

State Allocation Board Meeting Notice and Agenda

Lisa Silverman, Executive Officer
Office of Public School Construction
707 3rd Street, 6th Floor
West Sacramento, CA 95605

Public Meeting
Wednesday, February 23, 2022
Department of General Services
Ziggurat Building
707 3rd Street, 6th Floor, Conference Room 6-300*
West Sacramento, CA 95605
4:00 p.m.*

The upcoming meeting of the State Allocation Board will be conducted by way of Zoom meeting and teleconference. This is consistent with Assembly Bill 361 (Chapter 165, Statutes of 2021) to improve and enhance public access to state and local agency meetings during the COVID-19 pandemic and future State of Emergencies by allowing broader access through teleconferencing options. The physical, publicly accessible teleconference location from which members of the public may observe and offer public comment is reflected above.

Interested persons may observe the meeting by going to Zoom Meeting at:

MINUTES

State Allocation Board

January 26, 2022

Upon notice duly given, the meeting of the State Allocation Board (SAB) was held at the Department of General Services, Ziggurat Building, located at 707 3rd Street, 6th Floor, Room 6-300, in West Sacramento, California on January 26, 2022 at 4:00 p.m.

Ms. Gayle Miller, the SAB Chair, announced that pursuant to Assembly Bill 361 (Chapter 165, Statutes of 2021) this meeting would be conducted by way of teleconference/Zoom meeting. The meeting was physically webcast from Room 6-300 in the Ziggurat Building in West Sacramento for anyone that would have liked to provide public comment in person.

Members of the SAB were present in order to establish a quorum for the meeting as follows:

- Gayle Miller, Chief Deputy Director, Policy, Department of Finance, designated representative for Keely Bosler, Director, Department of Finance
- Ana Lasso, Director, Department of General Services
- Juan Mireles, Director, School Facilities and Transportation Services Division, California Department of Education (CDE), designated representative for Tony Thurmond, Superintendent of Public Instruction
- Jeremy Smith, Governor's appointee
- Senator Scott Wilk
- Senator Connie Leyva
- Senator John Laird
- Assembly Member Patrick O'Donnell
- Assembly Member Autumn Burke
- Assembly Member Chad Mayes

Representative of the SAB was as follows:

- Lisa Silverman, Executive Officer

Representatives of the Department of General Services, Office of Public School Construction (OPSC), were as follows:

- Lisa Silverman, Executive Officer
- Barbara Kampmeiner, Deputy Executive Officer

Representative of the Department of General Services, Office of Legal Services, was as follows:

- Ephraim Egan, Staff Counsel

With a quorum present, Ms. Miller, Chair, called the meeting to order at 4:02 p.m.

PRIOR MINUTES

A motion was made, and seconded, to approve the December 7, 2021 meeting Minutes. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Wilk	X			
Senator Leyva	X

Failed

EXECUTIVE OFFICER'S STATEMENT

The Executive Officer informed the SAB of the following:

Recent Priority Funding Filing Round Closed

The current priority funding filing period began November 10, 2021 and closed December 9, 2021. OPSC received valid requests for 251 unique projects totaling \$671.5 million in State funding. These requests are valid from January 1, 2022 through June 30, 2022.

22nd Priority Funding Apportionments

School districts and Charter Schools whose projects received an unfunded approval from July 1, 2021 through December 9, 2021 had the ability to submit a certification for funding from the \$250 million appropriation from the General Fund as well as a Spring 2022 bond sale. As part of this Agenda, the SAB was presented with the first \$250 million in priority funding apportionment requests for 99 projects, of which represented 56 school districts. The projects were funded based on the order of the Unfunded List (Lack of AB 55 Loans). School districts were reminded that the requirements for Participation in the Priority Funding Process remain in effect (SFP Regulation Section 1859.90.3).

Stakeholder Meeting: Facility Inspection Tool

The Governor signed into law Senate Bill 129 (Chapter 69, Budget Act of 2021 – Skinner) on July 12, 2021. This bill, among other changes, provided \$250,000 for OPSC to update the Facility Inspection Tool (FIT) for use beginning July 1, 2022. The FIT is used to determine the condition of a school facility. OPSC held a second stakeholder meeting on Thursday, January 20, 2022 inviting members of the public to participate in the development of updates to the FIT. OPSC will announce the next stakeholder meeting via email blast once it has been scheduled.

EXECUTIVE OFFICER’S STATEMENT (cont.)

State Agency Workshop

OPSC, the CDE and the Division of the State Architect will conduct a free workshop scheduled for Thursday, February 3, 2022 from 10:00 a.m. to 12:00 p.m. via Zoom. The workshop will include an overview of each State agency’s role in the school construction process. In addition, the workshop will provide information on school planning, design, and the availability of state funding with a focus on applying for the expanded California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program, which will assist Local Education Agencies address their facility needs.

Virtual School Facility Program Training Series

In January 2021, OPSC launched a free virtual School Facility Program (SFP) training series that took place throughout the entire 2021 calendar year. OPSC held 15 free virtual training workshops that provided background and training on applying to the different programs offered by OPSC, as well as navigating the new online application, OPSC Online, and various processes related to SFP funding. In total, 1,063 external participants attended these workshops and there have been 1,407 YouTube views for the entire series. The feedback from school districts and stakeholders has been overwhelmingly positive. All online trainings have been archived to [OPSC’s YouTube channel](#) for future access.

Next SAB Meeting

The SAB and stakeholders were reminded that the next SAB meeting would be Wednesday, February 23, 2022 at 4:00 p.m. via Zoom.

CONSENT ITEMS

A motion was made, and seconded, to approve the Consent calendar as presented. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Wilk	X			
Senator Leyva	X			
Senator Laird	X			
Assembly Member O’Donnell	X			
Assembly Member Burke	X			
Assembly Member Mayes	X

Gayle Miller	X			
Total	10			

Motion:

Carried X
 Failed

FINANCIAL REPORTS

The SAB accepted the Financial Reports as presented.

ACTION ITEMS

Priority Funding School Construction Apportionments

A motion was made, and seconded, to approve the staff’s recommendations, which were to 1) approve Apportionments for the projects as shown on Attachment B in the amount of \$252.1 million; and 2) declare that all applications receiving Apportionments are subject to the new construction grant adjustment pursuant to Education Code Section 17072.11(b) and are not considered full and final until the SAB has made the adjustment. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Wilk	X			
Senator Leyva	X			
Senator Laird	X			
Assembly Member O’Donnell	X			
Assembly Member Burke	X			
Assembly Member Mayes	X			
Juan Mireles	X			
Jeremy Smith	X			
Ana Lasso	X			
Gayle Miller	X			
Total	10			

Motion:

Carried X
Failed

Annual Adjustment to School Facility Program Grants

This Item was withdrawn from the Agenda. OPSC anticipates it will be presented at the February 23, 2022 SAB meeting.

Index Adjustment on the Assessment for Development

This Item was withdrawn from the Agenda. OPSC anticipates it will be presented at the February 23, 2022 SAB meeting.

New Charter School Facilities Program Filing Round

A motion was made, and seconded, to approve the staff’s recommendations which would 1) approve a new application filing period opening May 2, 2022 and closing June 3, 2022, using all available bond authority from Propositions 47, 55, 1D and 51 not needed for existing Charter School Facilities Program preliminary apportionment conversions; and 2) declare that the applications shall remain valid for 12 months after awarding preliminary apportionments to enable the SAB to continue awarding preliminary apportionments during that time, provided additional bond authority returns to the program that is not associated with a voter approved bond.

ACTION ITEMS (cont.)***New Charter School Facilities Program Filing Round*** (cont.)

The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Wilk	X			
Senator Leyva	X			
Senator Laird	X			
Assembly Member O'Donnell	X			
Assembly Member Burke	X			
Assembly Member Mayes	X

Ana Lasso	X			
Gayle Miller	X			
Total	10			

Motion:

Carried X

Failed

Proposed Amendments to the Full-Day Kindergarten Facilities Grant Program

Before a motion was made, an SAB member made a comment regarding outdoor space with respect to kindergarten and preschool classrooms. OPSC responded that there are specific requirements not only to the classrooms and bathrooms for these types of students, but to outdoor space (play areas) as well. It was mentioned that OPSC would develop an FAQ webpage based on stakeholder feedback (through workshops, etc.) which will provide applicants with program requirements needed for their projects. A motion was made, and seconded, to approve the staff's recommendations which would 1) adopt the proposed amendments to program regulations, forms and grant agreement as shown as Attachments B through F; and 2) authorize the Executive Officer to file the proposed amendments to the regulations, forms and grant agreement with the Office of Administrative Law on an emergency basis and make the regulations permanent.

The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Wilk	X			
Senator Leyva	X			
Senator Laird	X			
Assembly Member O'Donnell	X			
Assembly Member Burke	X			
Assembly Member Mayes	X			
Juan Mireles	X			
Jeremy Smith	X			
Ana Lasso	X			
Gayle Miller	X			
Total	10			

Motion:

Carried X

Failed

REPORTS, DISCUSSION, AND INFORMATION ITEMS

The SAB acknowledged the following reports:

- ***Local Audits Update***
- ***State Allocation Board Three-Month Projected Workload***
- ***State Allocation Board Meeting Dates for the 2022 Calendar Year***
- ***School Facility Program Unfunded List as of December 7, 2021***
- ***School Facility Program Workload List of Applications Received Through December 31, 2021***
- ***Emergency Time Extension Request Log as of January 1, 2022***
- ***School Facility Program Applications Received Beyond Bond Authority List as of December 31, 2021***
- ***Facility Hardship/Rehabilitation Approvals Without Funding as of December 7, 2021***

PUBLIC COMMENT

Ms. Amy Gossien, Superintendent of Scotia Union School District, thanked the SAB for the funding of her project through the Priority Funding School Construction Apportionments Action Item. She also stated that the OPSC Team was extremely helpful. The District's community will get a new gymnasium after ten years in the making.

ADJOURNMENT

There being no further business to come before the SAB, the Chair adjourned the meeting at 4:33 p.m.

EXECUTIVE OFFICER STATEMENT
State Allocation Board Meeting, February 23, 2022

22ND PRIORITY FUNDING ROUND APPORTIONMENTS

School districts and charter schools whose projects received an unfunded approval from July 1, 2021 through December 9, 2021 had the ability to submit a certification for funding from the \$250 million appropriation from the General Fund to the State Facility Program (SFP) as well as a Spring 2022 bond sale.

Districts that receive a Priority Funding Apportionment are required to submit a valid *Fund Release Authorization* (Form SAB 50-05) by the end of **Tuesday, April 26, 2022** to the Office of Public School Construction (OPSC).

As of January 28, 2022, OPSC has received valid fund release authorizations for 22 unique projects totaling to \$35.0 million in State funding.

79 projects have not yet submitted fund release authorizations.

ANNUAL ADJUSTMENT TO THE SCHOOL FACILITY PROGRAM GRANTS AND INDEX ADJUSTMENT ON THE ASSESSMENT FOR DEVELOPMENT

As part of today's Agenda, we are presenting the annual adjustment to the SFP grants based on the statewide cost index for Class B construction. The adjustment recommended is an increase of 15.8 percent.

Additionally, we are presenting the biannual index adjustment on the maximum Level I assessment for development. The adjustment recommended is an increase of 17.45 percent.

STATE AGENCY WORKSHOP

OPSC, the California Department of Education (CDE), and the Division of the State Architect (DSA) jointly conducted a free workshop via Zoom on February 3, 2022. The workshop provided an overview of each state agency's role in the school construction process and discussed school planning, design, and the availability of state funding with a focus on applying for the California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program funding to help Local Education Agencies address their facility needs.

573 external participants attended this workshop and the feedback from school districts and stakeholders has been overwhelmingly positive. A recording of the workshop is available on OPSC's YouTube Channel: <https://www.youtube.com/user/OPSCYou>

STAKEHOLDER MEETING: FACILITY INSPECTION TOOL

Senate Bill 129 (Chapter 69, Budget Act of 2021 – Skinner) was signed by the Governor on July 12, 2021. Among other changes, this bill requires OPSC to update the Facility Inspection Tool for use beginning July 1, 2022. The Facility Inspection Tool is used to determine the condition of a school facility. Staff has held two previous stakeholder meetings in December and January inviting members of the public to participate in the development of updates to the tool.

The third stakeholder meeting opportunity will be held virtually via Zoom and has been scheduled for Thursday, March 3, 2022 at 4:00. Staff sent out an email blast with meeting details to those subscribed to our mailing list and stakeholders can also access meeting details on OPSC's website.

AUDIT FINDINGS FOR SFP MODERNIZATION PROGRAM

The California State Auditor has completed an audit of OPSC's Modernization Program and issued the findings report to the Legislature on January 27, 2022. The report found that when processing modernization applications, OPSC and the State Allocation Board complied with key requirements in state law, regulations, and OPSC's policies.

The report concludes that the state should improve the SFP by increasing funding and making changes to improve equity, and the state should continue to use bond funding to assist districts with modernization projects. The report recommends the Legislature to seek voter approval for at least \$7.4 billion in bond funding for the modernization of school facilities. Further, the Legislature should require the Board to administer funds from future bond proposition by prioritizing projects from district that meet certain criteria, such as financially challenged districts.

The report is currently available for public access at the California State Auditor's website: <https://www.auditor.ca.gov/reports/recent>

NEXT MEETING

The next meeting is scheduled for Wednesday, March 23, 2022 at 4:00 p.m. via Zoom.

State of California
State Allocation Board
School Facility Program

This Resolution of the State Allocation Board (hereafter referred to as the "Board") is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on February 23, 2022.

WHEREAS, the Board has previously approved or determined to be approvable a number of projects for construction or modernization eligibility of facilities for school districts and is making apportionments and/or unfunded approvals for the grant amounts for projects that meet the Board's criteria for the apportionment of grants pursuant to Education Code Sections 17072.10, 17078.52, 17078.70, 17079 or 17074.10 or Board Regulations 1859.81.1 or 1859.83;

WHEREAS, Treasury Regulations Section 1.150-2 require the State (on whose behalf the Board is acting) to declare its reasonable intent to provide grant funding to school districts, in accordance with Board policy and law, for costs of the projects with proceeds of State bonds;

NOW THEREFORE, BE IT RESOLVED:

1. This Resolution is adopted by the Board for the purposes of establishing compliance with Treasury Regulations Section 1.150-2, and this Resolution does not bind the Board to make any additional apportionment, or bind the State to incur any indebtedness.
2. The Board anticipates that some or all of the school districts listed on the list of "Projects" referred to in this Resolution will pay certain capital expenditures in connection with some or all of the project costs prior to the issuance of bonds by the State to pay for the grants for the projects. The reimbursement of such costs is consistent with the State's budgetary and financial circumstances, and in accordance with Board policy, as no other funds or accounts of the State have been budgeted or are available to pay the costs of the projects on either a short-term or a long-term basis.
3. The Board, acting on behalf of the State, hereby declares that it is the State's official intent to use proceeds of general obligation bonds that may become available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants in accordance with applicable laws and regulations.
4. This Resolution shall be continuously available for inspection by the general public during normal business hours at the offices of the Board at 707 3rd Street, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.
5. Any eligibility determination does not constitute a commitment of future funding by the Board.

I, the undersigned, duly authorized as the Executive Officer of the State Allocation Board, do hereby certify the foregoing to be true and correct, and that this Resolution was adopted at a meeting of said Board on February 23, 2022 at West Sacramento, California.

Lisa Silverman
Executive Officer
State Allocation Board

SCHOOL FACILITY PROGRAM

PURPOSE OF REPORT

To present the Districts' requests for School Facility Program (SFP) eligibility approval.

DESCRIPTION

The school districts shown in the following sections have complied with State Allocation Board (Board) regulations regarding new construction or modernization eligibility determinations for the projects listed.

RECOMMENDATIONS

1. Approve the eligibility determinations for the districts/projects shown on the Attachment.
2. Provide that this approval of eligibility determination for the districts/projects listed does not constitute a commitment for future funding by the Board.
3. For purposes of any application for funding, provide that the district must comply with all requirements of law and regulations pertaining to the SFP.

SCHOOL FACILITY PROGRAM

PURPOSE OF REPORT

To adjust the baseline eligibility for new construction and modernization projects under the Leroy F. Greene School Facilities Act of 1998.

DESCRIPTION

The districts listed on Attachment A have received eligibility approval for new construction. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.51.

The districts listed on Attachment B have received eligibility approval for modernization. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.61.

RECOMMENDATIONS

1. Approve an adjustment to the new construction eligibility baseline determination as shown on Attachment A.
2. Approve an adjustment to the modernization eligibility baseline determination as shown on Attachment B.
3. Provide that this approval of adjusted eligibility determination does not constitute a commitment for future funding by the State Allocation Board.

KEY TO ADJUSTMENTS

NEW CONSTRUCTION ONLY

- (a) Reduced by the number of pupils provided grants in a new construction School Facility Program (SFP) project and by the number of pupils that received a Preliminary Apportionment pursuant to Section 1859.140 or a Preliminary Charter School Apportionment pursuant to Regulation Section 1859.162.2.
- (b) Reduced by the number of pupils housed, based on the loading standards pursuant to Ed. Code Section 17071.25(a)(2)(A), in a new construction LPP project funded under the provisions of the LPP pursuant to Regulation Section 1859.12 or 1859.13.
- (c) Reduced by the number of pupils housed in additional classrooms constructed or purchased based on the loading standards, pursuant to Ed. Code Section 17071.25(a)(2)(A), in a modernization SFP project.
- (d) Adjusted as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Increased/decreased by changes in projected enrollment in subsequent enrollment reporting years, except as provided in (j) below.
- (f) Adjusted as a result of errors or omissions by the district or by the Office of Public School Construction (OPSC).
- (g) Adjusted as result of amendments to the SFP Regulations that affect the eligibility.
- (h) Increased by the number of pupils eligible for grants pursuant to Regulation Section 1859.82(a).
- (i) Reduced by the number of pupils housed in classrooms provided after the baseline eligibility was determined by the State Allocation Board, with 12 exceptions at Regulation Section 1859.51(i).
- (j) For Small School Districts, following a 3-year period after the district's eligibility was approved by the Board, decreased by any reduction in projected enrollment, and by any increase in pupils in the latest CDE operational grant report per Ed. Code Sec. 42268.
- (k) Adjusted for any changes in classroom inventory as a result of a reorganization election.
- (l) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (m) As directed by the SAB due to finding a Material Inaccuracy pursuant to Section 1859.104.1.
- (n) Increased by the number of pupils that received a Preliminary Apportionment that was rescinded pursuant to Section 1859.148 or a Preliminary Charter School Apportionment that was rescinded pursuant to Section 1859.166.
- (o) Adjusted for operational grant changes as determined/provided by the California Department of Education.
- (p) For High School Attendance Area (HSAA) districts with Preliminary Apportionments within the 2002 or 2004 Critically Overcrowded School Facilities Account, adjusted in accordance with Regulation Section 1859.51(p)(1), (2), or (3).
- (q) Adjusted by the difference between the Alternative Enrollment Projection for the current enrollment reporting year and the projected enrollment determined pursuant to Section 1859.42 for the current enrollment reporting year, or by the eligibility remaining from this calculation that can no longer be utilized if the funds made available pursuant to EC Section 17071.75(a)(1)(A) have been exhausted.
- (r) Adjusted per Ed. Code Sec. 17071.75(b)(2) by the number of pupils housed, based on the loading standards per Ed. Code Sec. 17071.25(a)(2)(A), in any classroom(s) where title was relinquished to the School District receiving the transferred classrooms.

