31, 2020)

Education Code (EC) Section 17075.10(a) states:

A school district may apply for hardship assistance in cases of extraordinary circumstances. Extraordinary circumstances may include, but are not limited to, the need to repair, reconstruct, or replace the most vulnerable school facilities that are identified as a Category 2 building, as defined in the report submitted pursuant to Section 17317, determined by the department to pose an unacceptable risk of injury to its occupants in the event of a seismic event.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.2 states that “A school district is eligible for funding to repair, reconstruct, or replace the Most Vulnerable Category 2 Buildings which were originally constructed to be used as School Facilities and pose an unacceptable risk of injury to its occupants in the event of seismic activity. Program eligibility is determined by the Division of the State Architect while determination of grant funding is determined by the Board based on the following criteria.

Notwithstanding Sections 1859.93 and 1859.93.1, all applications for the seismic mitigation of the Most Vulnerable Category 2 Buildings shall be funded in the order of receipt of an Approved Application for funding. Any grants provided for the purpose of this section shall be provided as a new construction project and allocated on a 50 percent state share basis.”

SFP Regulation Section 1859.82.2(a) states,

- (a) Seismic mitigation projects must meet all of the following requirements:
- (1) The construction contract was executed on or after May 20, 2006;
 - (2) The project funding provided shall be for the minimum work necessary to obtain DSA approval;
 - (3) The School Building is designed for occupancy by students and staff; and
 - (4) The DSA concurs with a report by a structural engineer, which identifies structural deficiencies that pose an unacceptable risk of injury to its occupants in a seismic event. The structural engineers report shall conform to the guidelines prepared by the DSA, in accordance with Education Code Section 17310.

If the unacceptable risk of injury is due to the presence of faulting, liquefaction or landslide, these hazards must be documented by a geological hazards report prepared by an engineering geologist in accordance with California Building Code, Part 2, Chapter 18, section 1803A and with concurrence of the California Geological Survey

Section 1859.61. Adjustments to the Modernization Baseline Eligibility...

(l) Adjusted upon Board receipt of the local school board resolution acknowledging that the buildings have been removed from K-12 classroom use, as follows:

(1) School Buildings and/or classrooms that receive replacement funding via the New Construction Grant or the Facility Hardship Square Footage Grant pursuant to Section 1859.82.1 or Section 1859.82.2.

(2) School Buildings and/or classrooms that were originally included in the district's baseline eligibility and were later demolished or removed from classroom use due to health and/or safety concerns that meet the requirements of Regulation Section 1859.82.1 or 1859.82.2 as verified by OPSC, except the district did not have the current enrollment to support the replacement and funding of those School Buildings and/or classrooms. ~~School Buildings~~ and/or classrooms removed from K-12 classroom use that remain on the school site will be identified on a list published on OPSC's website.

For (l)(1) the building age shall be reset to the date of the Apportionment for the corresponding project. For (l)(2) the building shall be removed from the classroom inventory used to establish modernization eligibility at the site.

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

The sewer system at Stratford Elementary is comprised of clay pipe connected into the municipal wastewater service. The current system is in failure, causing contaminated wastewater to surface in areas occupied by students and staff. A soil study by BSK Associates dated May 6, 2021 determined and that the soil on the site contains high levels of alkaline compounds that are “considered severe to concrete” and further states “the on-site clay pipes are likely sealed with materials at the joints that are conducive to corrosion due to the on-site alkaline soil. Once the joint materials are corroded, the joints are compromised.” A supplemental report by Lawrence Engineering Group dated May 20, 2021, reviewed footage of a sewer snake camera that found “partial piping collapse from the top of the pipe” which is producing obstructions causing the sewage to resurface. The engineering report concludes “this presents a health and sanitation concern that should be addressed as soon as possible. In areas where raw sewage backs up into toilet rooms, this is a critical health concern to the students and staff.”

SCOPE OF PROJECTS

The scope of the project is the replacement of the existing sewer system at the Stratford Elementary site.

Facility Hardship Program – Rehabilitation Projects (as of August 31, 2020)

Education Code (EC) Section 17075.10(a) states:

A school district may apply for hardship assistance in cases of extraordinary circumstances. Extraordinary circumstances may include, but are not limited to, the need to repair, reconstruct, or replace the most vulnerable school facilities that are identified as a Category 2 building, as defined in the report submitted pursuant to Section 17317, determined by the department to pose an unacceptable risk of injury to its occupants in the event of a seismic event.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.1 states that “a district is eligible for Facility Hardship funding to repair, replace, or construct School Buildings or related required components that are currently causing a health and safety threat to the students and/or staff. Projects solely to replace components that have reached the end of their useful life, perform routine maintenance or repair, issues resulting from the deferment of routine maintenance or repair, lack of current code compliance, or the addition of components that were not previously existing, do not meet the qualifying criteria of the program. However, this work may be incorporated into a qualifying Facility Hardship application if it is required to be completed to gain DSA approval.”

SFP Regulation Section 1859.82.1(c) states,

Districts may qualify for funding to rehabilitate their School Buildings, components of School Buildings, or school site conditions. Factors to be considered by the Board may include (1) or (2) below:

- (1) School Buildings where the minimum cost to mitigate the health and safety threat and remain in the School Building is 50 percent or less of the Current Replacement Cost.
- (2) Components of the School Buildings or school sites conditions are causing a health and safety threat to students and/or staff.

STIPULATED TERMS & NEXT STEPS

This application is placed on the Unfunded List (Lack of AB 55 Loans) pursuant to the Board's action on March 11, 2009. This approval does not constitute a guarantee or commitment of future state funding.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

State of California
State Allocation Board

FULL-DAY KINDERGARTEN FACILITIES GRANT PROGRAM

This Resolution of the State Allocation Board (hereafter referred to as the “Board”) is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on October 27, 2021.

WHEREAS, the Board has determined to be approvable a number of projects for new construction or retrofit eligibility of kindergarten facilities for school districts, it is making apportionments and/or adjustments for the grant amounts for projects that meet the Board’s criteria for the apportionment of grants pursuant to Education Code Section 17375.

NOW THEREFORE, BE IT RESOLVED:

1. The Board anticipates that the school district(s) will pay certain capital expenditures in connection with some or all of the project(s) cost.
2. The Board, acting on behalf of the State, hereby declares that it is the State’s official intent to use General Fund proceeds that are available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants, in accordance with applicable laws and regulations.
3. This Resolution shall be continuously available for inspection by the general public during normal business hours at the office of the Board at 707 Third Street, 6th Floor, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.

This project is being amended as a result of the removal of the previously authorized additional grant for the automatic sprinkler system, which was not included in the approved plans and specifications.

The District shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

This project is subject to the Grant Agreement submittal pursuant to Regulation Section 1860.17.