KEY TO ADJUSTMENTS

MODERNIZATION ONLY

- (a) Reduced by the number of pupils provided grants in a modernization SFP project or CSFP Rehabilitation project at the specific site.
- (b) Reduced by the number of pupils housed, based on the loading standard pursuant to EC Section 17071.25(a)(2), in a modernization LPP project funded under the LPP pursuant to Regulation Section 1859.14 and 1859.15.
- (c) Increased by changes in projected enrollment in subsequent enrollment reporting years.
- (d) (1) Increased for additional facilities not previously modernized with State funds, that become 25 years old, if permanent, or 20 years old, if portable or, (2) as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Adjusted as a result of errors or omissions by the district or by the OPSC.
- (f) Adjusted as result of amendments to the Subgroup 5.5 Regulations that affect the eligibility.
- (g) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (h) As directed by the SAB due to finding a Material Inaccuracy pursuant to Regulation Section 1859.104.1.
- (i) Increased for facilities previously modernized with State funds, which qualify for an additional modernization apportionment pursuant to Regulation Section 1859.78.8.
- (j) Adjusted as a result of the Reconfiguration of an existing high school under the Small High School Program.
- (k) Decreased for facilities that were deemed eligible for modernization pursuant to Regulation Sections 1859.60 and 1859.61(d) and subsequently replaced, or will be replaced under a signed contract for construction or acquisition of facilities, in a project funded by the district without participation from the State.
- (l) Adjusted as a result of replaced eligible portables funded with the Overcrowding Relief Grant, per Ed. Code Section 17079 et seq.
- (m) Adjusted as a result of classrooms demolished and replaced pursuant to Regulation Section 1859.82.

STIPULATED TERMS & NEXT STEPS

This application is placed on the Unfunded List (Lack of AB 55 Loans) pursuant to the Board's action on March 11, 2009. This approval does not constitute a guarantee or commitment of future state funding.

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The state's portion of any and all project savings realized from the funding of a Career Technical Education Facilities Program project must be returned to the state pursuant to School Facility Program Regulation Section 1859.199.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Applicant has requested a Reservation of Funds. Pursuant to School Facility Program Regulation Section 1859.197, the Applicant is required to submit the California Department of Education plan approval and the Division of the State Architect approved plans and specifications to the Office of Public School Construction within 12 months of receiving an Apportionment; otherwise, the Apportionment will be rescinded without further Board action.

CHARTER SCHOOL FACILITIES PROGRAM EXTENSION TO CONVERSION DEADLINE

PURPOSE OF REPORT

To present Education for Change Public Schools' (Applicant) request for a one-year extension to the conversion deadline for its Achieve Academy Charter School Facilities Program (CSFP) rehabilitation project.

DESCRIPTION

Applicants participating in the CSFP must convert a Preliminary Charter School Apportionment (PSCA) to an adjusted grant apportionment within a four-year period pursuant to School Facility Program (SFP) Regulation Section 1859.166. This item requests a one-year extension to the conversion deadline for the Applicant's rehabilitation project, application number 54/61259-00-006, pursuant to SFP Regulation Section 1859.166.1.

AUTHORITY

See Attachment A.

BACKGROUND

The CSFP provides PCSAs (reservations of bond authority) for new construction and rehabilitation projects. The PCSA for a CSFP project must be converted within a four-year period to an adjusted grant apportionment meeting all the SFP Regulation requirements, unless a single one-year extension is granted by the State Allocation Board (Board).

Applicants may request the Board to approve a single one-year extension. The request will be approved when the Applicant meets the criteria in (a) or (b):

- a) The charter school has provided evidence of both of the following:
 - The California Department of Education (CDE) has made a contingent or final approval of the proposed site; and,
 - The Division of the State Architect (DSA) has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- b) Other evidence satisfactory to the Board justifying the extension.

STAFF ANALYSIS/COMMENTS

The Applicant is requesting an extension due to delays caused by Covid-19. The Applicant anticipates submitting to the Division of the State Architect (DSA) and

California Department of Education (CDE) for plan review in Spring 2022 and anticipates receiving their approval and submitting a complete conversion application to the Office of Public School Construction by Winter 2022. The Applicant's current conversion deadline is January 24, 2022. If approved the new deadline will be January 24, 2023.

Staff has reviewed the Applicant's request (Attachment B) and determined that it provides satisfactory evidence to justify the extension. Staff supports the Applicant's request for a one-year extension to the conversion deadlines.

RECOMMENDATION

Approve the Applicant's request for a one-year extension to the conversion deadline. Require that the PCSA for application number 54/61259-00-006 be converted to a final apportionment by January 24, 2023 or the PCSA will be rescinded, and the bond authority returned to the CSFP.

ATTACHMENT A

AUTHORITY

School Facility Program (SFP) Section 1859.166. Time Limit on Preliminary Charter School Apportionment.

- (a) A complete request to convert a Preliminary Charter School Apportionment to a Final Charter School Apportionment pursuant to Section 1859.165 shall be made within four years of the date of the Preliminary Charter School Apportionment unless the Charter School received approval of an extension pursuant to Section 1859.166.1.
- (b) If (a) is not met, and the Charter School has not received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) the Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) the SFP New Construction Eligibility will be increased by the number of unhoused pupils pursuant to Section 1859.162.2 for the school district that physically contains the Charter School within its geographical boundaries.
- (c) If (a) is not met, and the Charter School has received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) The Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) Funds released pursuant to Section 1859.164.2(a) shall be reduced to cost incurred and closed-out pursuant to Section 1859.106 with a corresponding SFP new construction baseline eligibility adjustment for the pupils assigned to the Preliminary Charter School Application. The adjustment to the baseline eligibility shall be based on the ratio of the number of unhoused pupils pursuant to Section 1859.162.2 and the project capacity which generated the project funding to the eligible expenditures. Any funds released are subject to the fifty percent local matching share requirement as required by EC 17078.54(d). Funds returned pursuant to Section 1859.106 shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (3) Funds released pursuant to Section 1859.164.2(b) shall be subject to the provisions of Section 1859.171.

SFP Section 1859.166.1. Preliminary Charter School Apportionment Time Limit Extension.

A Charter School that has received a Preliminary Charter School Apportionment may request a single one-year extension of the time limit prescribed in Section 1859.166(a). The Board shall approve the request provided the criteria in (a) or (b) are met:

- (a) The Charter School has provided evidence of both of the following:
 - (1) The CDE has made a contingent or final approval of the proposed site; and,
 - (2) The DSA has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- (b) Other evidence satisfactory to the Board justifying the extension.

Dec. 29th, 2021

Ms. Erin Cunneen
Project Manager
Office of Public School Construction
707 Third Street
West Sacramento, CA 95605

**Subject: Education for Change Public Schools Achieve Academy
Charter School Facilities Program Rehabilitation Project
Application Numbers 54/61259-00-006
Request for One-Year Extension**

Dear Ms. Cunneen,

Pursuant to School Facility Program (SFP) Regulation Section 1859.166.1, please accept Education for Change Public Schools' (EFC) request for a single one-year extension of the time limit prescribed in 1859.166(a) for the Charter School Facilities Program Rehabilitation Project (Project) at its Achieve Academy Campus (54/61259-00-006).

The regulations provide for approval of the extension if certain criteria are met, including California Department of Education (CDE) final or contingent site approval, submittal of final plans to Division of the State Architect (DSA), or other satisfactory evidence.

Since the preliminary apportionments were awarded on January 24, 2018, EFC worked with their consultant team to develop and process a plan set for the replacement of the HVAC system in the existing building and a bid package for the replacement of the portables and secondary building. The HVAC package was processed through Division of the State Architect (DSA). Both the DSA approved HVAC package and the preliminary plan set and specifications were put out to bid and the project was awarded to the Design Build Team of Overaa/Noll-Tam (DBE team). The impacts of COVID-19 pandemic did affect the timing of the DBE award. Transition to remote working environments and consultant staff shortages due to pandemic impacted the ability to complete the bid package and deliver the project as originally scheduled. The district and DBE team have been working on parallel tracks for the HVAC system upgrade and the development of the Construction Documents for the remaining work on building A and new

Education for Change Public Schools

construction of Building Z. HVAC system replacement is anticipated for summer 2022 as DSA has already approved plans for this work. Construction Documents for Building A modernization and the new Building Z are in full production with weekly and active coordination between the school district and DBE team. The project is on track to submit to the Division of the State Architect (DSA) in Spring 2022, with approval anticipated in the following Winter. California Department of Education (CDE) coordination is currently underway, and final plan review will occur concurrently with the DSA submittal. The four-year deadline to convert to a Final Apportionment for this project is January 24, 2022. As EFC is diligently in pursuit of all required agency approvals, we respectfully request the one-year extension, with conversion required by January 24, 2023.

Education for Change Public Schools Achieve Academy is located on an existing Oakland Unified School District school site, and therefore the project will not be required to obtain California Department of Education (CDE) Site Approval.

EFC plans to convert the Project to a Final Charter School Apportionment as soon as possible after the plans are reviewed and approved by DSA and CDE.

Please feel free to contact me should you have any further questions. Thank you very much.

Sincerely,

A handwritten signature in black ink, appearing to read 'EP', is placed above the typed name.

CHARTER SCHOOL FACILITIES PROGRAM EXTENSION TO CONVERSION DEADLINE

PURPOSE OF REPORT

To present Leadership Public Schools' (Applicant) request for a one-year extension to the conversion deadlines for its Oakland R&D Charter School Facilities Program (CSFP) combination new construction and rehabilitation project.

DESCRIPTION

Applicants participating in the CSFP must convert a Preliminary Charter School Apportionment (PSCA) to an adjusted grant apportionment within a four-year period pursuant to School Facility Program (SFP) Regulation Section 1859.166. This item requests a one-year extension to the conversion deadlines for the Applicant's combination new construction and rehabilitation project, application numbers 54/61259-09-008 and 009, pursuant to SFP Regulation Section 1859.166.1.

AUTHORITY

See Attachment A.

BACKGROUND

The CSFP provides PCSAs (reservations of bond authority) for new construction and rehabilitation projects. The PCSA for a CSFP project must be converted within a four-year period to an adjusted grant apportionment meeting all the SFP Regulation requirements, unless a single one-year extension is granted by the State Allocation Board (Board).

Applicants may request the Board to approve a single one-year extension. The request will be approved when the Applicant meets the criteria in (a) or (b):

- a) The charter school has provided evidence of both of the following:
 - The California Department of Education (CDE) has made a contingent or final approval of the proposed site; and,
 - The Division of the State Architect (DSA) has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- b) Other evidence satisfactory to the Board justifying the extension.

STAFF ANALYSIS/COMMENTS

The Applicant's project is located on a site owned by the Oakland Unified School District. The design of the project was slowed slightly due to Covid-19, as well as

determining the final project scope. Plans were submitted to the Division of the State Architect (DSA) in December 2021. The Applicant anticipates receiving final plan approval from DSA in Summer 2022, and for the California Department of Education (CDE) review and approval timeline to mirror DSA's. The Applicant plans to submit a complete conversion application to the Office of Public School Construction as soon as DSA and CDE plan approvals are received. The current conversion deadlines are January 24, 2022. If approved the new deadlines will be January 24, 2023.

Staff has reviewed the Applicant's request (Attachment B) and determined that it provides satisfactory evidence to justify the extension. Staff supports the Applicant's request for a one-year extension to the conversion deadlines.

RECOMMENDATION

Approve the Applicant's request for a one-year extension to the conversion deadlines. Require that the PCSAs for application numbers 54/61259-09-008 and 009 be converted to final apportionments by January 24, 2023 or the PCSAs will be rescinded, and the bond authority returned to the CSFP.

ATTACHMENT A

AUTHORITY

School Facility Program (SFP) Section 1859.166. Time Limit on Preliminary Charter School Apportionment.

- (a) A complete request to convert a Preliminary Charter School Apportionment to a Final Charter School Apportionment pursuant to Section 1859.165 shall be made within four years of the date of the Preliminary Charter School Apportionment unless the Charter School received approval of an extension pursuant to Section 1859.166.1.
- (b) If (a) is not met, and the Charter School has not received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) the Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) the SFP New Construction Eligibility will be increased by the number of unhoused pupils pursuant to Section 1859.162.2 for the school district that physically contains the Charter School within its geographical boundaries.
- (c) If (a) is not met, and the Charter School has received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) The Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) Funds released pursuant to Section 1859.164.2(a) shall be reduced to cost incurred and closed-out pursuant to Section 1859.106 with a corresponding SFP new construction baseline eligibility adjustment for the pupils assigned to the Preliminary Charter School Application. The adjustment to the baseline eligibility shall be based on the ratio of the number of unhoused pupils pursuant to Section 1859.162.2 and the project capacity which generated the project funding to the eligible expenditures. Any funds released are subject to the fifty percent local matching share requirement as required by EC 17078.54(d). Funds returned pursuant to Section 1859.106 shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (3) Funds released pursuant to Section 1859.164.2(b) shall be subject to the provisions of Section 1859.171.

SFP Section 1859.166.1. Preliminary Charter School Apportionment Time Limit Extension.

A Charter School that has received a Preliminary Charter School Apportionment may request a single one-year extension of the time limit prescribed in Section 1859.166(a). The Board shall approve the request provided the criteria in (a) or (b) are met:

- (a) The Charter School has provided evidence of both of the following:
 - (1) The CDE has made a contingent or final approval of the proposed site; and,
 - (2) The DSA has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- (b) Other evidence satisfactory to the Board justifying the extension.

Subject: **Leadership Public Schools Oakland R&D
Charter School Facilities Program Rehabilitation and New Construction Projects
Application Numbers 54/61259-09-008, 009
Request for One Year Extension**

Dear Ms. Cunneen,

Pursuant to School Facility Program (SFP) Regulation Section 1859.166.1, please accept Leadership Public Schools' (LPS) request for a single one-year extension of the time limit prescribed in 1859.166(a) for the Charter School Facilities Program Rehabilitation and New Construction Projects (Projects) at its Oakland R&D Campus (54/61259-09-008 and 009).

The regulations provide for approval of the extension if certain criteria are met, including California Department of Education (CDE) final or contingent site approval, submittal of final plans to Division of the State Architect (DSA), or other satisfactory evidence.

Since the preliminary apportionments were awarded on January 24, 2018, LPS has put a team in place and has been working on project planning and design. The COVID-19 pandemic has resulted in some slowdowns, but design and planning have continued steadily, and significant coordination with the school district has been required, specifically as related to project scope. The project was submitted to the Division of the State Architect on December 17, 2021, with approval anticipated in Summer 2022. California Department of Education review will occur concurrently with the DSA schedule. The four year deadline to convert to a Final Apportionment for this project is January 24, 2022. As LPS is diligently in pursuit of all required agency approvals, we respectfully request the one-year extension.

Leadership Public Schools Oakland R&D is located on an existing Oakland Unified School District school site, and therefore the project will not be required to obtain California Department of Education (CDE) Site Approval.

LPS plans to convert the Project to a Final Charter School Apportionment as soon as possible after the plans are reviewed and approved by DSA and CDE.

Please feel free to contact me should you have any further questions. Thank you very much.

Sincerely,

A handwritten signature in blue ink that reads "Patricia Saddler". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Patricia Saddler, Ed. D.
Superintendent

CHARTER SCHOOL FACILITIES PROGRAM EXTENSION TO CONVERSION DEADLINE

PURPOSE OF REPORT

To present Mariposa County Unified School District's (Applicant) request for a one-year extension to the conversion deadline for its Sierra Foothill Charter, Charter School Facilities Program (CSFP) rehabilitation project.

DESCRIPTION

Applicants participating in the CSFP must convert a Preliminary Charter School Apportionment (PSCA) to an adjusted grant apportionment within a four-year period pursuant to School Facility Program (SFP) Regulation Section 1859.166. This item requests a one-year extension to the conversion deadline for the Applicant's rehabilitation project, application number 54/65532-00-001, pursuant to SFP Regulation Section 1859.166.1.

AUTHORITY

See Attachment A.

BACKGROUND

The CSFP provides PCSAs (reservations of bond authority) for new construction and rehabilitation projects. The PCSA for a CSFP project must be converted within a four-year period to an adjusted grant apportionment meeting all the SFP Regulation requirements, unless a single one-year extension is granted by the State Allocation Board (Board).

Applicants may request the Board to approve a single one-year extension. The request will be approved when the Applicant meets the criteria in (a) or (b):

- a) The charter school has provided evidence of both of the following:
 - The California Department of Education (CDE) has made a contingent or final approval of the proposed site; and,
 - The Division of the State Architect (DSA) has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- b) Other evidence satisfactory to the Board justifying the extension.

STAFF ANALYSIS/COMMENTS

The Applicant is requesting an extension due to delays caused by Covid-19. The Applicant is currently in the process of submitting to the Division of the State Architect

(DSA) and California Department of Education (CDE) for plan review and anticipates receiving their approval and submitting a complete conversion application to the Office of Public School Construction in Spring 2022. The Applicant's current conversion deadline is January 24, 2022. If approved the new deadline will be January 24, 2023.

Staff has reviewed the Applicant's request (Attachment B) and determined that it provides satisfactory evidence to justify the extension. Staff supports the Applicant's request for a one-year extension to the conversion deadlines.

RECOMMENDATION

Approve the Applicant's request for a one-year extension to the conversion deadline. Require that the PCSA for application number 54/65532-00-001 be converted to a final apportionment by January 24, 2023 or the PCSA will be rescinded, and the bond authority returned to the CSFP.

ATTACHMENT A

AUTHORITY

School Facility Program (SFP) Section 1859.166. Time Limit on Preliminary Charter School Apportionment.

- (a) A complete request to convert a Preliminary Charter School Apportionment to a Final Charter School Apportionment pursuant to Section 1859.165 shall be made within four years of the date of the Preliminary Charter School Apportionment unless the Charter School received approval of an extension pursuant to Section 1859.166.1.
- (b) If (a) is not met, and the Charter School has not received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) the Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) the SFP New Construction Eligibility will be increased by the number of unhoused pupils pursuant to Section 1859.162.2 for the school district that physically contains the Charter School within its geographical boundaries.
- (c) If (a) is not met, and the Charter School has received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) The Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) Funds released pursuant to Section 1859.164.2(a) shall be reduced to cost incurred and closed-out pursuant to Section 1859.106 with a corresponding SFP new construction baseline eligibility adjustment for the pupils assigned to the Preliminary Charter School Application. The adjustment to the baseline eligibility shall be based on the ratio of the number of unhoused pupils pursuant to Section 1859.162.2 and the project capacity which generated the project funding to the eligible expenditures. Any funds released are subject to the fifty percent local matching share requirement as required by EC 17078.54(d). Funds returned pursuant to Section 1859.106 shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (3) Funds released pursuant to Section 1859.164.2(b) shall be subject to the provisions of Section 1859.171.

SFP Section 1859.166.1. Preliminary Charter School Apportionment Time Limit Extension.

A Charter School that has received a Preliminary Charter School Apportionment may request a single one-year extension of the time limit prescribed in Section 1859.166(a). The Board shall approve the request provided the criteria in (a) or (b) are met:

- (a) The Charter School has provided evidence of both of the following:
 - (1) The CDE has made a contingent or final approval of the proposed site; and,
 - (2) The DSA has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- (b) Other evidence satisfactory to the Board justifying the extension.

West Sacramento, CA 95605
(916) 376-1771
www.dgs.ca.gov/opsc

Dear OPSC Application Review Team,

Please accept the following as our extension request. Below are the reason for our request that this application receive an extension while we are being processed through the Division of the State Architect (DSA) and California Department of Education (CDE) approval process.

Our request for this is extension is due to delays related to COVID-19 supply chain delays and illnesses related to the COVID-19 pandemic. We believe we are near the finish line of obtaining CDE approval. We will submit our application for conversation with the necessary approval of these agencies within the next 90 days.

Here is our response to the points you raised in your correspondence to us dated January 6, 2022:

- Project name and application number:
Answer: Sierra Foothill Charter 54/65532-00-001
- Brief explanation as to what caused the delay in the project/why the extension is needed:
Answer: Additional time is needed to obtain agency approvals; slow-down due to COVID-19
- When the applicant anticipates submitting to CDE and DSA for final plan approval
Answer: CDE and DSA submittals are in-process
- When the applicant anticipates receiving CDE and DSA final plan approval
Answer: Anticipated approval within next 60-90 days
- When the applicant anticipates submitting a complete conversion application with DSA and CDE approved plans to OPSC
Answer: Anticipate submitting conversion application in April 2022

Please feel free to contact me by email at Kierstin Wight, kwight@mcusd.org or phone at (209) 742-0222. Please feel to reach out to our consultant, Bob Nicholson by email at bob@ehanda.com or by phone at (858) 414-6268 with any questions or concerns related to this letter.

CHARTER SCHOOL FACILITIES PROGRAM EXTENSION TO CONVERSION DEADLINE

PURPOSE OF REPORT

To present Griffin Technology Academies' (Applicant) request for a one-year extension to the conversion deadlines for its MIT Academy Middle and MIT Academy High School Charter School Facilities Program (CSFP) combination new construction and rehabilitation projects.

DESCRIPTION

Applicants participating in the CSFP must convert a Preliminary Charter School Apportionment (PCSA) to an adjusted grant apportionment within a four-year period pursuant to School Facility Program (SFP) Regulation Section 1859.166. This item requests a one-year extension to the conversion deadline for the Applicant's two combination new construction and rehabilitation projects, application numbers 54/70581-00-004, 005, 006 and 007, pursuant to SFP Regulation Section 1859.166.1.

AUTHORITY

See Attachment A.

BACKGROUND

The CSFP provides PCSAs (reservations of bond authority) for new construction and rehabilitation projects. The PCSA for a CSFP project must be converted within a four-year period to an adjusted grant apportionment meeting all the SFP Regulation requirements, unless a single one-year extension is granted by the State Allocation Board (Board).

Applicants may request the Board to approve a single one-year extension. The request will be approved when the Applicant meets the criteria in (a) or (b):

- a) The charter school has provided evidence of both of the following:
 - The California Department of Education (CDE) has made a contingent or final approval of the proposed site; and,
 - The Division of the State Architect (DSA) has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- b) Other evidence satisfactory to the Board justifying the extension.

STAFF ANALYSIS/COMMENTS

The Applicant’s projects are located on a site owned by the Vallejo Unified School District. The company originally hired to design the project and manufacture the modular classrooms went out of business. Because of this, the entire project had to be redesigned. New plans were submitted to the Division of the State Architect (DSA) and the California Department of Education (CDE) in November 2021. The Applicant anticipates receiving final plan approval from DSA and CDE in Summer 2022 and submitting a complete conversion application to the Office of Public School Construction in Fall 2022. The current conversion deadline for the high school project is February 28, 2022, and for the middle school project is May 23, 2022. If approved the new deadlines will be February 28, 2023, and May 23, 2023, respectively.

Staff has reviewed the Applicant’s request (Attachment B) and determined that it provides satisfactory evidence to justify the extension. Staff supports the Applicant’s request for a one-year extension to the conversion deadlines.

RECOMMENDATION

Approve the Applicant’s request for a one-year extension to the conversion deadlines. Require that the PCSAs for application numbers 54/70581-00-006 and 007 be converted to final apportionments by February 28, 2023, and application numbers 54/70581-004 and 005 by May 23, 2023, or the PCSAs will be rescinded, and the bond authority returned to the CSFP.

ATTACHMENT A

AUTHORITY

School Facility Program (SFP) Section 1859.166. Time Limit on Preliminary Charter School Apportionment.

- (a) A complete request to convert a Preliminary Charter School Apportionment to a Final Charter School Apportionment pursuant to Section 1859.165 shall be made within four years of the date of the Preliminary Charter School Apportionment unless the Charter School received approval of an extension pursuant to Section 1859.166.1.
- (b) If (a) is not met, and the Charter School has not received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) the Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) the SFP New Construction Eligibility will be increased by the number of unhoused pupils pursuant to Section 1859.162.2 for the school district that physically contains the Charter School within its geographical boundaries.
- (c) If (a) is not met, and the Charter School has received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) The Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) Funds released pursuant to Section 1859.164.2(a) shall be reduced to cost incurred and closed-out pursuant to Section 1859.106 with a corresponding SFP new construction baseline eligibility adjustment for the pupils assigned to the Preliminary Charter School Application. The adjustment to the baseline eligibility shall be based on the ratio of the number of unhoused pupils pursuant to Section 1859.162.2 and the project capacity which generated the project funding to the eligible expenditures. Any funds released are subject to the fifty percent local matching share requirement as required by EC 17078.54(d). Funds returned pursuant to Section 1859.106 shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (3) Funds released pursuant to Section 1859.164.2(b) shall be subject to the provisions of Section 1859.171.

SFP Section 1859.166.1. Preliminary Charter School Apportionment Time Limit Extension.

A Charter School that has received a Preliminary Charter School Apportionment may request a single one-year extension of the time limit prescribed in Section 1859.166(a). The Board shall approve the request provided the criteria in (a) or (b) are met:

- (a) The Charter School has provided evidence of both of the following:
 - (1) The CDE has made a contingent or final approval of the proposed site; and,
 - (2) The DSA has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- (b) Other evidence satisfactory to the Board justifying the extension.

December 17, 2021

Ms. Erin Cunneen
 Project Manager, Charter School Facilities Program
 Office of Public School Construction
 707 Third Street
 West Sacramento, CA 95605

Re: Request for Preliminary Charter School Apportionment Time Limit Extension, MIT Academy Middle and MIT Academy High School

Dear Ms. Cunneen,

This letter is to formally request a one-year extension for the conversion of the MIT Academy Middle and MIT Academy High School preliminary apportionment grants under the Charter School Facilities Program (CSFP). The application numbers are as follow:

54/70581-00-004	MIT Academy Middle	Rehab
54/70581-00-005	MIT Academy Middle	NC
54/70581-00-006	MIT Academy High	NC
54/70581-00-007	MIT Academy High	Rehab

Please find below an update on the status of the project, the reason for this extension request, a plan outlining the submittal schedule for CDE and DSA approvals, and a statement regarding when GTA anticipates submitting a conversion application.

Project Status

On November 24, 2021, the final plans for the project have been submitted to the DSA for review and approval. DSA approval is expected to be received in July 2022.

The subject site is being leased to MIT Academy by Vallejo City Unified School District. A set of plans for the project have been provided to CDE school facilities staff. It is expected that CDE will review and approve the site shortly.

MIT Academy
Mare Island Technology Academy
Griffin Academy Middle School
Griffin Academy High School

Free Vallejo Public Independent Charter Schools

2 Positive Place, Vallejo, California, 94589 707-552-6482 www.mitacademy.org

Reason for Extension Request

An extension request is being made as the project required a complete redesign. The company that was providing the design and manufacturing of DSA approved prefabricated modular classrooms went out of business, necessitating a complete redesign of the campus.

Submittal Schedule

A full set of construction documents were submitted to DSA on November 24, 2021. The same set of plans was submitted to CDE. We have been in contact with CDE facilities representatives and have provided an update on the project status and timeline. It is estimated that the project will receive final project approvals from DSA and CDE in Summer 2022. The Phase I ESA, Phase I ESA Addendum, and application are being completed and will be submitted to DTSC in December 2021. The offsite plans are in the process of being completed and will be submitted to the city of Vallejo in January 2022.

Conversion Application Submission Schedule

It is anticipated that a conversion application package will be submitted to OPSC in Fall 2022.

If you have any questions, please do not hesitate to contact our project manager Frank Gonzalez at frank@edfacgroup.org or via phone at 323-422-9129. Thank you for your ongoing assistance and support.

Regards,

CHARTER SCHOOL FACILITIES PROGRAM EXTENSION TO CONVERSION DEADLINE

PURPOSE OF REPORT

To present Visalia Unified School District's (Applicant) request for a one-year extension to the conversion deadline for its Blue Oak Academy Charter School, Charter School Facilities Program (CSFP) combination new construction and rehabilitation project.

DESCRIPTION

Applicants participating in the CSFP must convert a Preliminary Charter School Apportionment (PSCA) to an adjusted grant apportionment within a four-year period pursuant to School Facility Program (SFP) Regulation Section 1859.166. This item requests a one-year extension to the conversion deadlines for the Applicant's combination new construction and rehabilitation projects, application numbers 54/72256-00-001 and 002, pursuant to SFP Regulation Section 1859.166.1.

AUTHORITY

See Attachment A.

BACKGROUND

The CSFP provides PCSAs (reservations of bond authority) for new construction and rehabilitation projects. The PCSA for a CSFP project must be converted within a four-year period to an adjusted grant apportionment meeting all the SFP Regulation requirements, unless a single one-year extension is granted by the State Allocation Board (Board).

Applicants may request the Board to approve a single one-year extension. The request will be approved when the Applicant meets the criteria in (a) or (b):

- a) The charter school has provided evidence of both of the following:
 - The California Department of Education (CDE) has made a contingent or final approval of the proposed site; and,
 - The Division of the State Architect (DSA) has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- b) Other evidence satisfactory to the Board justifying the extension.

STAFF ANALYSIS/COMMENTS

The Applicant is requesting an extension due to delays caused by Covid-19. The Applicant submitted plans for approval to the Division of the State Architect (DSA) for both projects in Fall 2021. Plans were submitted to the California Department of Education (CDE) for the 54/72256-00-001 in Fall 2021 and the Applicant anticipates submitting to CDE for plan approval for the 54/72256-00-02 project by the end of this month. The Applicant anticipates receiving all necessary approvals and submitting complete conversion applications for both projects to the Office of Public School Construction in Spring 2022. The Applicant’s current conversion deadline for both applications is January 24, 2022. If approved the new deadline will be January 24, 2023.

Staff has reviewed the Applicant’s request (Attachment B) and determined that it provides satisfactory evidence to justify the extension. Staff supports the Applicant’s request for a one-year extension to the conversion deadlines.

RECOMMENDATION

Approve the Applicant’s request for a one-year extension to the conversion deadline. Require that the PCSAs for application numbers 54/72256-00-001 and 002 be converted to final apportionments by January 24, 2023 or the PCSAs will be rescinded, and the bond authority returned to the CSFP.

ATTACHMENT A

AUTHORITY

School Facility Program (SFP) Section 1859.166. Time Limit on Preliminary Charter School Apportionment.

- (a) A complete request to convert a Preliminary Charter School Apportionment to a Final Charter School Apportionment pursuant to Section 1859.165 shall be made within four years of the date of the Preliminary Charter School Apportionment unless the Charter School received approval of an extension pursuant to Section 1859.166.1.
- (b) If (a) is not met, and the Charter School has not received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) the Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) the SFP New Construction Eligibility will be increased by the number of unhoused pupils pursuant to Section 1859.162.2 for the school district that physically contains the Charter School within its geographical boundaries.
- (c) If (a) is not met, and the Charter School has received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) The Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) Funds released pursuant to Section 1859.164.2(a) shall be reduced to cost incurred and closed-out pursuant to Section 1859.106 with a corresponding SFP new construction baseline eligibility adjustment for the pupils assigned to the Preliminary Charter School Application. The adjustment to the baseline eligibility shall be based on the ratio of the number of unhoused pupils pursuant to Section 1859.162.2 and the project capacity which generated the project funding to the eligible expenditures. Any funds released are subject to the fifty percent local matching share requirement as required by EC 17078.54(d). Funds returned pursuant to Section 1859.106 shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (3) Funds released pursuant to Section 1859.164.2(b) shall be subject to the provisions of Section 1859.171.

SFP Section 1859.166.1. Preliminary Charter School Apportionment Time Limit Extension.

A Charter School that has received a Preliminary Charter School Apportionment may request a single one-year extension of the time limit prescribed in Section 1859.166(a). The Board shall approve the request provided the criteria in (a) or (b) are met:

- (a) The Charter School has provided evidence of both of the following:
 - (1) The CDE has made a contingent or final approval of the proposed site; and,
 - (2) The DSA has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- (b) Other evidence satisfactory to the Board justifying the extension.

January 20, 2022

Erin Cunneen, Program Analyst, Charter School Facilities Program
Office of Public School Construction
State of California » Department of General Services
707 Third Street, West Sacramento, CA 95605

Dear Erin,

The Visalia Unified School District is requesting a one-year extension to the January 24, 2022 deadline to submit a complete conversion application for Blue Oak Academy Charter School Facility funding applications 54/72256-00-001 and 54/72256-00-002.

Covid has affected everyone and is severely impacting our Architect's office at the current time. It has affected all parties over the past 18 months, slowing the process. Additionally, a scope change delayed both projects. CEQA events started and have taken a significant amount of time.

1. BOA Growth 54/72256-00-002

DSA Application 02-119359 was submitted to DSA on 9-15-21. Backcheck is being delayed so that we can coordinate comments from the Modernization to avoid conflicts. DSA approval is expected around 2-5-22.

CDE plan approval request was submitted to CDE on 10-6-21. We expect response and approval letter by the beginning of February.

We anticipate that a submission of plans and paperwork (with cost estimates) to be sent to OPSC by March 1, 2022.

2. BOA Modernization 54/72256-00-001

DSA Application 02-119509 was submitted to DSA on 12-6-21. A response from DSA is expected by early next week (1-22-22); Backcheck will follow @ approximately March 1, 2022 after which time we should receive DSA Stamp and approvals. DSA approval is expected around 3-5-22.

CDE plan approval request is anticipated to go to CDE on by the end of January. Covid has definitely affected the processing of this paperwork due to absence of key individuals. We expect response and approval letter approximately 8 weeks later or end of March.

We anticipate that a submission of plans and paperwork (with cost estimates) to be sent to OPSC by April 11, 2022.

Sincerely,

A handwritten signature in blue ink, appearing to read "EK", is written over a blue horizontal line.

Erik Kehrer
Chief Operations Officer

SCHOOL FACILITY PROGRAM

SUBSTANTIAL PROGRESS REDUCTION TO COSTS INCURRED

PURPOSE OF REPORT

To present School Facility Program (SFP) project apportionments to be reduced to eligible costs incurred.

DESCRIPTION

The SFP project listed on the Attachment is a County Office of Education (COE) that received separate design and site fund releases. The COE has either requested to have their project reduced to costs incurred or has not met the substantial progress requirement or has indicated that they will be unable to move forward with the SFP project listed on the Attachment. The COE has requested that their apportionments be reduced to costs incurred to recognize eligible costs for the separate design and site phase.

AUTHORITY

Pursuant to Education Code Section 17076.10(b), sufficient evidence of substantial progress for the design, site and adjusted grant apportionments shall be due 18 months from the date any funds were released to the district. The SFP Regulation Section 1859.105 requires that when an apportionment is reduced to project costs incurred or rescinded, all State funds not used to finance eligible expenditures are to be returned to the State Allocation Board (SAB). The SFP Regulations also stipulate that interest earned on State funds, which is not used to finance eligible expenditures, is due to the SAB.

RECOMMENDATIONS

1. Find that the COE is unable to meet the substantial progress requirements or indicated that they will be unable to move forward with the project listed on the Attachment.
2. Reduce the funded apportionments to costs incurred for the project listed on the Attachment.
3. Direct Staff to adjust the District baseline eligibility, according to the increases (identified in the "Pupils Returned to the District's Baseline" column) on the Attachment, once all funds due to the State have been received.

SCHOOL DISTRICT DATA

School District: Tahoe-Truckee Unified
Application Number(s): 55/66944-00-009

County: Placer
School Name: Sierra Continuation High

PURPOSE OF REPORT

To present a School Facility Program (SFP) Career Technical Education Facilities Program (CTEFP) project Apportionment for rescission.

DESCRIPTION

On April 28, 2021, the State Allocation Board (Board) approved a Priority Funding Apportionment for the District's CTEFP project at Sierra Continuation High. On January 12, 2022, the District submitted a request to the Office of Public School Construction to rescind the Apportionment. The District stated that it would not be moving forward with the project due to increases in the estimated construction cost of the project.

Therefore, Staff is presenting the project listed above for rescission.