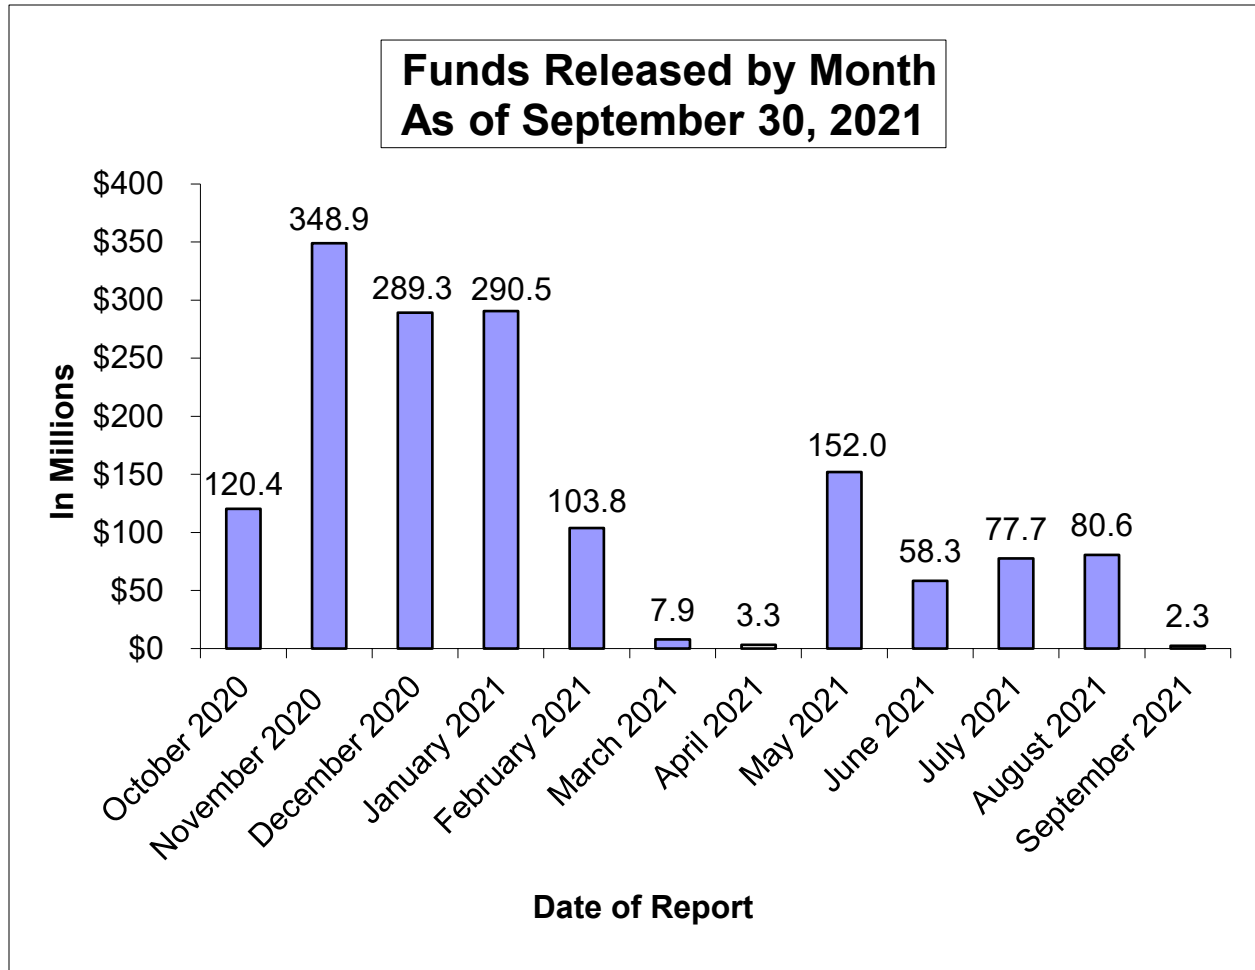

Advance funds in the amount of \$505,120.00 were previously released to the District. The remaining funds in the amount of \$1,407,331.00 (\$3,428,006.00 less advance funds released and available district contribution) will be released by OPSC upon the receipt of a valid, signed Grant Agreement as specified in Regulation Section 1860.17 and a complete *Fund Release Request* (Form SAB 70-02).

The District qualifies for financial hardship pursuant to Regulation Section 1860.14(b)(1). The District has demonstrated it is financially unable to provide all or a part of the matching funds and is levying the developer fees or equal alternative revenue source justified by law. The District's outstanding bonded indebtedness at the date of request (October 5, 2020) is at least 60 percent of its total bonding capacity.