AUTHORITY

SFP Regulation Section 1859.198 states, in part, "Any Career Technical Education Facilities project funds returned due to projects being rescinded or reduced to cost incurred shall be made available for Apportionment in subsequent funding cycles."

RECOMMENDATIONS

1. Rescind the Apportionment for the District's application listed above.
2. Approve a decrease of \$260,535.00 in the Apportionment [Bonds/2016-Nov.; 051-600] from \$260,535.00 to \$0.00.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, February 23, 2022

SCHOOL DISTRICT DATA

School District: Twin Rivers Unified
County: Sacramento

Application Number: 57/76505-00-061
School Name: Sierra View Elementary

PURPOSE OF REPORT

To present a School Facility Program (SFP) project for rescission.

DESCRIPTION

Modernization funding application number 57/76505-00-061 received an unfunded approval at the June 23, 2021 State Allocation Board meeting. The District requested the rescission of application number 57/76505-00-061 in a letter dated December 29, 2021 because they are no longer pursuing the scope of work associated with the DSA approved plans for this project. For this reason, the 57/76505-00-061 application is being rescinded.

Application No.	State Unfunded Approval Date	Pupil Grants
57/76505-00-061	6/23/2021	95 (K-6)

RECOMMENDATIONS

1. Rescind the District's application listed above.
2. Approve a return of the 95 (K-6) pupil grants to the District's baseline attributed to the 57/76505-00-061 application.
3. Approve a decrease of \$725,485.00 in the Unfunded Approval [Bonds/2016-Nov.; 951-570] from \$725,485.00 to \$0.

**Non-Conforming Buildings
(Continued Use)**

EXEMPTION FOR INDEPENDENT STUDY FACILITIES

PURPOSE OF REPORT

To present the Chico Unified School District's (District) request, as shown on the Attachment, for an exemption from the definition of "school buildings" for certain facilities used for independent study.

DESCRIPTION

The District operates an independent study program at facilities that are not located at a regular school site and is requesting an exemption from the definition of "school building," as described in Education Code (EC) Section 17283, for the facility.

EC Section 17289 authorizes any school district or county office of education to request an exemption from the State Allocation Board (Board) for a building or structure or portion of a building or structure used for independent study from the definition of "school buildings." These buildings do not have to meet the Field Act requirements but must comply with local health and safety standards.

The District has certified that it has satisfied the legal requirements under EC Section 17289 for the exemption.

AUTHORITY

EC Section 17283 states: " "School building" as used in this article means and includes any building used, or designed to be used, for elementary or secondary school purposes and constructed, reconstructed, altered, or added to, by the state or any city or city and county, or by any political subdivision or by any school district of any kind within the state, or by any regional occupational center or program created by or authorized to act by an agreement under joint exercise of power, or by the United States government, or any agency thereof."

EC Section 17289 states "In order to provide alternative, community-based educational opportunities through independent study, any school district or county office of education may request an exemption from the State Allocation Board for a building or structure, or portion of a building or structure, from the definition of "school buildings" within the meaning of Section 17283. The exemptions may be granted for no longer than two years and exemptions are renewable. An exemption may only be granted if the school district or county office of education demonstrates to the satisfaction of the State Allocation Board all of the following:

- a) The building or structure, or portion of building or structure, satisfies all of the following:
 - i) It is not located on a regular school site.
 - ii) It complies with all applicable local building standards and all relevant local health and safety standards in the community in which it is located.
 - iii) It is used for independent study.

- iv) It serves fewer than 25 pupils enrolled in kindergarten or any of the grades 1 to 12, inclusive, at any one time in the building or structure, or in a portion of a building or structure where the remainder of the building or structure is not used for instructional purposes.
- b) The use of the building or structure is critical to providing an effective alternative, community-based program.
- c) The use of other buildings or structures that would meet seismic safety standards for school facilities are not practical.”

STAFF ANALYSIS/STATEMENTS

The District has provided certification that it has met the criteria as stated in EC Section 17289. An exemption has been requested for two years.

RECOMMENDATION

Approve the District’s request for an exemption from the definition of "school buildings" for the site listed on the Attachment from January 20, 2022 to January 19, 2024.

School Facility Program Proposition 51 Apportionments by County

The graphic below displays the amount Apportioned (\$4,203.2 million) for 1,274 School Facility Program projects from 342 school districts as of January 31, 2022. The data includes only bond authority provided by Proposition 51 approved by voters in November 2016.

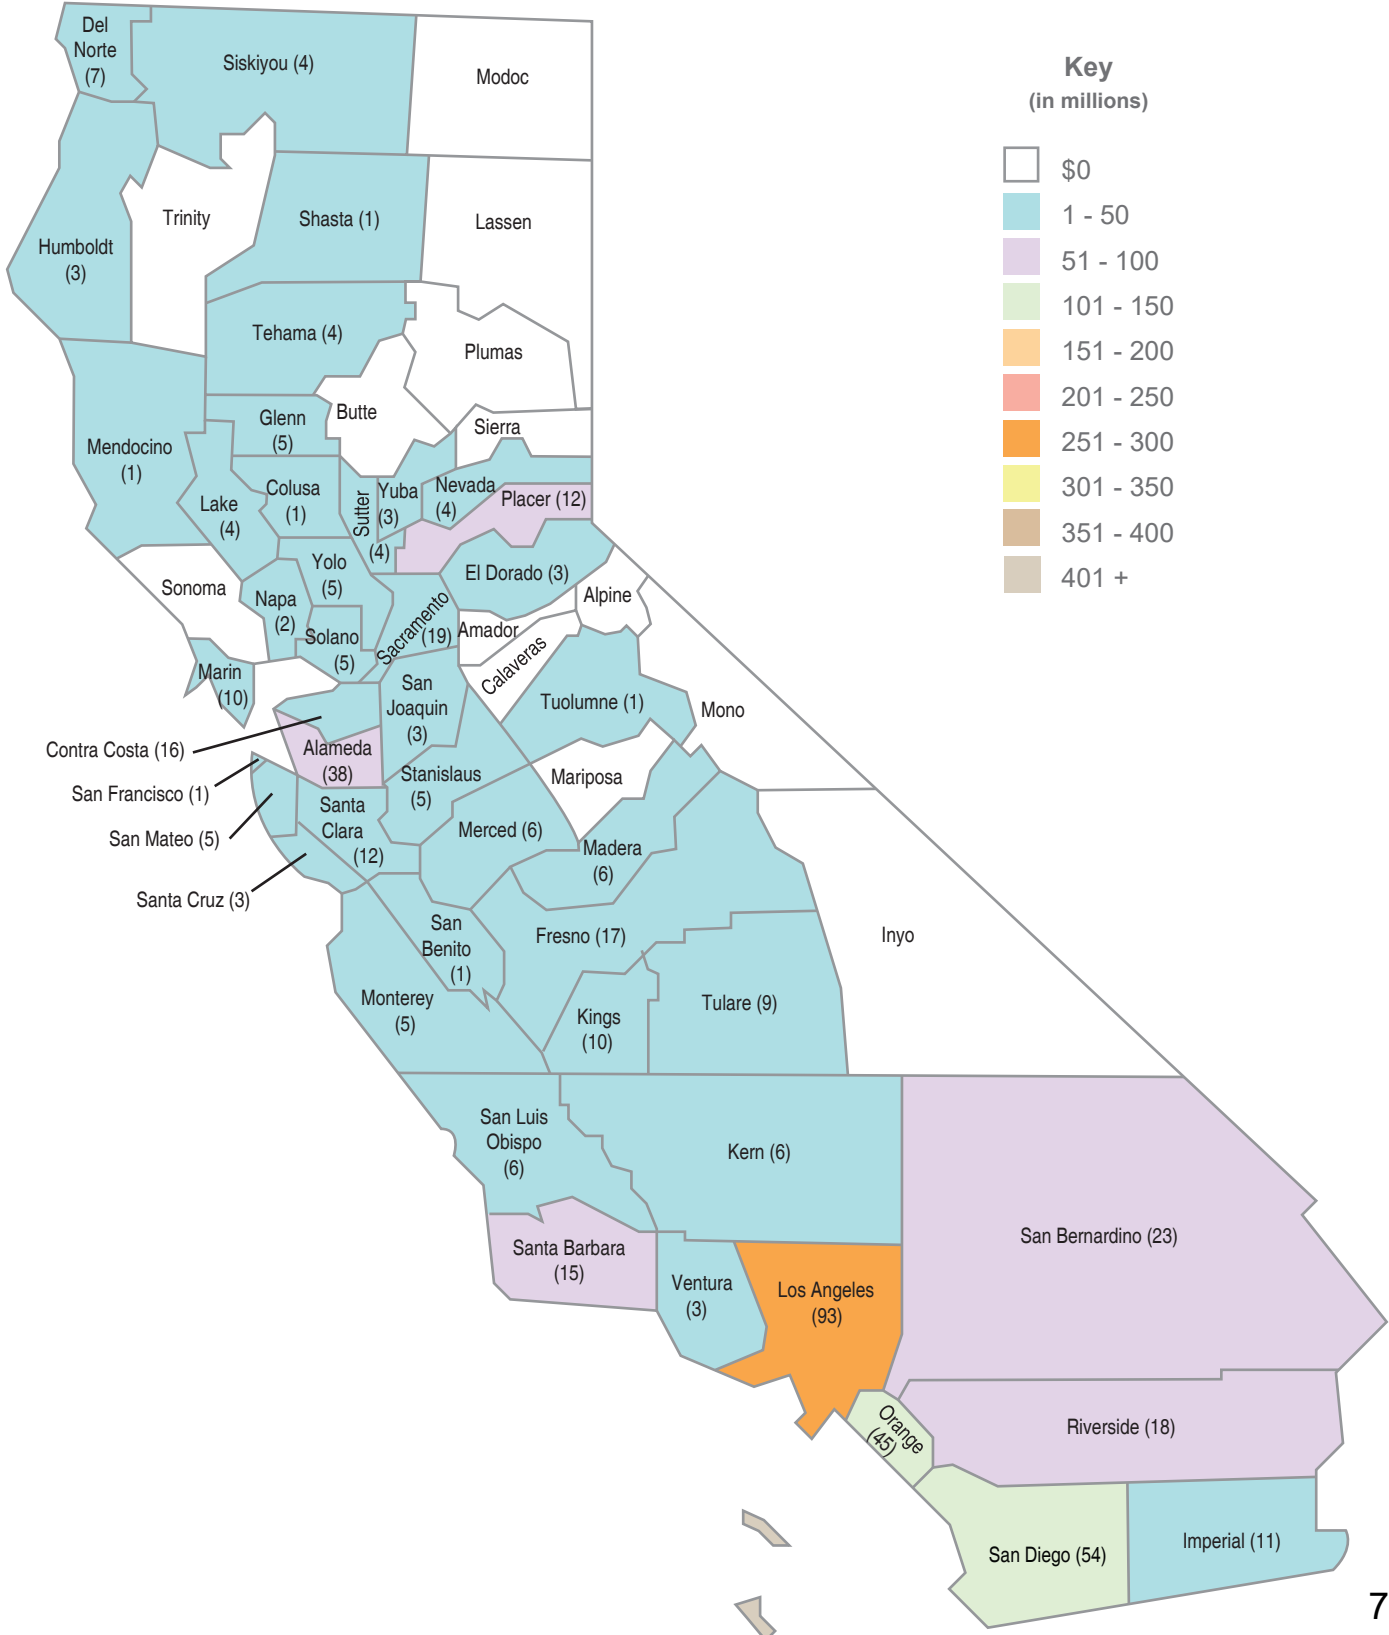

School Facility Program Proposition 51 Unfunded Approvals by County

The graphic below displays the amount of Unfunded Approvals (\$433.5 million) for 152 School Facility Program projects from 84 school districts as of January 31, 2022. The data includes only bond authority provided by Proposition 51 approved by voters in November 2016.

School Facility Program Proposition 51 Current Workload by County

The graphic below displays the Office of Public School Construction’s Workload List for New Construction and Modernization (\$1,282.7 million) for 498 School Facility Program projects from 173 school districts as of January 31, 2022. The projects are anticipated to be allocated from bond authority provided by Proposition 51 approved by voters in November 2016.

ANNUAL ADJUSTMENT TO SCHOOL FACILITY PROGRAM GRANTS

PURPOSE OF REPORT

To adopt the annual adjustment in the School Facility Program (SFP) grants based on the change in construction costs pursuant to the Education Code (EC) and SFP Regulations.

DESCRIPTION

This item presents the State Allocation Board (Board) with the annual adjustment to the SFP grants based on the statewide cost index for Class B construction. Each year the Board adjusts the SFP grants to reflect construction cost changes. In January 2016, the Board adopted the RS Means index for 2016 and future years. This item presents the 2022 annual adjustment to SFP grants based on the RS Means index.

AUTHORITY

See Attachment A.

STAFF ANALYSIS/STATEMENTS

At the January 2016 meeting, the Board adopted an increase to the SFP grants using the RS Means Construction Cost Index (CCI) as the statewide cost index for Class B construction.

The current rate of change between 2021 and 2022 for the RS Means Class B CCI is 15.80 percent. The chart below reflects the amounts previously adopted for 2021 compared to the potential amount for the new construction base grants.

Grade Level	Regulation Section	Current Adjusted Grant Per Pupil Effective 1-1-21	RS Means 15.80%
			<i>Potential Grant Per Pupil Effective 1-1-22</i>
Elementary	1859.71	\$12,628	\$14,623
Middle	1859.71	\$13,356	\$15,466
High	1859.71	\$16,994	\$19,679
Special Day Class – Severe	1859.71.1	\$35,484	\$41,090
Special Day Class – Non-Severe	1859.71.1	\$23,731	\$27,480

STAFF ANALYSIS/STATEMENTS (cont.)

The following chart shows the amounts previously adopted compared to the potential amount for the modernization base grants.

RS Means 15.80%			
Grade Level	Regulation Section	Current Adjusted Grant Per Pupil Effective 1-1-21	Potential Grant Per Pupil Effective 1-1-22
Elementary	1859.78	\$4,808	\$5,568
Middle	1859.78	\$5,085	\$5,888
High	1859.78	\$6,658	\$7,710
Special Day Class – Severe	1859.78.3	\$15,325	\$17,746
Special Day Class – Non-Severe	1859.78.3	\$10,253	\$11,873

In addition, the CCI adjustment would increase the threshold amount for Government Code Section 66452.6(a)(2) for the period of one year commencing March 1, 2022. The following chart shows the amount previously adopted for 2021 compared to the resulting threshold amount, upon approval of the proposed 2022 CCI adjustment:

RS Means 15.80%		
	Effective 3-1-2021	Potential 3-1-2022
Resulting Amount	\$317,941	\$368,176

RECOMMENDATION

Adopt the increase of 15.80 percent for the 2022 SFP grants based on the RS Means Construction Cost Index as shown in Attachment B.

This Item was approved by the State Allocation Board on February 23, 2022.

ATTACHMENT A

AUTHORITY

For the New Construction grant, EC Section 17072.10(b) states, “The board annually shall adjust the per-unhoused- pupil apportionment to reflect construction cost changes, as set forth in the statewide cost index for class B construction as determined by the board.”

For Modernization funding, EC Section 17074.10(b) states, “The board shall annually adjust the factors set forth in subdivision (a) according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the board.”

Government Code Section 66452.6 states:

(a)(1) An approved or conditionally approved tentative map shall expire 24 months after its approval or conditional approval, or after any additional period of time as may be prescribed by local ordinance, not to exceed an additional 12 months. However, if the subdivider is required to expend two hundred thirty-six thousand seven hundred ninety dollars (\$236,790) or more to construct, improve, or finance the construction or improvement of public improvements outside the property boundaries of the tentative map, excluding improvements of public rights-of-way which abut the boundary of the property to be subdivided and which are reasonably related to the development of that property, each filing of a final map authorized by Section 66456.1 shall extend the expiration of the approved or conditionally approved tentative map by 36 months from the date of its expiration, as provided in this section, or the date of the previously filed final map, whichever is later. The extensions shall not extend the tentative map more than 10 years from its approval or conditional approval.

...

(2) Commencing January 1, 2012, and each calendar year thereafter, the amount of two hundred thirty-six thousand seven hundred ninety dollars (\$236,790) shall be annually increased by operation of law according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the State Allocation Board at its January meeting. The effective date of each annual adjustment shall be March 1. The adjusted amount shall apply to tentative and vesting tentative maps whose applications were received after the effective date of the adjustment.

SFP Regulation Section 1859.71 states,

The new construction per-unhoused-pupil grant amount, as provided by Education Code Section 17072.10(a), will be adjusted annually based on the change in the Class B Construction Cost Index as approved by the Board each January. The base Class B Construction Cost Index shall be 1.30 and the first adjustment shall be January, 1999.

The new construction per-unhoused-pupil grant amount, as provided by Education Code Section 17072.10(a), may be increased by an additional amount not to exceed six percent in a fiscal year, or decreased, based on the analysis of the current cost to build schools as reported on the Project Information Worksheet (Revised 05/10) which shall be submitted with the Forms SAB 50-05 and 50-06 and as approved by the Board.

ATTACHMENT A

SFP Regulation Section 1859.2 Definitions states,

“Class B Construction Cost Index” is a construction factor index for structures made of reinforced concrete or steel frames, concrete floors, and roofs, and accepted and used by the Board.

SFP Regulation Section 1859.78 states, “The modernization per-unhoused-pupil grant amount, as provided by Education Code Section 17074.10(a), will be adjusted annually based on the change in the Class B Construction Cost Index as approved by the Board each January.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, February 23, 2022

INDEX ADJUSTMENT ON THE ASSESSMENT FOR DEVELOPMENT

PURPOSE OF REPORT

To report the index adjustment on the assessment for development, which may be levied pursuant to Education Code Section 17620.

DESCRIPTION

The law requires the maximum assessment for development be adjusted every two years by the change in the Class B construction cost index, as determined by the State Allocation Board (Board) in each calendar year. This item requests that the Board make the adjustment based on the change reflected using the RS Means index.

AUTHORITY

Education Code Section 17620(a)(1) states the following: “The governing board of any school district is authorized to levy a fee, charge, dedication, or other requirement against any construction within the boundaries of the district, for the purpose of funding the construction or reconstruction of school facilities, subject to any limitations set forth in Chapter 4.9 (commencing with Section 65995) of Division 1 of Title 7 of the Government Code.”

Government Code Section 65995(b)(3) states the following: “The amount of the limits set forth in paragraphs (1) and (2) shall be increased in 2000, and every two years thereafter, according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the State Allocation Board at its January meeting, which increase shall be effective as of the date of that meeting.”

BACKGROUND

There are three levels that may be levied for developer’s fees. The fees are levied on a per-square foot basis. The lowest fee, Level I, is assessed if the district conducts a Justification Study that establishes the connection between the development coming into the district and the assessment of fees to pay for the cost of the facilities needed to house future students. The Level II fee is assessed if a district makes a timely application to the Board for new construction funding, conducts a School Facility Needs Analysis pursuant to Government Code Section 65995.6, and satisfies at least two of the requirements listed in Government Code Section 65995.5(b)(3). The Level III fee is assessed when State bond funds are exhausted; the district may impose a developer’s fee up to 100 percent of the School Facility Program new construction project cost.

STAFF ANALYSIS/STATEMENTS

A historical comparison of the assessment rates for development fees for 2018 and 2020 are shown below for information. According to the RS Means, the cost index for Class B construction increased by 17.45% percent, during the two-year period from January 2020 to January 2022, requiring the assessment for development fees to be adjusted as follows beginning January 2022:

RS Means Index Maximum Level I Assessment Per Square Foot

	<u>2018</u>	<u>2020</u>	<u>2022</u>
Residential	\$3.79	\$4.08	\$4.79
Commercial/Industrial	\$0.61	\$0.66	\$0.78

RECOMMENDATION

Increase the 2022 maximum Level I assessment for development in the amount of 17.45 percent using the RS Means Index to be effective immediately.

This Item was approved by the State Allocation Board on February 23, 2022.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, February 23, 2022

PIGGYBACK CONTRACTS AND PUBLIC CONTRACT CODE COMPLIANCE RELATED TO
SCHOOL FACILITIES ON PERMANENT FOUNDATIONS

PURPOSE OF REPORT

To present a second follow-up report regarding piggyback contracts and Public Contract Code (PCC) compliance relative to modular school facilities for installation on permanent foundations.

DESCRIPTION

At the February 2005 State Allocation Board (Board) meeting, the Board requested that Staff request a formal opinion regarding the legality of the use of PCC Section 20118 to acquire and install factory built modular building components that result in the assembly of permanent school facilities without further competitive bid. (Attachment 1)

At the February 2006 Board meeting, staff presented a follow-up report regarding contracts and PCC compliance relative to modular school facilities for installation on permanent foundations. At the meeting, staff presented the Attorney General's (AG) opinion 05-405 on the matter. At the direction of the Board at the January and February 2006 meetings, staff provided numerous notices to ensure that school districts were aware that all contracts related to acquisition and installation of permanent modular facilities signed after January 25, 2006, must be competitively bid to receive funding consideration by the Board. (Attachment 2 and 3)

As a result of recent communications between staff and stakeholders, staff has learned that alternate interpretations of the original AG's opinion are being used to acquire and install school facilities. Staff is presenting the Board with a copy of the original reports and the AG's opinion dated January 24, 2006, to remind all stakeholders of the PCC requirements.

AUTHORITY

PCC Section 100

The Legislature finds and declares that placing all public contract law in one code will make that law clearer and easier to find. Further, it is the intent of the Legislature in enacting this code to achieve the following objectives:

- (a) To clarify the law with respect to competitive bidding requirements.
- (b) To ensure full compliance with competitive bidding statutes as of means of protecting the public from misuse of public funds.
- (c) To provide all qualified bidders with a fair opportunity to enter the bidding process, thereby stimulating competition in a manner conducive to sound fiscal practices.
- (d) To eliminate favoritism, fraud, and corruption in the awarding of public contracts.

PCC Section 20118

Notwithstanding Sections 20111 and 20112, the governing board of any school district, without advertising for bids, if the board has determined it to be in the best interests of the district, may authorize by contract, lease, requisition, or purchase order, any public corporation or agency, including any county, city, town, or district, to lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner in which the public corporation or agency is authorized by law to make the leases or purchases from a vendor. Upon receipt of the personal property, if the property complies with the specifications set forth in the contract, lease, requisition, or purchase order, the school district may draw a warrant in favor of the public corporation or agency for the amount of the approved invoice, including the reasonable costs to the public corporation or agency for furnishing the services incidental to the lease or purchase of the personal property, or the school

AUTHORITY (cont.)

district may make payment directly to the vendor. Alternatively, if there is an existing contract between a public corporation or agency and a vendor for the lease or purchase of the personal property, a school district may authorize the lease or purchase of personal property directly from the vendor by contract, lease, requisition, or purchase order and make payment to the vendor under the same terms that are available to the public corporation or agency under the contract.

PCC Section 20111

School districts are required to competitively bid any contract equal to or greater than:

- \$50,000 for non-public works contracts identified as the purchase or lease of equipment, materials, or supplies; non-construction related services; or repairs or maintenance that would not be considered public contracts
- \$15,000 for public projects (as defined under PCC Section 22002 to include the erection, alteration, or renovation of a publicly owned or leased facility).

The districts with contracts that meet or exceed the above cost parameters are required to let the contract to the lowest responsible bidder.

STAFF ANALYSIS/STATEMENTS

After the initial report was presented to the Board in February 2005, Staff sent out an advisory to all school districts and county offices of education in the staff's Advisory Actions newsletter (Issue 01-2005). The advisory notified school districts that the Board expressed concern and questioned the legality of piggyback contracts for modular facilities on permanent foundations and referred school districts to the details of the report. The Board directed Staff to seek the AG's input on the issue after the February 2005 Board meeting, which was subsequently presented at the February 2006 Board meeting.

Staff received numerous calls from school districts, architects, and modular construction companies regarding the AG's opinion. The overall concern was the impact on in-progress construction contracts and on construction contracts that school districts were planning to piggyback in the near future to address immediate housing needs. At the January 2006 Board meeting, a board member requested that all contracts for modular construction on a permanent foundation signed as of January 25, 2006, must be competitively bid in order to retain or receive funding consideration by the Board. In addition, Staff was requested to notify all school districts and county offices of education of the AG's opinion, the impact to project apportionments, and this grace period for compliance.

As approved by the Board at the February 2006 meeting, those projects that had construction contracts signed prior to January 25, 2006, would still be considered for funding. However, the Board made clear that funding would not be considered for school districts with those projects where the school district was planning to piggyback in the future.

To ensure that school districts were aware of the interpretation of the law and the January 25, 2006 effective date, Staff posted an advisory, dated February 8, 2006, to OPSC's website. In addition, staff sent out a mass mailer to all Superintendents, and included an Advisory Action article in the January 2006 edition of OPSC's Advisory Actions Newsletter, which was mailed to all county offices of education and all school districts within the State of California.

STAFF ANALYSIS/STATEMENTS

Recently, it has become evident that some school districts have differing opinions on the types of acquisition and construction allowed for modular classrooms using piggyback contracts and have sought clarification from Staff. Staff has reviewed the prior AG opinion to see if there were any areas that needed to be further addressed.

The AG's opinion is about modular building components, which refers to a facility comprised of multiple pre-manufactured building components which, for example, may have separate wall and floor systems that are transported to a site where all components are installed on a permanent foundation. The AG's opinion focuses on the definition of "personal property" in PCC section 20118 which provides a limited exception to the competitive bidding requirements.

While the opinion does not specifically address portable or relocatable classrooms as defined by Education Code Section 17070.15(j) or 17375(f)(3), it does specify that "building structures to be permanently affixed to land do not have the characteristics of the listed 'personal property' [in Public Contract Code section 20118]." Opn. 05-405, p. 5. The opinion, citing applicable statutes and caselaw, further notes that once permanently affixed such structures constitute real property and not personal property. Opn. 05-405, p. 5, fn. 5. The principal conclusion thus remains that if the classrooms are affixed onto a permanent foundation, they are considered real property and their acquisition and construction must be competitively bid.

Accordingly, after a detailed review, Staff and the Board's legal counsel maintain that the Attorney General's opinion is clear that, "A school district may not without advertising for bids, contract with another public agency to acquire factory-built modular building components for installation on a permanent foundation." Opn. 05-405, p. 6. Therefore, school districts are ineligible for funding if the acquisition and/or construction of modular facilities for placement on permanent foundations is not competitively bid.

If school districts have any questions regarding whether their acquisition and construction are subject to competitive bidding, school districts should consult with their legal counsel in advance.

RECOMMENDATION

Accept the report.

The State Allocation Board acknowledged this Report on February 23, 2022.

ATTACHMENT 1

REPORT OF THE EXECUTIVE OFFICER State Allocation Board Meeting, February 23, 2005

PIGGYBACK CONTRACTS AND BUILDING CODE COMPLIANCE RELATED TO PERMANENT MODULAR SCHOOL FACILITIES

PURPOSE OF REPORT

The present a follow up report regarding piggyback contracts and building code compliance related to permanent modular school facilities.

DESCRIPTION

The Board requested additional information related to the Division of the State Architect (DSA) inspection processes, specifically as they apply to modular buildings. The Board was especially interested to know:

- How are in-plant and on-site inspectors selected, approved and held accountable, to ensure that modular buildings are inspected per the requirements of the State Building Code?
- Are there projects where entire schools are being constructed with modular buildings and if so, are these facilities being constructed in accordance with the competitive bidding requirements of the Public Contract Code (PCC)?

BACKGROUND

At the December 2004 SAB meeting, in response to the Board's request, Staff presented a report detailing current practices related to the construction of permanent modular school facilities. The Board requested additional information regarding the criteria by which inspectors are selected, approved and held accountable regarding the inspection of this type of project. The Board also expressed continued concern as to the legality of piggyback contracts in relation to the competitive bidding requirements contained in the PCC. The Board requested further information on districts that are utilizing modular buildings and the piggyback provisions to construct entire schools.

DISCUSSION

In-plant Inspections

The attached report provided by the DSA (see Attachment A) outlines the criteria currently being utilized by the DSA for in-plant inspections. Inspectors must meet the qualifications for a DSA Certified In-plant Inspector or a Class 1 Inspector. By establishing and enforcing these qualifications for in-plant inspectors the DSA believes it can ensure that the modular facilities are held to the California Building Code requirements.

On-site Inspections

The DSA also ensures that all on-site inspections are conducted by inspectors with qualifications meeting the requirements appropriate to the type of project being constructed. Selection of the DSA-approved on-site inspectors is the responsibility of the school district and its design professional.

Competitive Bidding

In the December report, SAB Legal Counsel opined that if its interpretation is adopted by the courts, the work required to set and install the modular buildings would not be authorized under the "piggyback" statute. The December 8, 2004 SAB Report is attached for a review of the full Legal Counsel opinion (see Attachment B).

After further review, Staff maintains the position that since there are no reported California cases that address the legality of the use of piggyback contracts in relation to permanent modular school facilities, no authoritative foundation exists to determine the legality of these practices. Until a California court addresses the issue of piggyback contracts, legislative action would be required to clarify the interaction between these contracts and PCC requirements.

(Continued on Page Two)

DISCUSSION (cont.)

At this time, Staff cannot report the number of schools which may be constructed in their entirety with modular buildings as it does not have the availability of data to make this determination.

RECOMMENDATION

Accept this report.

BOARD ACTION

The State Allocation Board accepted this report on February 23, 2005. In addition, the Board requested Staff to send a letter on behalf of the Board, to request a formal opinion regarding the legality of the use of Public Contract Code Section 20118 to acquire and install factory built modular building components that result in the assembly of permanent schools without further competitive bid.

Attachment A
DEPARTMENT OF GENERAL SERVICES
Division of the State Architect
Report on the Inspection of Factory
Manufactured School Buildings
for the State Allocation Board
February 10, 2005

The Office of Public School Construction has requested a report for presentation to the State Allocation Board regarding the selection of inspectors and how these inspectors are then monitored and held accountable. In order to completely respond to these issues this report will also include qualifications of inspectors and verification of the construction.

Qualifications of Inspectors

The Division of the State Architect (DSA) has developed examinations and grants certification for several classes of inspectors. In order to qualify to take the examination the inspector candidate must show three years of experience gained in the classification of construction appropriate to the examination class. Each examination consists of a plan reading part and a code part. To pass either part of the examination applicants must obtain a minimum score in each section in addition to an overall minimum score for that part. To become certified applicants must pass both parts of the examination. All projects are "classified" by the DSA during plan review. An individual must hold a certificate of the appropriate class to apply for the position of "Project Inspector" for a specific project. Individuals must be evaluated and approved by the owner, project architect, structural engineer and the DSA for each specific project prior to start of construction. Class I Inspectors may be approved for any type of school construction. The construction of school buildings in a manufacture's facilities can be inspected by In-Plant Inspectors or Class I Inspectors. Welding inspection at the factory is required to be performed by American Welding Society, Certified Welding Inspectors. DSA does not do an independent certification for welding inspectors. DSA training for all DSA certified inspectors is offered 12 times each year. All inspectors must take a test for re-certification every four years.

Selection of Inspectors

In-Plant Inspectors for specific school district projects are selected by the school district. In-Plant Inspectors for manufacturer's stockpile projects, whose buildings are subsequently bought or leased by individual school districts after factory construction, are selected either by the leasing company or the manufacturer. The inspector must either be a DSA certified In-Plant or Class I Inspector. For each project the design professional in general responsible charge and the structural engineer must accept the selected inspector. All certified inspectors when selected for a project must be approved by DSA using Form DSA-5, Project Inspector Qualification Record (See Exhibit 1).

The welding inspector can be an independent contractor selected in a manner similar to that described above for In-Plant Inspectors or can be an employee or subcontractor of the materials testing laboratory. Laboratories must have DSA acceptance to work on school projects and are selected by the school district. Inspection at the school site is done by inspectors of any class type. They are selected by the school district, accepted by the design professional in general responsible charge and the structural engineer, and approved by DSA on Form DSA-5.

Monitoring Inspectors

DSA employs District Structural Engineers to provide oversight of the inspection of the construction in the factory and at the school site. During periodic visits to the manufacturing plant and the school site these field engineers verify that the inspector is on-site, providing complete personal inspection of every part of the work and submitting reports as required by Part 1, Title 24, of the California Code of Regulations. The field engineers also spot check the critical elements of the construction. The inspector works under the general direction of the design architect or structural engineer and under the supervision of DSA.

The design architect or engineer who provides general direction to the inspector shall immediately notify the school board and DSA if the project inspector is found to be unable or unwilling to perform inspection duties properly.

Accountability of Inspectors

If inspectors fail to perform their duties the school district or design professionals can recommend that DSA withdrawal the inspector's approval. Upon concurrence by DSA the inspector's duties and responsibilities for the inspection of the project are ended. Since DSA has authority for approval of the inspector for each project, poor performing inspectors may not be approved for future critical or complex projects.

Verification of the Construction

At the completion of the construction of every project the inspector must submit a verified report to DSA, signed under penalty of perjury, showing that of his or her personal knowledge of the work has been performed and materials have been used and installed in every material respect in compliance with the approved plans and specifications. Failure to submit a verified report or submission of a false verified report is cause for removal of an inspector's certification.

Material test reports for the DSA accepted laboratories and reports of inspections by welding inspectors are submitted to DSA within 14 days of the tests or welding inspections. The reports are required to show that the materials were sampled and tested in accordance with the regulations and approved plans. The reports shall state whether or not the material tested complies with the requirements. When reports show non-complying material was installed, corrections to work must take place to achieve compliance.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, December 8, 2004

USE OF "PIGGYBACK" CONTRACTS AND
BUILDING CODE COMPLIANCE RELATED TO MODULAR SCHOOL FACILITIES

PURPOSE OF REPORT

1. To discuss the use of "piggyback" contracts to acquire and install factory-built modular building components that result in permanent school facilities funded by the School Facility Program (SFP); and,
2. To report on the Division of the State Architect (DSA) inspection requirements and Building Code compliance for factory-built modular building components and the resulting school facilities.

BACKGROUND

At the September 2004 State Allocation Board (SAB) meeting, the Board expressed concern in regard to the delivery method referred to as "piggybacking" and its use to acquire and install factory-built modular building components that result in the assembly of permanent schools thereby bypassing the competitive bidding requirements of the Public Contract Code (PCC). The Board also expressed concern about the safety of the schools purchased with this delivery method indicating that the facilities may lack DSA inspection and may be of substandard construction. The Board requested the Office of Public School Construction to look into the appropriateness and legality of the piggyback delivery method and the safety of the resulting modular school facilities.

AUTHORITY

Piggyback Contracts

PCC Section 20118

Notwithstanding Sections 20111 (below) and 20112 (general bidding requirements), the governing board of any school district without advertising for bids, if the board has determined it to be in the best interests of the district, may authorize by contract, lease, requisition, or purchase order, any public corporation or agency, including any county, city, town, or district, to lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner in which the public corporation or agency is authorized by law to make the leases or purchases. Upon receipt of any such personal property, provided the property complies with the specifications set forth in the contract, lease, requisition, or purchase order, the school district may draw a warrant in favor of the public corporation or agency for the amount of the approved invoice, including the reasonable costs to the public corporation or agency for furnishing the services incidental to the lease or purchase of the personal property.

PCC Section 22002

Public projects are defined as any of the following: construction, reconstruction, erection, alteration, renovation, improvement, demolition, and repair work involving any publicly owned, leased, or operated facility.

PCC Section 20111

School districts are required to competitively bid any contract equal to or greater than:

- \$50,000 for non-public works contracts identified as the purchase or lease of equipment, materials, or supplies; non-construction related services; or repairs or maintenance that would not be considered public contracts
- \$15,000 for public projects (as defined under PCC Section 22002).

The districts with contracts that meet or exceed the above cost parameters are required to let the contract to the lowest responsible bidder, and ensure that the bidder presents a form of security (such as a bonded surety).

(Continued on Page Two)

AUTHORITY (cont.)**California Building Code Compliance***Education Code Section 17280 and Title 24 of the California Code of Regulations*

Education Code Section 17280 requires that the Department of General Services through the DSA ensure California Building Code compliance for all newly constructed school facilities requesting state funding through the SFP. The DSA must supervise the design and construction of any school building or the reconstruction, alteration, or addition to any school building, if not exempted under Section 17295, to ensure that plans and specifications comply with Title 24 of the California Code of Regulations (Building Code), and to ensure that the work of construction has been performed in accordance with the approved plans and specifications, for the protection of life and property.