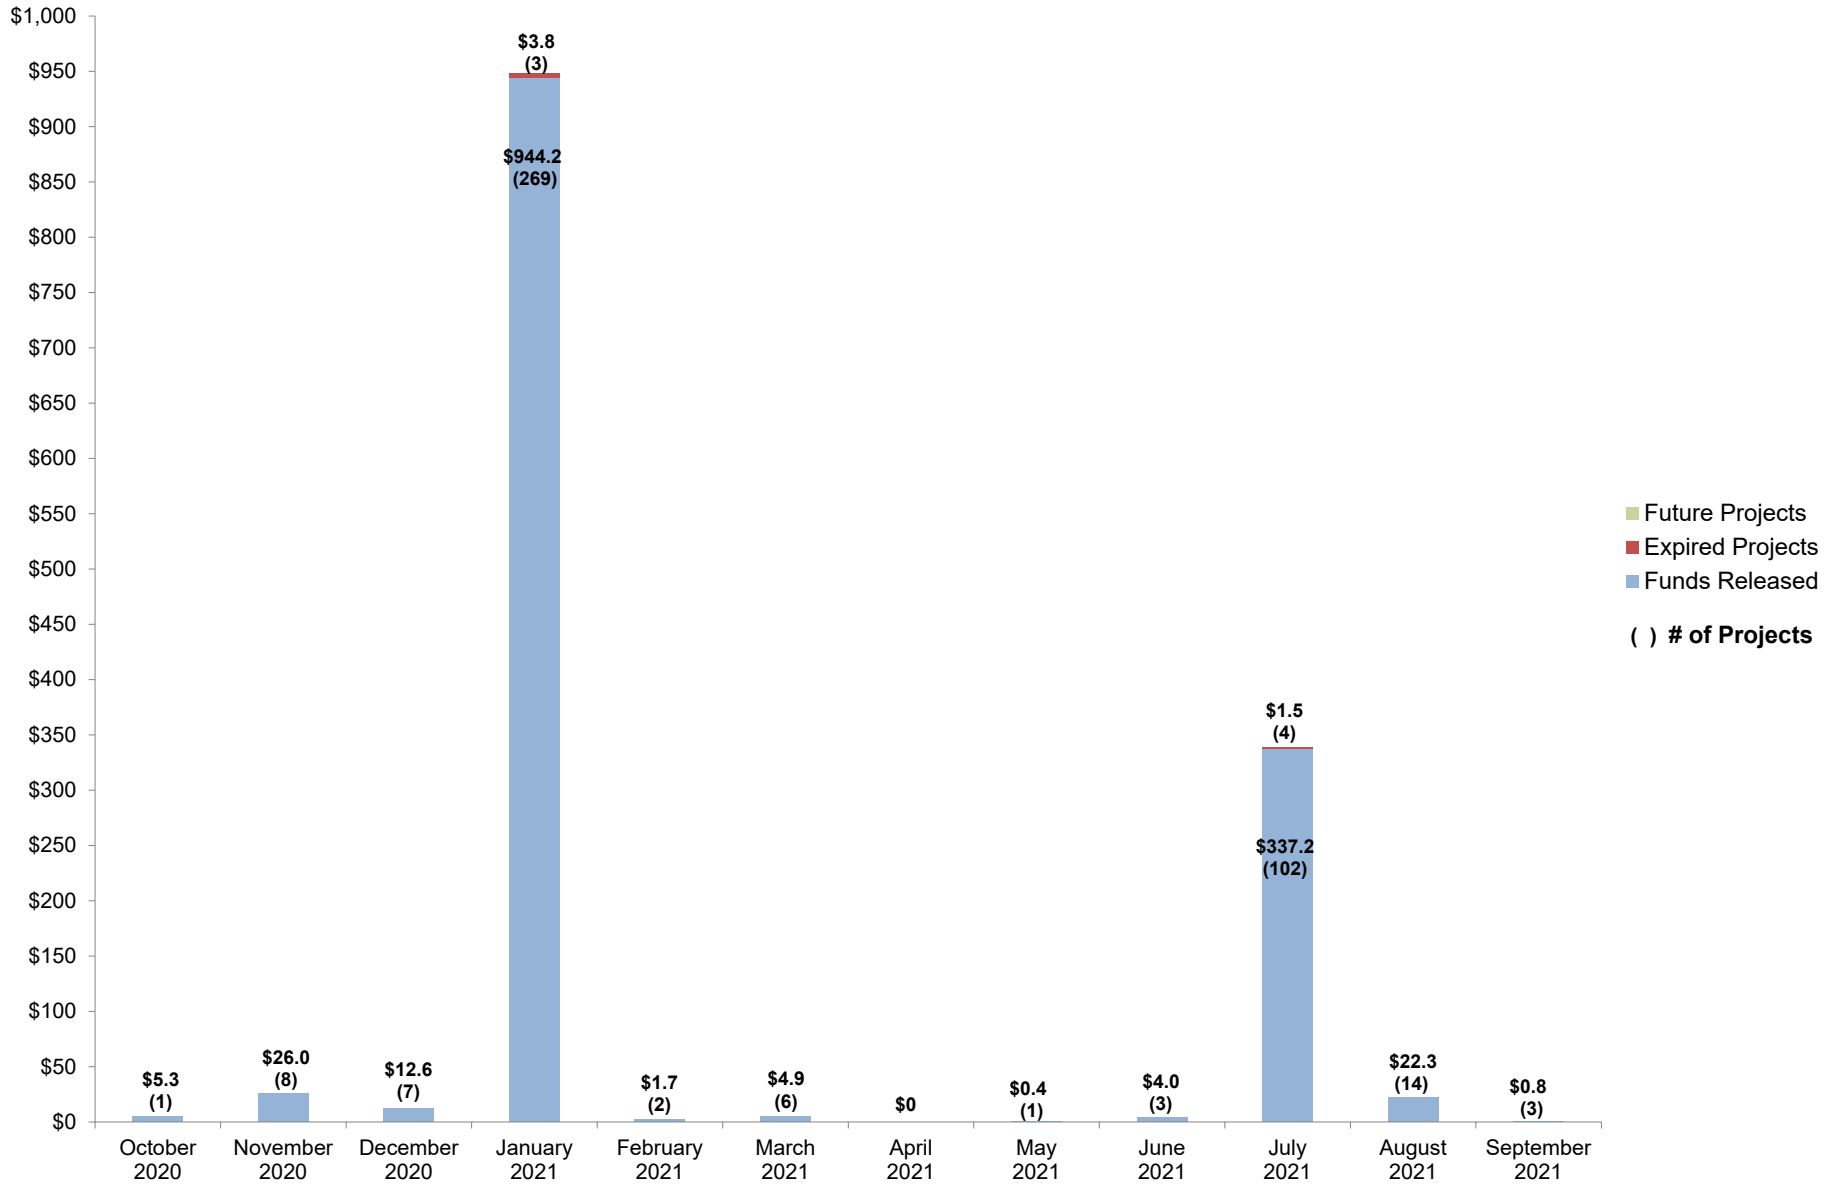

Pursuant to Regulation Section 1860.19(b) any funding not expended on eligible project expenditures prior to completion of the project, as specified in Regulation Section 1860.18, must be returned to the State.

The District is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

PRIORITY FUNDING SCHOOL CONSTRUCTION APPORTIONMENTS

PURPOSE OF REPORT

To provide priority School Facility Program (SFP) funding Apportionments for \$754.9 million for the projects that submitted a valid certification.

DESCRIPTION

At the May 2011 State Allocation Board (Board) meeting, the Board approved proposed regulations establishing two annual filing periods for prioritizing school construction funding as cash proceeds became available to provide Apportionments. The Office of Administrative Law (OAL) then approved the regulations on July 27, 2011. The proposed regulations created two 30-day periods in which school districts could request to receive an Apportionment upon acknowledgement that a *Fund Release Authorization* (Form SAB 50-05) could be submitted within 90 days of receiving an Apportionment.

Based on SFP regulations, the recent filing period began on May 12, 2021 and closed on June 10, 2021. Requests must have been received by OPSC on or before June 10, 2021 and are valid from July 1, 2021 through December 31, 2021.

By approving this item, the Board will provide approximately \$754.9 million in Apportionments for 248 projects that represents 97 school districts and qualifying applicants.

AUTHORITY

See Attachment A.

BACKGROUND

Requests/Acknowledgements

Pursuant to SFP Regulations, applicants choosing to participate in the priority funding process must submit a request to convert an Unfunded Approval to an Apportionment. As part of the request, applicants are required to make the following acknowledgements:

- The applicant understands that the time limit on fund release shall be no more than 90 days from the date of Apportionment.

BACKGROUND (cont.)

- The applicant acknowledges that failure to submit a valid *Fund Release Authorization* (Form SAB 50-05) within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert to an Unfunded Approval at the bottom of the Unfunded List (Lack of AB 55 Loans) and cannot be guaranteed bond authority. The application will receive a new Unfunded Approval date of January 25, 2022.
- In the case that multiple rescissions are made by the SAB, each separate application will be placed at the bottom of the Unfunded List (Lack of AB 55 Loans) in the order of the original unfunded approval date. The district will not be required to resubmit the application and no further application review will be required.
- The applicant acknowledges that by participating in the priority funding process, the applicant is waiving its right to the 18-month timeline for fund release submittal.
- The applicant acknowledges that a Grant Agreement must be submitted pursuant to SFP Regulation 1859.90.4 and received by OPSC prior to or concurrently with the Form SAB 50-05.

By approving this item, the Board will provide approximately \$754.9 million in Apportionments for 248 projects on the Unfunded List (Lack of AB 55 Loans) that are eligible for an Apportionment. Any requests by applicants to participate in the priority funding process that are not converted to Apportionments shall retain their date order position on the Unfunded List (Lack of AB 55 Loans) unless the applicant receives a second non-participation occurrence. Any project receiving a second non-participation occurrence will be rescinded without further Board action.

This priority funding round generated \$754.5 million in Apportionment requests from 97 applicants for 245 out of 260 unique projects, which represents 94.23 percent of the projects on the Unfunded List (Lack of AB 55 Loans) that could have submitted requests. The Board is also providing four additional Apportionments due to closeout review adjustments. In total, the Board can provide \$754.9 million in Apportionments. The attachments provide detailed lists of the Apportionment requests received during this filing period that remain on the Unfunded List (Lack of AB 55 Loans). The applications receiving an Apportionment are highlighted in Attachments B, C, D, E, F, G and H.