DEFINITIONS***Piggyback***

The term “piggyback” is associated with PCC Section 20118, which allows public entities to acquire personal property by participating in an existing contract of another public entity. For example, relocatable classrooms have historically been treated as personal property because they are not typically affixed to the land in a permanent fashion. As a result, relocatable classrooms are commonly acquired by school districts utilizing the piggyback contract provision. By piggybacking onto another district’s existing relocatable classroom contract, a district can take advantage of lower per-building costs realized through economy-of-scale and also avoid the time and expense of the public bid process. In the context of this report, some school districts have interpreted personal property to include modular building components and have utilized the piggyback provision for the acquisition of these components to construct permanent school buildings. Additionally, the provision to piggyback a contract allows for payment of any reasonable cost to the public entity for furnishing services incidental to the purchase of the personal property.

Incidental Services

“Incidental services” are not clearly defined in law. However, there appears to be at least two interpretations of this term as it applies to PCC Section 20118: 1) administration of the piggyback contract by the original contracting school district (e.g., receive warrant from the piggyback school district, make payment to the manufacturer and other related accounting activities); or 2) various additional services that may be provided for by the manufacturer (e.g., concrete foundations and on-site installation).

Modular

“Modular” in this context refers to a facility comprised of multiple pre-manufactured building components, such as separate wall and floor systems, that are transported to a site where all components are assembled on a permanent foundation to form a complete building or groups of buildings. This manufacturing method varies substantially from a typical relocatable classroom, for example, which is typically factory-built as two complete building modules that are simply connected on-site and placed on temporary foundations.

DISCUSSION – PIGGYBACK CONTRACTS***Utilization by Districts***

Staff was able to identify and interview three school districts and one company that utilized or plans to utilize piggyback contracts for the construction of state-funded modular school facility projects. These districts maintain that this alternative is superior to the conventional design-bid-build delivery method. The reasons provided by the districts for selecting this method include a guaranteed maximum price, lower project costs and faster project completion while providing facilities with the appearance and function of a permanent school.

(Continued on Page Three)

DISCUSSION – PIGGYBACK CONTRACTS (cont.)*Utilization by Districts (cont.)*

Staff was informed that the contracts originally awarded to the manufacturer and subsequently piggybacked onto by other districts were designed in a manner that allowed the districts substantial flexibility in both selection of buildings and services associated with the contract. For example, one original contract that was subsequently piggybacked by other school districts included 76 alternates, which allowed the districts to contract for the desired building components and services. The alternates ranged from individual building components and systems (e.g., wall covering options and choices of cabinetry) to entire school buildings (e.g., various designs of classroom buildings, gymnasiums and other core facilities). This particular contract also clearly called for installation and site-work to be completed by the manufacturer that was awarded the original contract.

Both the company and district legal counsels participating in these contracts agreed that installation of the modular facilities was incidental to the purchase of the building components. However, legal opinion varied among the districts as to what could be construed as incidental. For instance, some of the districts felt the forming and pouring of the foundation was incidental to the purchase of the building components, where as other districts did not. Any items a district's legal counsel opined to be beyond incidental services were then publicly bid by either the district or the district's construction manager, as per PCC Section 20111.

It was determined that the districts interviewed, though piggyback contracting for these products and services through the original contracting school district, were actually issuing warrants directly to the manufacturer which appears to be contrary to the provisions of PCC Section 20118.

Staff Comments

The basic tenet of a piggyback contract is to allow a public entity to take advantage of lower costs realized through economy-of-scale purchasing. Staff has not been able to determine at this time the total number of school districts state-wide that may be utilizing this delivery method; however, three districts and one manufacturer that Staff has interviewed have provided insight into their current use of the piggyback contracting provision to acquire school facilities in this manner. At least one of these districts has piggyback contracted to purchase large quantities of factory-built modular components and systems as personal property, as part of a planned permanent school construction project. These components will be shipped to the school site and assembled on permanent foundations; the foundations and installation being provided without bidding as they are characterized as being incidental to the purchase of the personal property. The end result of these purchases is a permanent facility that would otherwise equate to a public works project. The research has determined that several school districts are utilizing the piggyback process to acquire permanent facilities without further competitive bidding.

Legal Analysis

SAB Legal counsel has opined that although the "piggyback" statute allows for the purchase of personal property without the requirement of further competitive bidding, those statutes would not apply to the construction of a public works project that is otherwise governed by PCC Section 20111, such as is the case in construction of permanent public school facilities. Legal counsel further believes that a court may reasonably conclude that an activity meeting the definition of a public project, as contained in PCC Section 22002, may not be considered an "incidental service" as described in PCC Section 20118. A reasonable interpretation of PCC Section 20118 regarding "services incidental" to the contract may limit its application to only provide for compensation to the lead agency for incidental services that are associated with the administration of the additional "piggyback" orders on the underlying contract. However, counsel advises that these conclusions are matters of first impressions, and that there are no reported California cases that have addressed the interaction of PCC Section 20118 with PCC Sections 20111 and 22002. Furthermore, districts that have relied on PCC Section 20118 have done so with district counsel advising of its legality.

(Continued on Page Four)

DISCUSSION - CALIFORNIA BUILDING CODE COMPLIANCE

The DSA has clarified that it requires detailed drawings of all structural elements and that inspection is required of any component that resists lateral or gravity loads in addition to its own weight whether the construction occurs on-site or off-site. Connections within and between the components are inspected as well. The DSA also requires inspection of the on-site installation and connections of manufactured components. The DSA does not issue a Certification of Compliance with the Field Act requirements until all the off-site and on-site inspectors' reports that verify that the construction is in compliance with the approved plans have been received and approved by the DSA staff.

A list of projects utilizing modular construction was compiled by Staff during the interview process noted above. This list was made available to the DSA for purposes of determining whether the projects are being constructed under the supervision of DSA-approved inspectors both off-site and on-site. The DSA has provided correspondence in which it confirms that the inspection of the components constructed off-site for these projects is taking place as required. The DSA also reports that required inspection of the on-site installation and connections of the manufactured components has or will occur.

SUMMARY

The district contractual arrangements by which projects are constructed using state bond funding are governed by law and are not generally subject to SAB regulation or oversight. However, the integrity of the use of general obligation bonds allocated by the SAB must be above reproach. District contracts that are relying on an interpretation of law that would result in the "construction" of entire school facilities without further competitive bidding may be subject to challenge as violating the competitive bidding requirements of the Public Contract Code for public works projects. However, California courts have not made a definitive ruling on this matter at this time.

Based on the feedback received by the DSA for the identified projects, the assertion that the construction of the modular facilities lack DSA-approved inspection appears to be unfounded. The DSA confirmed that these inspections are required and occur for both off-site and on-site construction and installation of factory-built modular building components.

RECOMMENDATION

Accept this report.

The State Allocation Board accepted this report on December 8, 2004.

Transcript

1 **Executive Officer's Statement.** And I just wanted to announce
2 that we have our first charter conversion on this agenda, and
3 it is for the Vaughn High School Academy. This particular
4 school was just funded in February of 2005. So we're really
5 pleased to see our first charter conversion.

6 We did have the school district here that wanted
7 to say a couple of words. So after I finish --

8 CHAIRPERSON SHEEHAN: Sure.

9 MS. PARK: -- the EO statement, if we have her
10 come up here and say a few words.

11 CHAIRPERSON SHEEHAN: Sure.

12 MS. PARK: Okay. The next is the progress report
13 on the School Facilities Needs Assessment Grant. On February
14 2005, the Board provided \$22.8 million for the needs
15 assessment review by the districts, and it was due to the
16 Office of Public School Construction by January 1st of 2006.

17 Out of the 2,060 schools that were required to do
18 this or were on the list of CDE, 113 did not complete their
19 reports. We are working with the districts to get them to
20 turn in the facility needs report.

21 Also I would like to add -- it is not in front of
22 you, but we did just receive an opinion from the Attorney
23 General's office regarding the piggyback request on whether
24 or not it is legal to do piggybacking on modular
25 construction.

1 And the conclusion of the AG's office -- and if I
2 could just read it into the record:

3 "A school district may not without
4 advertising for bids contract with
5 another public agency to apply factory
6 built modular building components for
7 installation on permanent foundation."

8 I will be bringing back a report at the next
9 meeting to fully discuss that.

10 CHAIRPERSON SHEEHAN: Yes. Okay. And I know
11 Senator Lowenthal --

12 SENATOR LOWENTHAL: Yeah. This is an issue that
13 we talked about before. You know, we actually requested this
14 opinion. I had carried legislation last year regarding this
15 opinion.

16 I want to make sure that whenever we pass, that
17 we -- you know, we're going to be passing a consent calendar
18 today and that this is done with the provision -- or maybe --
19 I'm not sure if it needs to be provisionally passed -- that
20 all funding requests that are going forward from now on for
21 any kind of construction -- not talking about what's already
22 been done in the past -- that we verify that school districts
23 are not going to be using piggyback contracts for permanent
24 school construction in the future and that we notify school
25 districts about the AG's report that has come out, that it is

1 illegal to do this starting today, and any monies that are
2 allocated -- that we not participate in allocating any money
3 that goes for piggyback construction for permanent.

4 And I don't know how -- whether I need a motion to
5 do that or what to do. But that this Board -- we requested
6 this. It's now real clear that in the writing of the
7 legislation, if they meant to make the deal with -- you
8 know, actual school construction as -- to allow piggyback
9 contracting, it would have occurred in the writing. This is
10 not personal property like supplies -- it's real clear we
11 cannot be funding anything in the future starting today that
12 allows for piggyback, and school districts have to know
13 that --

14 ASSEMBLY MEMBER GOLDBERG: Is that a motion?

15 SENATOR LOWENTHAL: That's a motion.

16 ASSEMBLY MEMBER GOLDBERG: Second.

17 CHAIRPERSON SHEEHAN: Yeah. Go ahead.

18 MS. PARK: I would suggest that we do an advisory
19 on this subject and the action really needs to occur at the
20 next Board meeting because it is not an action item.

21 CHAIRPERSON SHEEHAN: Yeah.. The concern --

22 MS. PARK: But we will advise districts that --

23 SENATOR LOWENTHAL: And we will not be funding
24 anything going forward from today on. Okay. I think that's
25 as long as --

1 CHAIRPERSON SHEEHAN: And I think that was the
2 issue, Senator, that it -- we just got the opinion yesterday.
3 So we did not have time to put it on the agenda to take
4 formal action, but Luisa and I talked, I said let's make sure
5 people know we will post it. We will post the advisory, so
6 no one can say they were unaware that as of today --

7 SENATOR LOWENTHAL: But as I understand -- I
8 understand that -- what -- that any monies that we're
9 allocating today are done either for new construction or for
10 modernization, all of those would fall under this because
11 they have not gone out for --

12 CHAIRPERSON SHEEHAN: They will be on notice.
13 That's right.

14 MS. PARK: Generally they're not.

15 SENATOR LOWENTHAL: And that the only issues that
16 might fall between the cracks are those that have already
17 constructed -- done this, and we're not in to penalizing
18 those that have already done the -- you know, this, but the
19 message has to go forward that as of today, there is no
20 funding for school construction or modernization that uses
21 piggyback contracting for -- in any way for permanent
22 facilities.

23 MS. PARK: Modular.

24 CHAIRPERSON SHEEHAN: For modular.

25 SENATOR LOWENTHAL: Modular facilities that end

1 up with the permanent foundation.

2 CHAIRPERSON SHEEHAN: Right.

3 ASSEMBLY MEMBER COTO: Just making that as part of
4 the Minutes of this meeting would suffice in preventing them?
5 We don't need any other action?

6 SENATOR LOWENTHAL: No. We're going to have a
7 motion next meeting, but it's already in the Minutes as of
8 today.

9 MS. PARK:

10 ASSEMBLY MEMBER MULLIN: We'll reflect it in the
11 Minutes and send out an advisory.

12 CHAIRPERSON SHEEHAN: And they'll post it on the
13 Web site. Senator Margett, did you want to say something?

14 SENATOR MARGETT: Well, yes. Thank you, Madam
15 Chair. With reference to this -- and I think it probably
16 would be in your analysis, although this is primarily
17 referring I think to modular type construction, there's an
18 element within modular type construction that is really
19 permanent. Sewers are kind of permanent. Those footings are
20 kind of permanent, and I think that we need to be able to
21 have some clarification there on that aspect.

22 I understand where you're coming from, Senator,
23 with regards to it, but I do think that there are elements
24 within temporary construction that take on a permanent aspect
25 of things. Asphalt paving, for instance, you know, that's

1 kind of permanent.

2 SENATOR LOWENTHAL: Yeah, but I think what we're
3 talking about though are -- as the modular building
4 components for installation on permanent foundation. That's
5 real clear in the AG report. It's real clear that that --
6 without going out for bids, that is illegal to use piggyback
7 contracting.

8 SENATOR MARGETT: Okay. That the modulars, but --

9 SENATOR LOWENTHAL: Right.

10 SENATOR MARGETT: But usually, Senator, when they
11 select a contractor to put in these modular units, you know,
12 they're putting in permanent -- you know, permanent aspects
13 of a temporary building. You get it? You do.

14 SENATOR LOWENTHAL: Yes, I do.

15 SENATOR MARGETT: You're a bright guy. I know it.

16 CHAIRPERSON SHEEHAN: Okay.

17 SENATOR LOWENTHAL: We will discuss that next
18 month.

19 CHAIRPERSON SHEEHAN: Right. Go ahead.

20 MS. PARK: That's it for the report from the
21 Executive Officer.

22 CHAIRPERSON SHEEHAN: Okay. All right.

23 MS. PARK: And then the next item on the agenda is
24 Tab 4 and that is the Consent Calendar for the Board's
25 approval.

ATTACHMENT 3

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, February 22, 2006

PIGGYBACK CONTRACTS AND PUBLIC CONTRACT CODE COMPLIANCE RELATED TO PERMANENT MODULAR SCHOOL FACILITIES

PURPOSE OF REPORT

To present a follow up report regarding piggyback contracts and Public Contract Code (PCC) compliance relative to modular school facilities for installation on permanent foundations.

DESCRIPTION

At the February 2005 State Allocation Board (SAB) meeting, the Board requested that Staff request a formal opinion regarding the legality of the use of PCC Section 20118 to acquire and install factory built modular building components that result in the assembly of permanent schools without further competitive bid.

AUTHORITY

PCC Section 20118

Notwithstanding Sections 20111 and 20112, the governing board of any school district without advertising for bids, if the board has determined it to be in the best interests of the district, may authorize by contract, lease, requisition, or purchase order, any public corporation or agency, including any county, city, town, or district, to lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner in which the public corporation or agency is authorized by law to make the leases or purchases. Upon receipt of any such personal property, provided the property complies with the specifications set forth in the contract, lease, requisition, or purchase order, the school district may draw a warrant in favor of the public corporation or agency for the amount of the approved invoice, including the reasonable costs to the public corporation or agency for furnishing the services incidental to the lease or purchase of the personal property.

PCC Section 20111

School districts are required to competitively bid any contract equal to or greater than:

- \$50,000 for non-public works contracts identified as the purchase or lease of equipment, materials, or supplies; non-construction related services; or repairs or maintenance that would not be considered public contracts
- \$15,000 for public projects (as defined under PCC Section 22002 to include the erection, alteration or renovation of a publicly owned or leased facility).

The districts with contracts that meet or exceed the above cost parameters are required to let the contract to the lowest responsible bidder, and ensure that the bidder presents a form of security (such as a bonded surety).

STAFF COMMENTS

Staff has received the Attorney General's office opinion (see Attachment), which concludes, "A school district may not without advertising for bids, contract with another public agency to acquire factory-built modular building components for installation on a permanent foundation." At the January 2006 SAB meeting, a board member requested that all contracts for modular construction on a permanent foundation signed as of January 25, 2006 must be competitively bid in order to retain or receive funding consideration by the Board. In addition, Staff was requested to notify all school districts and county offices of education of the Attorney General's opinion and of the impact to project apportionments.

It is important to note that the Attorney General's office opinion is in regard to modular building components, which refers to a facility comprised of multiple pre-manufactured building components, which may include as an example a separate wall and floor system that are transported to a site where all components are installed on a permanent foundation. The opinion does not address portable or relocatable classrooms as defined by Education Code Section 17070.15(j), which typically are factory-built as two complete building modules that are simply connected on-site and placed on temporary foundations.

STAFF COMMENTS (cont.)

Last year after the initial report was presented to the SAB in February 2005, Staff sent out an advisory to all districts and county offices of education. The advisory notified districts that the Board expressed concern and questioned the legality of piggyback contracts for modular facilities on permanent foundations, and referred districts to the details of the report. Currently, to ensure that districts are aware of the interpretation of the law and the January 25, 2006 effective date, Staff has posted an advisory to the Office of Public School Construction (OPSC) Web site. In addition, Staff has sent out a mass mailer to all Superintendents, and included an Advisory Action article in the January 2006 edition of the OPSC Advisory Actions Newsletter, which was mailed to all county offices of education and all districts within the State of California.

Staff has received numerous calls from districts, architects, and modular construction companies regarding the Attorney General's office opinion. The overall concern is the impact on construction contracts that are in the process or construction contracts that districts were planning to piggyback in the near future to address immediate housing needs. As indicated by the Board, those projects that have construction contracts signed prior to January 25, 2006 will still be considered for funding. Therefore, the districts' concern lies with those projects where the district was planning to piggyback in the near future to address immediate housing needs.

RECOMMENDATIONS

1. Accept the Attorney General's Office opinion.
2. Direct Staff to provide additional notices to ensure that school districts are aware that all contracts for permanent modular construction signed after January 25, 2006 must be competitively bid in order to receive funding consideration by the Board.

This Item was approved by the State Allocation Board on February 22, 2006.

THE STATE ALLOCATION BOARD has requested an opinion on the following question:

May a school district, without advertising for bids, contract with another public agency to acquire factory-built modular building components for installation on a permanent foundation?

CONCLUSION

A school district may not, without advertising for bids, contract with another public agency to acquire factory-built modular building components for installation on a permanent foundation.

ANALYSIS

Under the Local Agency Public Construction Act (Pub. Contract Code, §§ 20100-20920),¹ counties, cities, school districts, and other local public agencies may enter into contracts with private parties for the construction of local projects. A central requirement of this statutory scheme is that, once the local agency has provided contract specifications for a given project, the contract must be awarded to the lowest responsible bidder. The question presented for resolution is whether a school district may avoid advertising for bids by contracting with another public agency to acquire factory-built modular building components for installation on a permanent foundation. We conclude that it may not do so.

Preliminarily, we note that a school district is generally required to award its contracts for a “public project” to the lowest responsible bidder. Subdivision (b) of section 20111 provides:

“The governing board shall let any contract for a public project, as defined in subdivision (c) of Section 22002, involving an expenditure of fifteen thousand dollars (\$15,000) or more, to the lowest responsible bidder who shall give security as the board requires, or else reject all bids. All bids for construction work shall be presented under sealed cover”

Section 22002, subdivision (c), defines a “public project” as follows:

“ ‘Public project’ means any of the following:

“(1) Construction, reconstruction, erection, alteration, renovation, improvement, demolition, and repair work involving any publicly owned, leased, or operated facility.

“(2) Painting or repainting of any publicly owned, leased, or operated facility.

“(3) In the case of a publicly owned utility system, ‘public project’ shall include only the construction, erection, improvement, or repair of dams, reservoirs, powerplants, and electrical transmission lines of 230,000 volts and higher.”

¹Hereafter, all references to the Public Contract Code are by section number only.

And the term “facility” is defined in section 22002, subdivision (e), as follows:

“For purposes of this chapter, ‘facility’ means any plant, building, structure, ground facility, utility system, subject to the limitation found in paragraph (3) of subdivision (c), real property, streets and highways, or other public work improvement.”

Section 20113 contains special provisions respecting emergency repairs, sections 20114 and 20115 allow for the rendering of certain services by day labor or force account, and section 20116 prohibits school districts from “splitting” work orders to avoid the cost threshold for mandatory competitive bidding. (See 84 Ops.Cal.Atty.Gen. 5, 6-9 (2000).)

Accordingly, as a general rule, a school district intending to contract for the construction, reconstruction, renovation, improvement, or repair of any school building, where the work will require an expenditure of \$15,000 or more, must follow a competitive bidding process.

The focus of our opinion, however, is upon the terms of section 20118, providing a limited exception to the competitive bidding requirements for certain “personal property.” Section 20118 states:

“Notwithstanding Sections 20111 and 20112, the governing board of any school district without advertising for bids, if the board has determined it to be in the best interests of the district, may authorize by contract, lease, requisition, or purchase order, any public corporation or agency, including any county, city, town, or district, to lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner in which the public corporation or agency is authorized by law to make the leases or purchases. Upon receipt of any such personal property, provided the property complies with the specifications set forth in the contract, lease, requisition, or purchase order, the school district may draw a warrant in favor of the public corporation or agency for the amount of the approved invoice, including the reasonable costs to the public corporation or agency for furnishing the services incidental to the lease or purchase of the personal property.”²

²Sections 20111 and 20112 set forth the competitive bidding process to be followed by school districts. (See, e.g., 84 Ops.Cal.Atty.Gen. *supra*, at pp. 6-7; 18 Ops.Cal.Atty.Gen. 1, 2-3 (1951); 8 Ops.Cal.Atty.Gen. 226, 226-228 (1946).)

Section 20118 thus permits a school district, without advertising for bids, to enter into a contract with another public agency under the specified circumstances, thereby “piggybacking” its order for personal property on an existing order placed by the other agency. In addition, the other agency may charge the school district for “services incidental” to its acting, in essence, as the district’s purchasing agent.³

We are informed that a school district is considering whether it may use the authorization contained in section 20118 to purchase modular structural components for the installation of classrooms and other school buildings and facilities, such as a cafeteria, gymnasium, and library, on permanent foundations. (See Ed. Code, § 17340.) Once these modular components have been attached at the building site, and after significant on-site finish work has been completed, they would result in permanent school buildings of varying dimensions, purposes, and architectural styles.⁴

In examining the language of section 20118, we follow well established rules of statutory construction. Here, the governing rule is known as *ejusdem generis* (“of the same kind, class, or nature”), which is illustrative of the more general legal maxim known as *noscitur a sociis* (“it is known from its associates”). (See *Moore v. California State Bd. of Accountancy* (1992) 2 Cal.4th 999, 1011-1012; *Dyna-Med, Inc. v. Fair Employment & Housing Com.* (1987) 43 Cal.3d 1379, 1391, fn. 14; *Texas Commerce Bank v. Garamendi* (1992) 11 Cal.App.4th 460, 471, fn. 3; *Martin v. Holiday Inns, Inc.* (1988) 199 Cal.App.3d 1434, 1437; *People v. Stout* (1971) 18 Cal.App.3d 172, 177.) In *Harris v. Capital Growth Investors XIV* (1991) 52 Cal.3d 1142, 1159-1160, the court explained this rule of construction as follows:

“The principle of *ejusdem generis* holds that ‘ “where general words follow the enumeration of particular classes of persons or things, the general words will be construed as applicable only to persons or things of the same general nature or class as those enumerated. [It] is based on the obvious reason that if the [writer] had intended the general words to be used in their unrestricted sense, [he or she] would not have mentioned the particular things

³By its terms, section 20118 applies only to a school district’s contracts with, and payments to, another “public corporation or agency” to lease or purchase personal property “for the district” where the other entity “is authorized by law to make the leases or purchases.” The statute provides *no* authority for a school district contract directly with a lessor or vendor.

⁴Because of their permanent foundations and immovability, the structures in question would be distinguishable from typical “portable” or “relocatable” single-classroom buildings. (See *Steelgard, Inc. v. Janssen* (1985) 171 Cal.App.3d 79, 89-90; see also Ed. Code, §§ 17085-17095.) The procedures to be followed in acquiring the latter units and placing them on school property are beyond the scope of this opinion.

or classes of things which would in that event become mere surplusage.”⁵
 [Citations.]” (Fn. omitted)

The court further noted:

“*Ejusdem generis* applies whether specific words follow general words in a statute or vice versa. In either event, the general term or category is ‘restricted to those things that are similar to those which are enumerated specifically.’ [Citations.]” (*Id.* at p. 1160, fn. 7.)

In section 20118, the Legislature has indicated the types of “personal property” covered by the statute: “data-processing equipment, . . . materials, supplies, equipment, automotive vehicles, tractors.” The phrase “other personal property” immediately following these particular items must be limited to the same classes of personal property under the rule of *ejusdem generis*. Plainly, building structures to be permanently affixed to land do not have the characteristics of the listed “personal property.”⁵

In contrast to the language of section 20118, when the Legislature has authorized the construction of school buildings and other structures and facilities upon permanent foundations, it has employed different language in delegating such authority. (See, e.g., § 20111, subd. (b) [“construction work”]; § 20114, subd. (a) [governing board may “erect new buildings”]; § 20115 [“any plant, building, structure, ground facility, utility system, or real property”]; § 20118.4 [permitting change orders “for reconstruction or rehabilitation work other than for the construction of new buildings or other new structures . . .”]; § 20118.4 [“construction of new buildings or other new structures . . .”] § 22001 [“construction work”]; § 22002, subd. (b) [“public works construction”]; § 22002, subd. (c)(1) [“Construction, reconstruction, erection, alteration, renovation, improvement, demolition, and repair work involving any publicly owned, leased, or operated facility”]; § 22002, subd. (e) [“any plant, building, structure, ground facility”]; and see, e.g., Ed. Code, §§ 17350-17360 [“factory-built school buildings”].)

If the Legislature had intended to extend the contracting option of section 20118 to construction contracts for school buildings on permanent foundations, we believe that the language of the statute would have referred to such construction projects in terms other than “lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property.” Section 20118 makes no

⁵Indeed, once the structures are affixed to permanent foundations, they constitute real property, not personal property. (See, e.g., Civ. Code, §§ 657, 658, 660; *Escondido Union School Dist. v. Casa Suenos De Oro, Inc.* (2005) 129 Cal.App.4th 944, 965-966.)

mention of buildings, structures, classrooms, facilities, or construction projects. “When the Legislature uses materially different language in statutory provisions addressing the same subject or related subjects, the normal inference is that the Legislature intended a difference in meaning. [Citation.]” (*People v. Trevino* (2001) 28 Cal.4th 237, 242.)

We therefore conclude that a school district may not, without advertising for bids, contract with another public agency to acquire factory-built modular building components for installation on a permanent foundation.

State Allocation Board Meeting

February 22, 2006

Transcript

1 members who would be happy to come down and --

2 MS. ROUSSIN: Thank you.

3 SENATOR MARGETT: Wannabe lawyers.

4 CHAIRPERSON SHEEHAN: All right.

5 MS. PARK: The Consent Calendar's --

6 SENATOR LOWENTHAL: -- we could do the
7 sandbagging.

8 CHAIRPERSON SHEEHAN: Yeah. As it were --
9 different kind.

10 All right. So if there are no other questions on
11 the Consent Specials, we'll entertain a motion.

12 ASSEMBLY MEMBER MULLIN: So move.

13 ASSEMBLY MEMBER DAUCHER: Second.

14 CHAIRPERSON SHEEHAN: We have a motion and a
15 second to approve the Consent Specials. All those in favor.

16 (Ayes)

17 CHAIRPERSON SHEEHAN: Any opposed? That is
18 approved.

19 MS. PARK: Next item is on the **Special Calendar**,
20 Tab 10, page 224. This item has to do with **piggyback**
21 **contracts** and public contracts compliance related to
22 **permanent modular school facilities**.

23 Back in 2005, the State Allocation Board directed
24 staff to obtain an Attorney General's opinion on whether or
25 not this method of contracting was appropriate.

1 Last month, right before the Board meeting on
2 January 24th, I received the Attorney General's legal
3 counsel's opinion, and at that time, I informed the Board
4 that we had received that opinion and at this meeting we
5 would bring forth the information on that opinion.

6 At that meeting, we were directed to notify all
7 school districts that they were not permitted to use this
8 method of contracting after January 25th of 2006. We put out
9 advisory on the Web site. We sent out a formal letter, and
10 we put it into our advisory actions.

11 So the Board -- the public in general has been
12 notified, but we do understand that there are individuals
13 here that do want to speak to the Board regarding this issue.

14 And just to say that our report is to accept the
15 Attorney General's Office opinion and to direct staff to
16 provide additional notices regarding the January 25th, 2006,
17 as the cutoff window for using this type of contracting.

18 So with that, I --

19 CHAIRPERSON SHEEHAN: Yes. I know a number of
20 people from the public would like to comment. So shall we
21 hear from them and then we can -- and I know a number of
22 Board members also would like to discuss this. Tom? And
23 then I have Karl Bradley? Are you Karl? Okay.

24 MR. DUFFY: Hi. Tom Duffy for Coalition for
25 Adequate School Housing. Good afternoon and thank you.

1 I sent a letter to you all today where we've
2 basically tried to identify for you that we believe that
3 proliferation of the use of piggybacks began in 2004 because
4 of the bid climate and what we referred to as the inadequacy
5 of the grants.

6 You heard a district I think about this time last
7 year who had bid a number of projects and found that it had
8 to scrap its stick-built plans and go with modular
9 buildings -- in other words, was able to provide classrooms
10 for those schools. That's happened over and over again in
11 California.

12 I wanted to point that out to you because what you
13 will be doing now without having dealt with the issue of
14 grant adequacy is probably continuing to hinder districts in
15 moving forward with providing classrooms.

16 The opinion is the opinion and we think that you
17 have to obey it, and we think that you have to follow this.
18 And so we suggest that you do that.

19 But we'd really like to have Ms. Goldberg's bill
20 and then also Ms. Daucher's bill move forward to deal with
21 grant adequacy and the adjustments of the bids at a time
22 during the year that isn't January, but is more related to
23 the actual indices and what's happening in the field.

24 So we think that that's critical and we have said
25 that to Senator Scott and his community and Ms. Goldberg and

1 her committee when we've talked about the bonds. So we think
2 that that's extremely important.

3 So grants are very low and districts have had to
4 avoid building schools that are stick-built schools and gone
5 with modulars or portables, and they will have to continue to
6 do that. The opinion just makes it harder for them.

7 And with that, the second part of the letter that
8 I sent to you identifies that the communication from Luisa --
9 and we thank her for that and we met with her to understand
10 how this would proceed. We think that further refinement
11 needs to be done so that districts will fully understand what
12 it is you require of them so that they are in conformance
13 with what you would like them to do.

14 I do not think that the issue is really -- is
15 easily definable as saying these are modular components and
16 this is a portable. I think that there's more to it.

17 We have experts in our organization. We'd be
18 pleased to meet with Luisa and others and in fact you may
19 want to -- I'm sure you're going to move forward with this
20 today, but you may want to ask the Implementation Committee
21 to just tease out the issues because I think that there will
22 be a number.

23 And it -- just having heard from a number of
24 districts and talked to many attorneys -- CASH has a legal
25 advisory committee and we have met with them and discussed

1 this in detail. We have a conference going on across the
2 street, talked about ~~that just this afternoon.~~

3 So we can give -- I think we can offer help to you
4 here.

5 You -- in 1998 this -- the state program changed
6 with SB50. One of the reasons that it changed -- and,
7 Ms. Goldberg, we talked about this at your committee about
8 three weeks ago.

9 One of the reasons that it changed to a grant
10 program was to delink the state funding mechanism and what
11 school districts do with that funding. In essence, the state
12 was being sued from time to time because school districts --
13 in the discovery process, was that -- it was found that there
14 was a lease-purchase document signed by the executive officer
15 and the school district and so that linked the state in and
16 the state was then sued.

17 You may with this directive -- and believing
18 you're going forward with it. You may find that part of that
19 delinking is gone away, that -- you may find -- and it's --
20 you know, we're not -- this is not a threat or anything.
21 We're just simply saying we don't want school districts to be
22 sued over this. You may be implicated in it, so that may be
23 something else that Mr. Ness helps you to look at.

24 So I think that that's important. Districts may
25 also be in the planning process and they may want to come

1 back to you for reimbursement because of what they have to
2 do.

3 And just sharing with you various that have come
4 our way. But we really would like you to deal with grant
5 adequacy and we believe -- and we told you this last May. We
6 believe you have certain authority through the regulatory
7 process and what is in statute to actually adjust the grants
8 now and we would urge you to do that.

9 Thank you. Any questions for me?

10 CHAIRPERSON SHEEHAN: Any questions for Mr. Duffy?
11 Senator Lowenthal.

12 SENATOR LOWENTHAL: Were not districts notified by
13 our own legal counsel that -- almost a year ago that this was
14 going on and that they should proceed with caution?

15 MS. PARK: That is correct. Back in February of
16 2005 when the issue was initially brought forward to the
17 Board, at that time, we did have Garry Ness's opinion and he
18 has concerns about -- she did have concerns about the
19 piggyback process the districts were using.

20 So at that time, when we went forward to ask for
21 an Attorney General's opinion, we did put out advisories
22 advising districts to move very cautiously when they use this
23 type of method.

24 MR. DUFFY: And, Senator, my response to that is
25 yes, and we've talked about it as well. But notwithstanding

1 that, districts had to move forward and put classrooms in
2 place and they did that with less than adequate funds.

3 So the -- last year was an important year for
4 districts to get a lot done just like this year is.

5 You had a particular concern and you've addressed
6 it -- or attempted to address it in your legislation and we
7 had opposed that and you may not have been pleased with us or
8 with me, but our opposition was really to allow districts to
9 continue to have the ability to move quickly and especially
10 at a time when we don't have enough grants.

11 And I'd be pleased to share the information that
12 we have developed in comparing the grants under the old
13 program to the new program because there is a deficiency.
14 Thank you very much.

15 CHAIRPERSON SHEEHAN: -- I think has a question.

16 ASSEMBLY MEMBER DAUCHER: Yes. You mentioned
17 delinking and linking. Are you getting -- are you saying
18 that currently if a district does something that they are
19 sued about that the only person who can be the recipient of
20 that lawsuit is the district? I know you can sue anybody,
21 but that we have protections in place so that the State
22 Allocation Board is not involved and that if we take this
23 action that that may muddle that or cloud that? And I guess
24 I'd like your opinion and then I'd like to hear our lawyer's
25 opinion.

1 MR. DUFFY: Maybe you --

2 ASSEMBLY MEMBER DAUCHER: Is that what you said or
3 not?

4 MR. DUFFY: It is what I said.

5 ASSEMBLY MEMBER DAUCHER: Okay.

6 MR. DUFFY: That under the old program, there was
7 a direct link because of the contractual relationship of the
8 lease-purchase program. Because the Allocation Board and the
9 state were sued when districts made mistakes and they may
10 have been small districts, they may have been larger
11 districts, but I remembered working with Senator Leroy Greene
12 on the issue of grants and he was very concerned because the
13 state was being sued for district mistakes.

14 So the delinking happened with the grants. That's
15 why you have the language and statute that says full and
16 final apportionment.

17 Now, you could be sued of course --

18 ASSEMBLY MEMBER DAUCHER: Right.

19 MR. DUFFY: -- for following the law and school
20 districts may be. It's just -- I was just suggesting that
21 this may be something that Mr. Ness needs to consider and
22 advise you on.

23 We haven't heard of anybody wanting to sue
24 anybody, but it -- this -- you know, we're talking about a
25 fairly sizeable amount of money that isn't in the pipeline to

1 be built.

2 ASSEMBLY MEMBER DAUCHER: I'd like to get --

3 CHAIRPERSON SHEEHAN: Sure. Garry, would you want
4 to address that briefly.

5 MR. NESS: Well, I can maybe give you some
6 background. The -- Tom is accurate. The old program created
7 opportunities for contractors and such to bring the State
8 Allocation Board in because the old program created an agency
9 relationship between the state and the school districts and
10 also had this lease-purchase program which actually required
11 the state to lease the facility to the school districts.

12 All those things have been taken out of this
13 program and it is truly a grant program. We're simply giving
14 grants to school districts to fund construction.

15 There is a provision in statute, however, that
16 talks specifically about liability and indicates that funding
17 decisions made by the Board shall not in and of themselves
18 make the Board liable for any tort, breach of contract, or
19 any other action for damages caused by the school district
20 arising from new construction or modernization by the
21 district.

22 So I think the Board is pretty well protected with
23 respect to that statute in terms of any contractual liability
24 that might arise from a district's construction contract.

25 ASSEMBLY MEMBER DAUCHER: So then if we start

1 advising districts or telling districts how they should let
2 their contracts, does that statute still protect us or is it
3 cloudy?

4 MR. NESS: Well, I still think that it's fairly
5 good protection. I mean -- it would depend upon what the
6 Board's direction was.

7 I mean in this situation, the Attorney General has
8 advised the Board what the state law and all the Board would
9 be saying is you've got to follow the state law as it's been
10 opined by the Attorney General.

11 So I don't know that we're telling the districts
12 that they have to do one thing or another. It's just that
13 the state's legal advisor has advised this Board that's what
14 the law is and so that's what the Board would look for the
15 school districts to do to follow.

16 That doesn't mean that this statute has been
17 tested in court. The Attorney General's opinion is an
18 opinion of a lawyer. It's not, you know, precedent setting.
19 It has to be followed as a matter of law.