STAFF ANALYSIS/STATEMENTS

Current/Future Request Periods

Requests submitted during the period that ended on June 10, 2021 will expire on December 31, 2021. A new 30-day priority funding request filing period will begin on November 10, 2021 and will end on December 9, 2021. Requests submitted during that period will be valid from January 1, 2022 through June 30, 2022.

Fund Release Requirements

Applicants receiving Apportionments are required to submit a valid Form SAB 50-05 containing an original or electronic signature for each approved application. The Form SAB 50-05 must be signed by the designated District Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on January 25, 2022. The form may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605. If a district fails to submit a valid Form SAB 50-05 within the allotted time frame, the project will be rescinded without further Board action and will receive a new unfunded approval date of January 25, 2022 on the Unfunded List (Lack of AB 55 Loans).

Grant Agreement

Pursuant to action taken by the Board at the June 5, 2017 meeting a Grant Agreement for the project with an original or electronic signature by an authorized District Representative must be submitted prior to, or concurrently with, the Form SAB 50-05 in order for the Form SAB 50-05 to be considered valid for all projects that are approved for placement on the Unfunded List (Lack of AB 55 Loans) on or after June 5, 2017. Projects on the Unfunded List as of June 5, 2017 are exempt from this requirement.

Non-Participation in Priority Funding Process

On March 25, 2013, regulation amendments regarding non-participation in the priority funding process became effective. The regulation changes limit the number of times a district can choose not to participate in the priority funding process for a project on the Unfunded List (Lack of AB 55 Loans). Projects receiving an Apportionment in this item but do not submit a valid Form SAB 50-05 prior to 11:59 p.m. on January 25, 2022 will receive one non-participation occurrence. If this is the project's second non-participation occurrence, the project will be fully rescinded without further Board action and will not return to the Unfunded List (Lack of AB 55 Loans). The bond authority associated with rescinded projects will return to the SFP.

RECOMMENDATIONS

1. Approve Apportionments for the projects as shown on Attachment B in the amount of \$754.9 million.
2. Declare that all applications receiving Apportionments are subject to the new construction grant adjustment pursuant to EC Section 17072.11(b) and are not considered full and final until the Board has made the adjustment.

ATTACHMENT A

AUTHORITY (as of January 24, 2019)

Education Code Section 17070.35(a) states, "In addition to all other powers and duties as are granted to the board by this chapter, other statutes, or the California Constitution, the board shall do all of the following:

- (1) Adopt rules and regulations, pursuant to the rulemaking provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, for the administration of this chapter...
- (2) Establish and publish any procedures and policies in connection with the administration of this chapter as it deems necessary...."

Government Code Section 15503 states:

Whenever the board is required to make allocations or apportionments under this part, it shall prescribe rules and regulations for the administration of, and not inconsistent with, the act making the appropriation of funds to be allocated or apportioned. The board shall require the procedure, forms, and the submission of any information it may deem necessary or appropriate. Unless otherwise provided in the appropriation act, the board may require that applications for allocations or apportionments be submitted to it for approval.

Budget Letter 10-09 requires that if there are insufficient bond proceeds, departments and agencies are responsible for prioritizing the projects that will be funded consistent with the prioritization criteria outlined (including job creation). It also indicates that if bond proceeds are not managed efficiently, additional bonds may not be sold for the program.

School Facility Program (SFP) Regulation Section 1859.2 states:

'For the purpose of these regulations, the terms set forth below shall have the following meanings, subject to the provisions of the Act:

...

"Unfunded List" means an information list of unfunded projects, with the exception of the unfunded list defined below as "Unfunded List (Lack of AB 55 Loans)".

"Unfunded List (Lack of AB 55 Loans)" means an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008."

SFP Regulation Section 1859.90.2, "Priority Funding Process" states:

The priority funding process allows the Board to distribute available funds to districts or charter schools that request, pursuant to (a) or (b) below, as applicable, an Apportionment or an advance release of funds from a Preliminary Apportionment or Preliminary Charter School Apportionment, during specific 30-calendar day filing periods beginning with July 27, 2011 and continuing with the 2nd Wednesday of January and the 2nd Wednesday of July of 2012. Requests submitted during the filing periods described above are valid until the next filing period begins. The specific 30-

calendar day filing periods subsequent to 2012 begin with January 9, 2013 and continue with the 2nd Wednesday of May and the 2nd Wednesday of November, each calendar year. Requests submitted during the filing period beginning with January 9, 2013 are valid until June 30, 2013. Requests submitted during a filing period beginning with the 2nd Wednesday of May are valid from July 1 until December 31 of that year. Requests submitted during a filing period beginning with the 2nd Wednesday in November are valid from January 1 until June 30 of the following year. Requests must be physically received by the OPSC by the 30th calendar day of each filing period to be considered valid.

(a) In order to be considered for an Apportionment, approved advance release of design funds from a Preliminary Charter School Apportionment, or approved advance release of environmental hardship site acquisition funds from a Preliminary Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative that includes each of the project Application numbers, and the type of Apportionment request (e.g., Apportionment, separate Apportionment for design or site acquisition), within the 30-calendar day filing period, and shall contain the following:

(1) Statement that the request is to convert the unfunded approval to an Apportionment or to receive an approved advance release of funds; and

(2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of Apportionment or approved advance release of funds request, except for a Career Technical Education Facilities Project in (a)(5), and that failure to do so will result in the rescission of the Apportionment or approved advance release of funds request without further Board action; and

(3) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (a)(2); and

(4) Acknowledgement that, if the district submits the Form SAB 50-05 on or after July 1, 2013 and is required to submit an LCP third party report, pursuant to Section 1859.97(b), the report will be submitted to the OPSC and the DIR at least 60 days prior to submitting the Form SAB 50-05; and

(5) For those receiving an Apportionment, acknowledgement that by participating in the priority funding process, the district or charter school is waiving its right to the 18 month timeline for fund release submittal described in Section 1859.90.

(6) For a Career Technical Education Facilities Project that was granted an unfunded approval without the required CDE plan approval and/or required DSA-approved plans and specifications, the applicant's request must include:

(A) Acknowledgement that the applicant must submit the required approval(s) to the OPSC within 12 months from the date of the Apportionment. If the required submittal(s) is not received within 12 months, the Apportionment shall be rescinded without further Board action pursuant to Section 1859.197(c)(1); and

(B) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of the submittal described in (6)(A) and that failure to do so will result in the rescission of the Apportionment without further Board action; and

(C) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (a)(6)(B).

(b) In order to be considered for an approved advance release of site acquisition funds from a Preliminary Charter School Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative within the 30-calendar day filing period, and shall contain all of the following:

- (1) Statement that the request is to convert the advance release of funds to an approved advance release of funds request; and,
- (2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 180 calendar days of the approved advance release of funds request and that failure to do so will result in the rescission of the approved advance release of funds request without further Board action; and
- (3) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (b)(2); and
- (4) Acknowledgement that it must provide evidence that it has entered into the Charter School Agreements within 90 calendar days of approval of the advance release of funds request and that failure to do so will result in the rescission of the approval without further Board action.

(c) If a district or charter school receives an Apportionment or approved advance release of funds request through the priority funding process, the OPSC must receive a valid, original signature copy of the Form SAB 50-05 within the specified time period, pursuant to (a)(2), (a)(6) or (b)(2), as applicable, and a Grant Agreement, pursuant to (a)(3), (a)(6)(C), or (b)(3), as applicable. Upon submittal of the original signature copy of the Form SAB 50-05, if OPSC determines that the Form SAB 50-05 is not valid, the district will have ten business days to amend the Form SAB 50-05 in order to make the Form SAB 50-05 valid. If the OPSC does not receive a valid, original signature copy of the Form SAB 50-05 within the time period:

- (1) The priority funding Apportionment or approved advance release of funds request shall be rescinded without further Board action, and
- (2) If the Application is not subject to rescission pursuant to Section 1859.90.3(c) as defined in Section 1859.90.3(d), the Application shall return to the Unfunded List (Lack of AB 55 Loans) with a new unfunded approval date that is 90 calendar days from the date of Apportionment or approval of the advance release of funds request.

(d) In the event that the amount of requests received during a specific 30-calendar day filing period exceeds the funds available, the Board shall apportion based on the unfunded approval date and the Application received date up to the available cash from each bond source. Projects that have requested to participate in the priority funding process for which an Apportionment cannot be provided shall retain their date order position on the Unfunded List (Lack of AB 55 Loans). Requests not converted to Apportionments will not be returned to the district or kept by the OPSC.

(e) For purposes of this section “rescinded” or “rescission” shall mean that the Apportionment or approved advance release of funds request returns to unfunded approval status with a new unfunded approval date, except for (a)(5)(A). The new unfunded approval date will be 90 calendar days from the Apportionment date. The district or charter school will not be required to re-submit the Application and no further Application review will be required.

SFP Regulation Section 1859.90.3, “Participation in the Priority Funding Process” states:

This section applies to Applications for funding for new construction, modernization, Overcrowding Relief Grant, Career Technical Education Facilities Program, Facility Hardship pursuant to Section 1859.82 and rehabilitation pursuant to Section 1859.83(e), and Charter School Facilities Program, excluding advance release of design and/or site acquisition funds from a Preliminary Charter School Apportionment.

(a) For each Application on the Unfunded List (Lack of AB 55 Loans) for new construction, modernization, Facility Hardship pursuant to Section 1859.82 or rehabilitation pursuant to Section 1859.83(e), the occurrences of (1) or (2) below shall be limited after the effective date of this regulation section [March 25, 2013]. For each Application on the Unfunded List (Lack of AB 55 Loans) for Overcrowding Relief Grant, Career Technical Education Facilities Program, and Charter School Facilities Program, excluding advance release of design and/or site acquisition funds from a Preliminary Charter School Apportionment, the occurrences of (1) or (2) below shall be limited after the effective date of this regulation section [October 1, 2014]:

(1) The district abstains from participating in a priority funding 30-calendar day filing period described in Section 1859.90.2 for the Application on the Unfunded List (Lack of AB 55 Loans).

(2) The Application receives a priority funding Apportionment pursuant to Section 1859.90.2(a), and the district fails to meet the fund release requirements pursuant to Section 1859.90.2(c).

(b) The first occurrence of (a)(1) or (a)(2) shall result in the following, as applicable:

(1) If (a)(1) occurs, the Application shall retain its place on the Unfunded List (Lack of AB 55 Loans).

(2) If (a)(2) occurs, the priority funding Apportionment shall be rescinded and the Application shall be returned to the Unfunded List (Lack of AB 55 Loans) pursuant to Section 1859.90.2(c)(2).

(c) If subsection (b) has occurred, a subsequent occurrence of either (a)(1) or (a)(2) shall result in the rescission of the Application's Apportionment and/or unfunded approval, as applicable, and the removal of the Application from the Unfunded List (Lack of AB 55 Loans) without further Board action. The Application shall be returned to the applicant.

(d) For purposes of subsection (c), "rescinded" or "rescission" of an unfunded approval shall mean that the bond authority associated with the Apportionment or unfunded approval, as applicable, returns to the appropriate School Facility Program bond authority source for reallocation. If applicable, the pupils housed in the project will be added back to the district's baseline eligibility pursuant to Sections 1859.51(d) for new construction or 1859.61(d) for modernization.

SFP Regulation Section 1859.129(b)(2) states:

Has 18 months from the date the DSA and CDE approved plans were submitted to the OPSC to submit a completed Form SAB 50-05 or the apportionment will be rescinded without further Board action. If the district is requesting an Apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the apportionment.

SFP Regulation Section 1859.197 (b)(2) states:

Has 18 months from the date the CDE plan approval and DSA-approved plans and specifications, as needed, are submitted to the OPSC to submit a completed Form SAB 50-05 or the Apportionment shall be rescinded without further Board action. If

the district is requesting an Apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the Apportionment.

STIPULATED TERMS & NEXT STEPS

Pursuant to the Board's action on October 27, 2021, the Applicant is required to submit a complete Fund Release Authorization (Form SAB 50-05) on or before January 25, 2022; otherwise, the apportionment will be rescinded without further Board action and will receive a new Unfunded Approval date of January 25, 2022.

The Form SAB 50-05 must be signed by the designated District Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on January 25, 2022. The form may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

This application is approved as a Reservation of Funds. Pursuant to School Facility Program Regulation Section 1859.197, the Applicant is required to submit the necessary California Department of Education plan approval letter and the Division of the State Architect plan approval letter to the Office of Public School Construction prior to 11:59 p.m. on October 27, 2022. The documents may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

If the CDE and DSA approvals are not received by 11:59 p.m. on October 27, 2022, the project will be rescinded without further Board action pursuant to SFP Regulation Section 1859.197.

The Applicant must submit a valid, complete Fund Release Authorization (Form SAB 50-05) within 90 days of the Office of Public School Construction's receipt of the Division of the State Architect approved plans and specifications and the California Department of Education plan approval. The Form SAB 50-05 must be signed by the designated District Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on the 90th day. The form may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

The project has already received one occurrence for non-participation in the priority funding process. Therefore, if the Form SAB 50-05 is not received by 11:59 p.m. on the 90th day following the Office of Public School Construction's receipt of the DSA and CDE approval letters, the project will be rescinded without further Board action pursuant to SFP Regulation Section 1859.90.3.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The state's portion of any and all project savings realized from the funding of a Career Technical Education Facilities Program project must be returned to the state pursuant to School Facility Program Regulation Section 1859.199.

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

STIPULATED TERMS & NEXT STEPS

This application is approved as a Reservation of Funds. Pursuant to School Facility Program Regulation Section 1859.197, the Applicant is required to submit the necessary California Department of Education plan approval letter and the Division of the State Architect plan approval letter to the Office of Public School Construction prior to 11:59 p.m. on October 27, 2022. The documents may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

If the CDE and DSA approvals are not received by 11:59 p.m. on October 27, 2022, the project will be rescinded without further Board action pursuant to SFP Regulation Section 1859.197.

The Applicant must submit a valid, complete Fund Release Authorization (Form SAB 50-05) within 90 days of the Office of Public School Construction's receipt of the Division of the State Architect approved plans and specifications and the California Department of Education plan approval. The Form SAB 50-05 must be signed by the designated District Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on the 90th day. The form may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

The project has already received one occurrence for non-participation in the priority funding process. Therefore, if the Form SAB 50-05 is not received by 11:59 p.m. on the 90th day following the Office of Public School Construction's receipt of the DSA and CDE approval letters, the project will be rescinded without further Board action pursuant to SFP Regulation Section 1859.90.3.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The state's portion of any and all project savings realized from the funding of a Career Technical Education Facilities Program project must be returned to the state pursuant to School Facility Program Regulation Section 1859.199.

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

Funding Source(s): Proposition 51 Bonds/2016-Nov.

Pursuant to the Board's action on October 27, 2021, the Applicant is required to submit a complete Fund Release Authorization (Form SAB 50-05) on or before January 25, 2022; otherwise, the apportionment will be rescinded without further Board action and will receive a new Unfunded Approval date of January 25, 2022.

The Form SAB 50-05 must be signed by the designated Applicant Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on January 25, 2022. The form may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Inflation Factor and Multilevel Construction, Site Acquisition, Site Development, General Site and Urban Security grants were removed and the Charter School Base Grant was reduced from \$2,277,978 to \$1,890,670 as requested by the Applicant for purposes of financial soundness.

The Applicant is receiving \$378,134 in advance funding for design costs.

As a result of the Board's action on 8/25/2021, the District requested an adjustment to the New Construction Grant previously approved on April 28, 2021. The District was approved for 516 pupil grants at the K-6 grade level. With this item, the District is increasing its request to 800 pupil grants at the K-6 grade level, and the District's New Construction baseline eligibility will be adjusted by a decrease of 284 pupil grants at the K-6 grade level upon approval by the Board.

Pursuant to the Board's action on October 27, 2021, the Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to 11:59 p.m. on January 25, 2022 in order to trigger the auto-release of funds.

The Grant Agreement must be signed by the designated District Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on January 25, 2022. The Grant Agreement may be submitted electronically via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Applicant qualifies for financial hardship pursuant to School Facility Program Regulation Section 1859.81(c)(1). The Applicant has demonstrated it is financially unable to provide all or a part of the matching funds and is levying the developer fees or equal alternative revenue source justified by law. The Applicant's outstanding bonded indebtedness as of June 30, 2019, is at least 60 percent of its total bonding capacity.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, October 27, 2021

PROPOSED AMENDMENTS TO THE SCHOOL
FACILITY PROGRAM FOR REPAYMENT OF
FUNDS DUE TO SEVERE FINANCIAL
HARDSHIP

PURPOSE

To present proposed regulatory amendments to the School Facility Program (SFP) to extend the timeline for repayment of funds to the State due to audit findings as a result of statutory changes.

DESCRIPTION

Existing law requires all SFP projects to have an audit of expenditure reports submitted by a school district pursuant to the Leroy F. Greene School Facilities Act of 1998 and to require repayment of funds if a school district failed to expend the funds in accordance with the law. Current law requires a school district to repay the funds within 60 days of the notice requiring repayment unless the State Allocation Board (Board) determines that repayment of the full liability within 60 days would constitute a severe financial hardship, as defined by the Board, for the school district, in which case the Board is required to approve a plan of equal annual payments over a period of up to 5 years. The repayment plan shall include interest on each year's outstanding balance at the rate earned on the State's Pooled Money Investment Account during that year.

Assembly Bill 130, Chapter 44, Statutes of 2021 [Education Finance: Education Omnibus Budget Trailer Bill] was enacted as a part of the Budget Act of 2021 that extends the maximum statutory timeline for repayment plans from 5 years to 20 years.

The proposed regulation amendments would align with the new statutory provisions to provide an extended repayment period of a maximum of up to 20 years. The proposed amendments would also allow for SFP projects that were funded from the 2006 and 2016 State School Facilities Funds be eligible to request the extended timeline for a repayment plan.

AUTHORITY

See Attachment A.

BACKGROUND

Regulation Section 1859.106.1. was established in 1998. School districts are required to pay any funds owed to the State within 60 days. The regulation provided school districts, county offices of education and charter schools that would be placed in severe financial hardship the ability to repay funds owed over a five-year period to help alleviate the financial burden if they meet at least one of the following criteria:

- For a school district or county office of education, the district or county office of education is listed on the current California Department of Education's (CDE) List of Negative and Qualified Certifications of School Districts and County Offices of Education.

BACKGROUND (Cont)

- For a school district or county office of education, the amount due to the State for one or more projects would cause the district or county office of education to be listed on the CDE list of Negative and Qualified Certifications of School Districts and County Offices of Education report. Where the financial condition of a school district is involved, the county office of education must submit a letter to the OPSC on behalf of its representative school districts for consideration substantiating that the repayment will place the district on the CDE List of Negative and Qualified Certifications of School Districts and County Offices of Education.
- For a Charter School, the amount due to the State for one or more projects would cause the Charter School severe financial hardship. The Charter School’s authorizing agency must submit a letter to the OPSC on behalf of the Charter School for consideration substantiating that the repayment may result in the Charter School being unable to meet its financial obligations for the current or subsequent two fiscal years.

The statute and regulation had limited the flexibility for districts when there are moneys due back to the State as a result of an audit finding. The amounts owed by a school district, county office of education or charter school could still create a severe financial hardship with the current five-year repayment plan. The recent statutory changes resolve this issue by changing the maximum repayment timeline from 5 years to 20 years.

STAFF ANALYSIS/STATEMENTS

Since Regulation Section 1859.106.1 was established, three school districts and one charter school have requested repayment plans. The repayment plans covered seven SFP projects, representing \$5,112,022 in funds being returned to the State.

Districts Requesting Repayment Plan	State Allocation Board Approval Date
City Arts and Technology Charter School	October 16, 2014
Centinela Valley Union High School	March 28, 2012
Compton Unified	September 28, 2011, and December 14, 2011
Shafter Elementary	September 28, 2011

The statutory change provides additional flexibility for school districts, county offices of education and charter schools by extending the repayment period. In order to align the SFP regulations with this new flexibility it is necessary to amend the regulations to incorporate this change. Therefore, Staff is presenting the proposed amendments to the SFP regulations, as shown in Attachment B, for approval.

RECOMMENDATIONS

1. Adopt the proposed amendments to program regulation, as shown as Attachment B.
2. Authorize the Executive Officer to file the proposed regulation with the Office of Administrative Law and make the regulations permanent.

ATTACHMENT A

AUTHORITY

Education Code Section 17076.10. states in part:

(c) (1) If the board, after the review of expenditures or audit has been conducted pursuant to subdivision (a), determines that a school district failed to expend funds in accordance with this chapter, the department shall notify the school district of the amount that must be repaid to the 1998 State School Facilities Fund, the 2002 State School Facilities Fund, the 2004 State School Facilities Fund, the 2006 State School Facilities Fund, or the 2016 State School Facilities Fund, as the case may be, within 60 days. If the school district fails to make the required payment within 60 days, the department shall notify the Controller and the school district in writing, and the Controller shall deduct an amount equal to the amount to be repaid by the school district under this subdivision, from the school district's next principal apportionment or apportionments of state funds to the school district, other than basic aid apportionments required by Section 6 of Article IX of the California Constitution. Any amounts obtained by the Controller shall be deposited into the 1998 State School Facilities Fund, the 2002 State School Facilities Fund, the 2004 State School Facilities Fund, the 2006 State School Facilities Fund, or the 2016 State School Facilities Fund, as appropriate.

(2) Notwithstanding paragraph (1), if the board determines that repayment of the full liability within 60 days after the board action would constitute a severe financial hardship, as defined by the board, for the school district, the board shall approve a plan of equal annual payments over a period of up to 20 years. The plan shall include interest on each year's outstanding balance at the rate earned on the state's Pooled Money Investment Account during that year. The Controller shall withhold amounts, other than basic aid apportionments required by Section 6 of Article IX of the California Constitution, pursuant to the plan.

(Amended by Stats. 2021, Ch. 44, Sec. 13. (AB 130) Effective July 9, 2021.)

ATTACHMENT B

SCHOOL FACILITY PROGRAM REGULATORY AMENDMENTS

Section 1859.106.1 Repayment of State Funds.

Upon adoption of the audit findings by the Board and in lieu of the collection procedures outlined in Education Code Section 17076.10(c)(1), a school district, county office of education, or Charter School may request a repayment schedule of up to ~~five years~~ **twenty years**, in equal annual installments, if the total repayment of State funds within 60 days of the Board action would cause the school district, county office of education, or Charter School to fall into fiscal distress. School districts, county offices of education, or Charter Schools requesting a repayment schedule must be in a severe hardship condition as evidenced by at least one of the following criteria: (a) For a school district or county office of education, the district or county office of education is listed on the current CDE List of Negative and Qualified Certifications of School Districts and County Offices of Education. (b) For a school district or county office of education, the amount due to the State for one or more projects would cause the district or county office of education to be listed on the CDE List of Negative and Qualified Certifications of School Districts and County Offices of Education report. Where the financial condition of a school district is involved, the county office of education must submit a letter to the OPSC on behalf of its representative school districts for consideration substantiating that the repayment will place the district on the CDE List of Negative and Qualified Certifications of School Districts and County Offices of Education. Where the financial condition of a county office of education is involved, the CDE must submit a letter to the OPSC on behalf of the county office of education for consideration substantiating that the repayment will place the county office of education on the CDE List of Negative and Qualified Certifications of School Districts and County Offices of Education. (c) For a Charter School, the amount due to the State for one or more projects would cause the Charter School severe financial hardship. The Charter School's authorizing agency must submit a letter to the OPSC on behalf of the Charter School for consideration substantiating that the repayment may result in the Charter School being unable to meet its financial obligations for the current or subsequent two fiscal years.

~~The repayment schedule shall include interest at the same rate as that earned on the State's Pooled Money Investment Account on the date a repayment schedule is approved by the Board.~~

The repayment schedule shall include interest on each year's outstanding balance at the rate earned on the state's Pooled Money Investment Account during that year. The Controller shall withhold amounts, other than basic aid apportionments required by Section 6 of Article IX of the California Constitution, pursuant to the plan

The repayment schedule will commence on July 1 of the fiscal year following the repayment schedule approval date.

DENIED EXTENSION REQUESTS

Alpaugh Unified	The District requested a time extension to submit the final Expenditure Report to OPSC. The delay is due to staff turnover and not COVID-19 related; OPSC worked with District through the regular time extension request process.
Anaheim Union High	The District did not hire a cost estimator until after receiving the 15-day letter request from OPSC. A detail cost estimate is part of a complete application acceptance
Glenn County Office of Education	District applied for funding in the 6th round of CTE. The architect's cost estimate included lump sums. The 15-Day letter sent July 3, 2020 requested it to be broken out. The extension request to November 2nd is well after the anticipated September 2020. funding round.
Greenfield Union Elementary	Change of scope requested for a Full-Day Kindergarten project. A 2-year extension was requested. Request was denied because it was the subject of an appeal that OPSC cannot administratively approve.
Hilmar Unified	The project was delayed due to the District and its advisory committee to change the of scope of the project as a result of additional local funds being available. The project was approved by the State Allocation Board in May 2019, well before the start of the COVID-19 pandemic.
Hollister Elementary	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.
Island Union Elementary	This project was apportioned in October 2018 for Advanced Design. District had one year to obtain DSA approval of plans. At the time of the extension request, the District still had three months to obtain DSA approval.
Lagunita Elementary	The project was funded in November 2018 and requested a Substantial Progress extension. The request was denied because the reason for the delay is a local funding/priorities issue. The District can also already request a Substantial Progress deadline extension under "other evidence" if needed.
Moreno Valley Unified	The District requested a time extension to decide how to respond to OPSC's 4-Day Letter for a CTE project. The District needed to determine how to address the need for an increase in the grant request after the application was scored by CDE. OPSC does not allow for cost increases beyond those already reviewed by CDE.
Oakland Unified - Eres Academy	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.

Ripon Unified	District staff is currently focused on implementing Covid 19 protocols addressing the full time return of students to all campuses. Time resources of Staff are limited at this time due to the Covid 19 response referenced above. District staff will need a few additional days to respond to the 15 day letter.
San Bernardino City Unified	The District is only one year into project construction. The District requested a 5th year to complete project (3 years in advance of deadline). Denied at this time; the request is premature.
Santa Ana Unified	Project was approved in May 2019. The District did not participate in the Priority Funding (PF) Process in Fall 2019 and incurred one non-participation occurrence. The District participated in the PF process in Fall PF 2019 and was apportioned at the May 2020 SAB. Plans should have been well underway for design prior to COVID-19 pandemic. At the time of the request, the District still had 11 months to design and obtain approval from DSA.
Vacaville Unified	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.

**These projects have received conceptual approval from the State Allocation Board. Districts are no longer subject to a timeline to submit a funding request corresponding to these projects, however conceptual approval does not reserve Bond Authority.

Section 1859.81. Financial Hardship.

Except for Joint-Use Projects and Career Technical Education Facilities Projects, a district is eligible for financial hardship to fund all or a portion of its matching share requirement after demonstrating the requirements of (a), (c), and (d) below:

(a) The district is financially unable to provide all necessary matching funds for an eligible project. To determine this, an analysis shall be made of the district's financial records by the OPSC including data and records maintained by the CDE and the County Office of Education. The analysis shall consist of a review of the district's latest Independent Audit regarding funds available from all capital facility accounts, including, but not limited to, developer fees, funds generated from capital facility certificates of participation, federal grants, redevelopment funds, sale proceeds from surplus property, the appraised value of facilities approved for replacement pursuant to Section 1859.82, bond funds either encumbered, unencumbered or authorized but unsold, and savings from other SFP projects. All funds thus identified that have not been expended or encumbered by a contractual agreement for a specific capital outlay purpose prior to the initial request for financial hardship status shall be deemed available as a matching contribution.

After the initial request for financial hardship status is granted, no further encumbrances will be approved by the OPSC and all prospective revenue made available to the district's capital facility accounts shall be deemed available as matching contribution on the subsequent financial hardship review, with the exception of:

- (1) Approved interim housing expenditures.
- (2) Funding to pay for previously recognized multi-year encumbrances approved at the initial financial hardship approval.
- (3) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Federal Renovation Program when the amount expended out of that fund does not exceed the maximum Federal Renovation Grant amount.
- (4) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the School Facilities Needs Assessment Grant Program or Emergency Repair Program when the amount expended out of that fund does not exceed the maximum grant amount apportioned.
- (5) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Career Technical Education Facilities Program when the amount expended out of that fund does not exceed the applicant's share of the maximum grant amount apportioned.
- (6) Funding that is transferred into a Special Reserve Fund and used for the express purpose of the Overcrowding Relief Grant when the amount expended out of that fund does not exceed the amount of the site acquisition and design costs of the project and the district has submitted an approved Form SAB 50-11.
- (7) Funding that is used for the express purpose of reimbursing the State a proportionate share of financial hardship received when there has been a transfer of a special education program and title to the facility. In addition, the funding was used within five years of the title transfer.
- (8) Funding to pay for obtaining a structural report pursuant to Section 1859.82.2 for an approvable and funded seismic mitigation project.
- (9) All other capital facility funding for a period of three years when no subsequent financial hardship request is made during this period, with the exception of the funding identified in (6). The three-year period begins with the date of the most recent financial hardship new construction or modernization adjusted grant funding apportionment.

When Overcrowding Relief Grant funding is set aside pursuant to (6) and the School District has not submitted, or the OPSC has not accepted, a Form SAB 50-04 for an Overcrowding Relief Grant within three years from the date of deposit into the Special Reserve Fund, or the School District has not met the requirements in Sections 1859.90 or 1859.105, remaining funds plus interest accrued at the Pooled Money Investment Board rate at that time period shall be deemed available as matching contribution on a subsequent financial hardship project or be captured through an audit adjustment pursuant to Section 1859.106.

The financial hardship analysis is subject to approval by the Board.

(b) From the funds deemed available as a matching contribution, the district may retain \$19,776 per classroom in each enrollment reporting period for the cost to provide interim housing for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing for the currently unhoused pupils shall be the sum of the positive numbers determined in (b)(7) as follows:

(1) Determine the current enrollment of the district by grade level as shown on the latest Form SAB 50-01.

(2) Determine the New Construction Grants apportioned by grade level for all SFP projects and LPP funded under the provisions of Sections 1859.12 or 1859.13 where the district has submitted Form SAB 50-06 indicating that the project is 100 percent complete.

(3) Subtract (b)(2) from (b)(1).

(4) Determine the number of classrooms by grade level reported in Part 1, Line 8 on Form SAB 50-02.

(5) Multiply the classrooms determined in (b)(4) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe.

(6) Subtract the product determined in (b)(5) from the difference determined in (b)(3) by grade level.

(7) Divide the difference by grade level determined in (b)(6) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per portable toilet unit in each reporting period for the cost to provide necessary interim toilet facilities for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of toilet facilities needed for interim housing shall be the sum of the positive numbers determined in (b)(7) divided by eight rounded up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per classroom in each reporting period for the cost to provide necessary interim housing for the currently unhoused pupils displaced as a result of a SAB approved seismic mitigation project pursuant to Section 1859.82.2. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing shall be the quotient of the displaced pupils by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

If the district's available funds, as determined by the OPSC analysis less costs for interim housing, is less than its matching share, the district will be deemed to have met the requirements of this Subsection.

(c) The district has made all reasonable efforts to fund its matching share of the project by demonstrating it is levying the developer fee justified under law or an alternative revenue source equal to or greater than the developer fee otherwise justified under law at the time of request for hardship and the district meets at least one of the following:

(1) The current outstanding bonded indebtedness of the district issued for the purpose of constructing school facilities in accordance with Education Code Section 17072.35 or 17074.25 as appropriate, at the time of request for financial hardship status, is at least 60 percent of the district's total bonding capacity. Outstanding bonded indebtedness includes that part of general obligation bonds, Mello-Roos Bonds, School Facility Improvement District Bonds and certificates of participation which the district is paying a debt service that was issued for capital outlay school facility purposes.

(2) The district had a successful registered voter bond election for at least the maximum amount allowed under Proposition 39 within the previous two years from the date of request for financial hardship status. The proceeds from the bond election that represent the maximum amount allowed under the provisions of Proposition 39 must be used to fund the district's matching share requirement for SFP project(s).

(3) It is a County Superintendent of Schools.

(4) The district's total bonding capacity at the time of the request for financial hardship status is \$5 million or less.

(5) Other evidence of reasonable effort as approved by the SAB.

If the district's request for financial hardship status is denied by the Board, the district may be deemed eligible for rental payments of \$2,000 per year per classroom under the Emergency School Classroom Law of 1979 for a two year period when relocatable classroom buildings are available and the district provides financial documentation that it is unable to afford the full rental amount and any other information satisfactory to the Board that the rental reduction is necessary. The number of classrooms eligible for the \$2,000 rental payments shall be the sum of the numbers determined in (c)(5)(B) as follows:

(A) Determine the number of pupils by grade level that the district requested a New Construction Grant on the Form SAB 50-04 that were denied financial hardship status.

(B) Divide the number by grade level determined in (c)(5)(A) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

(d) The district has not signed a contract for acquisition or construction of classrooms that replace existing facility(ies), which were included in the determination of the district's new construction eligibility pursuant to Education Code Section 17071.75, in a locally funded project during the five-year period immediately preceding the district's application for financial hardship assistance. This restriction may be lifted if the Board finds that unforeseen and extenuating circumstances existed that required the district to use local funds to replace the facility(ies).

(e) If the district meets the financial hardship requirements in this Section, the amount of financial hardship is equal to the district's matching share less funds deemed available in (a).

(1) Once a district has been notified by OPSC that it meets the requirements of financial hardship in this Section, the district may file Form SAB 50-04 under the

provisions of financial hardship anytime within a period of 180 calendar days from the date of the OPSC notification.

(2) If the district does not submit Form SAB 50-04 under the provisions of financial hardship within 180 calendar days of the OPSC notification of approval of financial hardship status, the district must re-qualify for financial hardship status under the provisions of this Section by submittal of a new request for financial hardship status.

(3) If the project(s) has been included on an unfunded list for more than 180 calendar days, a review of the district's funds pursuant to (a) will be made to determine if additional district funds are available to fund the district's matching share of the project(s).

Financial hardship approval status by the OPSC for a separate design and/or site apportionment does not apply to any subsequent funding for the project(s).

(f) If the district submits Form SAB 50-04 within 180 calendar days of the OPSC notification of approval of financial hardship and the project(s) has been included on the "Unfunded List (Lack of AB 55 Loans)" for more than 180 calendar days as a result of the State of California's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans), the Board may suspend the unfunded review requirement as defined in Regulation Section 1859.81(e). Projects added to any other unfunded list shall be subject to the review detailed in Regulation Section 1859.81(e). Regulation Section 1859.81(f) shall become inoperative July 1, 2011.

(g) A project added to an unfunded list on or after July 1, 2011 will be subject to the review detailed in section (e)(3). For projects added to an unfunded list between February 25, 2009 and June 30, 2011, only the district's financial records on or after July 1, 2011 will be considered in calculating any adjustment to the district's matching share.

(h) On or after September 22, 2017, a district may submit a request for funding in advance of obtaining a determination of Financial Hardship.

(1) To be considered for Financial Hardship, the district must check the box on the Form SAB 50-04 requesting Financial Hardship pursuant to this subsection when submitting a request for funding.

(2) Prior to processing an application OPSC will notify the district in writing to submit the necessary documentation for a Financial Hardship analysis pursuant to (a), (b), (c) and (d). OPSC will not accept any documents for a Financial Hardship analysis in advance of the notification. Failure to submit the requested documentation within 60 calendar days of OPSC's notification will result in either a. or b.:

a. District may amend their Form SAB 50-04 to exclude the request for Financial Hardship determination.

b. OPSC will return the request for funding and related materials to the district.

(3) Upon notification of Financial Hardship approval, any Form SAB 50-04 processed within 180 calendar days of the approval date will be included in the approval.

(4) For any Form SAB 50-04 processed more than 180 calendar days after the date of the Financial Hardship approval the district shall re-qualify for Financial Hardship status.