20 There still could conceivably be a different view
21 announced by a California Court if they looked at it, but I'm
22 not aware of any litigation over it and I'm not aware that
23 anybody's going to challenge it, but it also means that
24 contracts that were let contrary to this provision
25 conceivably are subject to challenge and would, if

1 successful, be -- the contract could be found to be void and
2 unenforceable and that would put the district and contractor
3 and potentially state bond money in jeopardy.

4 ASSEMBLY MEMBER DAUCHER: So then if a district
5 were to choose to -- if they were in the middle of this
6 process and they were to choose to go forward for, you know,
7 maybe it's the only way they can get classrooms up by
8 September -- and I'd be interested if there's a case like
9 that. I'd like to hear about it -- then are you saying to
10 the best of your knowledge, we would -- could rely on the
11 statute where we would not be at risk, but it would be the
12 districts who would be at risk. Is that what you're telling
13 us?

14 MR. NESS: That's my belief, yes.

15 MS. PARK: In addition --

16 CHAIRPERSON SHEEHAN: Go ahead.

17 MS. PARK: Just in addition, when a district
18 applies for a state funding, they certify compliance to all
19 laws and regulations and this section is in the Education
20 Code as part of the public contract.

21 So they have certified that they are complying
22 with all the requirements of the law.

23 MR. DUFFY: And we don't -- we're not arguing with
24 this at all. We say -- we believe you have to follow this
25 and in fact we'll be working with our districts to make sure

1 that they know.

2 We're asking you for further clarification and
3 CASH will be sponsoring a workshop next month on doing this
4 to make sure districts know what they need to do to stay
5 compliant with what you want them to do so you can give them
6 money to house kids. Thank you.

7 ASSEMBLY MEMBER GOLDBERG: Just send more
8 grants -- higher grants.

9 MR. DUFFY: Say it again.

10 ASSEMBLY MEMBER GOLDBERG: Just send higher
11 grants.

12 MR. DUFFY: Thank you very much, Ms. Goldberg,
13 yes.

14 CHAIRPERSON SHEEHAN: Ms. Girard and then
15 Ms. Moore has a question.

16 MS. GIRARD: I just have a question. You know,
17 looking to make sure you get the best price because obviously
18 money is the issue, if it doesn't go out to bid, are you
19 really getting the best price? How do you know by not going
20 out to bid that you're really getting the best price because
21 that's exactly what this is all about?

22 You don't have enough money, so you want to make
23 use of the most money that you have. If you're not going to
24 bid you don't know if you have the right -- the best price.
25 So how are you coming to that conclusion?

1 MR. DUFFY: Thank you for the question because
2 it's a seminal question. There is a bid in the beginning.
3 So District A bids a project and because modular buildings or
4 portable buildings are built in a factory very much like a
5 car is built, they're -- in the main, they are a reuse of a
6 plan, districts know what exists and they've seen them.

7 So District A puts out a bid and competitively
8 bids it and one of the manufacturers receives that bid.
9 District B then says that's a good price and I can get those
10 now without the period of time for bidding and I can see
11 exactly what I'm going to get, and so what they've done is
12 they have used that bid themselves as another public agency.

13 General Services does the very same thing and they
14 do it today. So your question is a good question. If the
15 bid would be an old bid -- as a superintendent, I did this.
16 If it's an old bid, I wouldn't want to use that. I would
17 want to use something newer.

18 But the idea of cost -- if you compared the state
19 grant program today with what it really costs to build a
20 school, there is not an equality there. So districts have
21 been able to say I know that I can pay -- now I can pay for
22 these modulars because I know what that price is -- or the
23 portables. So hopefully I answered your question.

24 CHAIRPERSON SHEEHAN: Ms. Moore.

25 MS. MOORE: Tom, can you explain exactly what

1 isn't clear and what needs to have further clarification?

2 MR. DUFFY: Thank you, Kathleen. What I'm
3 speaking to is the opinion -- the question asked is may
4 modular components be utilized and the answer is no, they may
5 not.

6 But there is --

7 ASSEMBLY MEMBER GOLDBERG: Without a bid.

8 MR. DUFFY: Without a bid. Yes. Thank you.
9 There is subnote 4 on page 4 that identifies that those are
10 distinguishable from portable classrooms, and portable
11 classrooms are basically two pieces of a building that are
12 trucked out to a site and put together and put on a site.

13 I believe that the intent -- and I think it was
14 the intent of your bill, Senator -- was to say those are okay
15 for piggybacking. What we don't want are pieces that get
16 trucked out and get put together on the site. And -- just
17 make sure that districts are -- if that's what the intent is,
18 that that is very clear, and I would appreciate your -- staff
19 being able to put that in some written form so districts know
20 what it is because every building isn't the same.

21 Some manufacturers build buildings that are seated
22 differently and the question in the opinion also is answered
23 by talking about a permanent foundation.

24 Individual portables are placed on concrete.
25 They're placed on asphalt. They're placed on dirt. But they

1 are affixed to the site because of seismic issues.

2 We just want to make sure that since it appears
3 that portables are okay, modular components are not, that we
4 know exactly what those are. That's --

5 MS. MOORE: And there is a question about
6 permanent foundations --

7 MR. DUFFY: Because the -- because the opinion
8 talks about a permanent foundation and we have talked to our
9 friends at DSA. They can tell you what a permanent
10 foundation is, but individual portable classrooms are placed
11 on different kinds of foundations.

12 Some of them are placed on concrete piers because
13 it's an efficient way to put them in place. They're movable
14 and they may be moved, but they're put on concrete piers.

15 Is that permanent? We want to make sure we know
16 since we do not want to have the district interrupted in the
17 process and you tell them that we're not going to give you
18 any money because you violated our directive.

19 MS. PARK: Under staff comments, I think we have a
20 pretty clear description of what the difference is.

21 CHAIRPERSON SHEEHAN: Any other questions --

22 MR. DUFFY: Okay. Thank you very much.

23 CHAIRPERSON SHEEHAN: Sure. Thanks.

24 MR. DUFFY: Appreciate your patience.

25 CHAIRPERSON SHEEHAN: Yeah. I think we had some

1 other individuals who would like to testify? Can you just
2 identify yourself for the record.

3 MR. BRADLEY: Madam Chair, members of the State
4 Allocation Board, my name is Karl Bradley. I'm the Chief
5 Facilities Officer for Vista Unified School District. We're
6 a district that serves about 24,000 students in the
7 northwestern corner of San Diego County.

8 And we passed a local bond measure in the amount
9 of around \$140 million in March of 2002, and our aim was to
10 end the terrible overcrowding we had in our district. We had
11 kids at both the middle and elementary school level on the
12 Concept 6, Multi-Track Year-Round Schedule, and our goal is
13 using our local bond funds as well as state matching funds to
14 build more elementaries, build another middle, build tons of
15 stuff.

16 Even at the -- early on in our bond program, we
17 realized that the state match really wasn't ever 50 percent,
18 but we kind of kept plugging along. But a few years back, we
19 started seeing unprecedented escalation of construction
20 costs.

21 And the state grant fell farther and farther below
22 what actually constitutes a 50 percent match of the actual
23 costs of construction.

24 We continued as best we could with our program and
25 now we're at a point where we need to build our largest final

1 and most important program which is a high school facility.
2 We've got two high school in our district that are at nearly
3 double their capacity, and looking at our budget, looking at
4 how much local money we have left, predicting what the state
5 grant would be, we realized there was no way we could create
6 the classroom space we needed, not on out permanent --
7 conventional permanent construction with the remaining funds
8 we had.

9 So we determined that we would go with modular
10 construction and we elected to utilize the piggyback bid
11 because that way we could quantify that amount. That way we
12 could -- within budget and so forth.

13 But at this point -- you know, now -- I feel we
14 were sort of backed into a corner where we couldn't afford
15 anything. We didn't want to build modular schools. No
16 facilities administrator wants their legacy to be modular
17 construction. We love to build permanent schools with
18 beautiful architectural features. We can't. We don't have
19 enough money.

20 I think I speak for a lot of districts here and
21 I'm here to ask that this Board at the very least postpone
22 any action that will reduce school districts' ability to
23 obtain modular building components via piggyback contracts
24 and I also ask that you take immediate action to increase the
25 grant amount so we can go back to the schools we really want

1 to build. And I thank this Board for your time.

2 CHAIRPERSON SHEEHAN: Hold on. Senator Lowenthal,
3 did you have a question?

4 SENATOR LOWENTHAL: Yeah. I -- no. I just wanted
5 to comment on that. I think that grant issue is a separate
6 issue and I think that's a reasonable issue to ask us to
7 address. That's one issue.

8 The second issue, I -- kept getting back to --
9 that you -- you know, this is not a new issue. This -- you
10 were notified that this is -- to proceed with caution, almost
11 a year ago.

12 The law is really clear. We can't authorize you
13 to go ahead and break the law. I mean that -- we -- unless
14 you're saying you want us to delay the law -- you can't do
15 that. You can't -- we can't delay the law.

16 And you can still do what you're doing with -- if
17 you go out to bid. We're not stopping you. No one is saying
18 that there's anything wrong with what you want to do. You
19 don't want to do that. You would rather have the grants
20 modified and we understand that.

21 But since you now what to go out, you want --
22 you're not precluded from doing that. We're talking about
23 piggyback contracts and the law is real clear now. And we've
24 known that and that's why we asked for the AG's opinion.

25 We were concerned about that and conveyed that to

1 you almost a year ago.

2 MR. BRADLEY: Respectfully, Senator Lowenthal, we
3 believe there's a great potential for cost increase if we go
4 through the bidding process. We believe there's a potential
5 for project delays if we go through the bidding process.

6 CHAIRPERSON SHEEHAN: Any other questions? Thank
7 you. Oh, Senator Scott?

8 SENATOR SCOTT: I don't quite know how you want us
9 to violate the law. I mean that's the problem. I mean we
10 all find certain laws onerous, and we don't particularly --
11 we don't like them, but most of us have to say, well, you
12 know, that's what's there.

13 And so we -- you know, we think maybe if you went
14 out to bid there's the possibility, as was pointed out by one
15 of our members, that you might even come in lower than this
16 piggyback bid.

17 But I think for us to ignore what the Attorney
18 General has said to us the plain implications of the law are,
19 I personally have never been comfortable doing that.

20 MR. BRADLEY: Once again with all due respect,
21 sir, I heard your own counsel state that the Attorney
22 General's opinion is merely an opinion and does not
23 necessarily --

24 SENATOR SCOTT: Well, do you have an opposing
25 opinion other than yours that has any legal basis?

1 MR. BRADLEY: No, sir, I do not.

2 SENATOR SCOTT: Okay.

3 CHAIRPERSON SHEEHAN: Ms. Girard.

4 MS. GIRARD: I'm just having problems with -- on
5 construction delay on a modular. If you take it out to bid
6 and you've already stated that you're going to build modulars
7 because you can't afford to do the other. So you're taking
8 it out to bid. Where is the delay on the modulars going to
9 come in? You're putting it out for modular bid; right?

10 MR. BRADLEY: Ma'am, we were ready to take a
11 contract to our board at our February school board meeting
12 for ratification, you know, and we basically -- once we heard
13 statements made at the February -- or excuse me -- January
14 State Allocation Board meeting this year, we basically put
15 things on hold until we were going to hear what you said at
16 this meeting.

17 At this point, if that's the direction, of course
18 we're going to bid. We're going to obey the law. But
19 there's already the time that has been lost since that last
20 meeting and there's also the issue of the time frame for
21 legal advertising and so forth.

22 And -- you know, one thing that was proposed I
23 know -- I saw a letter that was written to you by one of the
24 modular manufacturers was that at least the Board consider
25 some sort of a grace period rather than abruptly depriving

1 districts of their ability to do this.

2 CHAIRPERSON SHEEHAN: I guess one observation I
3 have, you are a member of CASH, I assume, Tom's group that
4 was just up here?

5 MR. BRADLEY: Yes, ma'am.

6 CHAIRPERSON SHEEHAN: And I think both CASH --
7 when this issue came up last year and this was one of my
8 first Board meetings and I think the staff -- people were
9 aware that we had requested this opinion.

10 So while I understand January when we received it,
11 you know, may have come as a shock, but I think the people
12 who had been tracking the work of the Board were aware that
13 the request had been made and as with -- you know, the answer
14 could come in any time.

15 So I think as someone said, it had been out there
16 for close to a year that we had made that request and that
17 there was, you know, at least 50-50 chance that that could
18 have come in.

19 So if you did not -- were not aware of that, you
20 know, we can certainly work on communication in the future,
21 but I think most people were aware that that request had come
22 from the Board to the Attorney General's Office.

23 Any other -- Ms. Daucher.

24 ASSEMBLY MEMBER DAUCHER: This is an opinion. It
25 isn't law. It is an opinion and it has certain weight to it,

1 but it isn't necessarily right or wrong. I think the
2 Legislature would do well to fix this.

3 We still have districts at risk in this situation
4 even if we follow the Board recommendation of January 25th.
5 We still have -- some districts will still have an issue.

6 And if we're saying this January 25th, there's a --
7 you know, we're making an opinion as to when to implement
8 this. And really who skates in under what you seem to
9 believe is going to be a lower cost -- do you believe the
10 cost will be higher? I mean is that -- I presume -- delay
11 and --

12 MR. BRADLEY: I believe there is a good -- I think
13 the district --

14 ASSEMBLY MEMBER DAUCHER: You believe it's a risk.

15 MR. BRADLEY: -- good risk that it would be more,
16 yes.

17 ASSEMBLY MEMBER DAUCHER: Okay. So I mean I guess
18 what I'm saying is we have a -- you know, we're picking a
19 date with no real rational reason to pick one date versus
20 another date, and I guess what I would like to see is a date
21 that's a little bit more in the future, a date -- legislation
22 that maybe we could all agree on that would protect districts
23 who -- even if we were to follow the Board's recommendation,
24 there will still be districts at risk and I don't want to see
25 any district at risk here.

1 And I don't know if it would be possible for us to
2 get urgency legislation through that would give some
3 protection to districts that are caught in this problem, give
4 them a grace period, and then -- I don't know if we could all
5 agree on legislation. I don't know if that's possible or
6 not.

7 But if we don't, we're going to have a fait
8 accompli, so it might be a good way for us to agree on
9 legislation. But to protect districts who would be at risk
10 and to give a longer grace period so that we don't see
11 schools that are delayed.

12 I mean we have overcrowding now and what this is
13 really going to mean is even if it were to come in cheaper,
14 you're talking of -- about a delay of going out to bid which
15 what's the minimum time you can go out to bid and get an
16 answer?

17 MR. BRADLEY: It generally takes at least six
18 weeks.

19 ASSEMBLY MEMBER DAUCHER: Six weeks and then you
20 have to award the bid. What's the end of the process when
21 you can --

22 MR. BRADLEY: Award the -- the bid, whatever, the
23 appropriate board meeting would be, and then there's a five-
24 to ten-day notification process before notice to proceed can
25 be issued.

1 ASSEMBLY MEMBER DAUCHER: So I guess I'd like to
2 try and help these districts out and recognizing that not
3 very district is a big district that might have people who
4 regularly read and pay attention to all the notices and
5 paperwork that we send out.

6 I mean I know I come from a very small school
7 district that, you know, the person wears lots of hats who
8 does this and, you know, maybe they should have, could have,
9 would have, you know, paid attention a year ago, maybe they
10 didn't. And grant adequacy probably worked into that.

11 But I think it would behoove us if we could agree
12 legislatively to protect -- you know, give some protection to
13 these districts. I don't know if that's possible
14 legislatively -- a grace period and do an urgency bill.
15 That's what I would like to have a discussion about.

16 CHAIRPERSON SHEEHAN: Okay. Senator Lowenthal.

17 SENATOR LOWENTHAL: Well, I would like, as Tom had
18 mentioned, to just remind us that we did have legislation
19 last year about this very issue. It was passed by the Senate
20 and the Assembly, went to the Governor, was vetoed
21 prohibiting piggyback.

22 Every district was part of that. You know, CASH
23 was, as Tom said, they opposed it. All the members knew this
24 and Governor's veto message said wait until the AG. It's
25 real clear. Everyone has known about this.

1 CHAIRPERSON SHEEHAN: Senator Margett. Oh, and
2 then -- sorry.

3 SENATOR MARGETT: Were you ahead of me, Jackie?
4 Go ahead.

5 CHAIRPERSON SHEEHAN: Ms. Goldberg, sorry.

6 ASSEMBLY MEMBER GOLDBERG: I just wanted to make
7 sure I got on the list sometime. Did your board discuss this
8 possibility when they talked about going to this modular --
9 since this has been a year ago now? Did they discuss the
10 possibility that the decision might go the other way? Was it
11 presented to them?

12 MR. BRADLEY: To my knowledge, I don't believe it
13 was. Because there was -- in our minds -- at least in my
14 mind, there was no certainty as to which way the decision
15 would go.

16 ASSEMBLY MEMBER GOLDBERG: If I was on a board --
17 Ms. Daucher was on a board, I would want the staff to come to
18 me and say we're recommending this, but you need to know we
19 got this warning and at any time that decision could come in.
20 Nobody told that board that? Right? Is that what you're
21 telling me?

22 MR. BRADLEY: To the best of my knowledge, no,
23 they did not.

24 ASSEMBLY MEMBER GOLDBERG: I have a real problem
25 with that. I have to tell you that. You know, if the board

1 then said that they'd like to take the risk, then we're in
2 one situation, but we're in a very different situation if the
3 board was never informed -- well, that's my view. Thanks.

4 CHAIRPERSON SHEEHAN: Senator Margett.

5 SENATOR MARGETT: Yes. I can certainly empathize
6 with where you are and what you're doing -- what you're
7 trying to do. There's no question about that.

8 May I ask just a few questions about divulging
9 bids and so on and so forth. Approximately what is the
10 amount of the contract that you're looking at here for this
11 modular?

12 MR. BRADLEY: I believe it's roughly \$11 million,
13 sir, because it was based on the piggyback pricing we had.

14 SENATOR MARGETT: \$11 million and how long have
15 you known that it's been \$11 million? Is that just the
16 salesman came in and said we can do it for \$11 million if you
17 piggyback?

18 MR. BRADLEY: We've been in negotiations with the
19 modular manufacturer for several months since I believe
20 November of last year.

21 SENATOR MARGETT: And did he give any deadline or
22 any -- say, hey listen, you have to buy this within this next
23 six months or this next year to be able to get this
24 \$11 million price?

25 MR. BRADLEY: Well, typically the piggyback things

1 do have an expiration date. I do not know exactly when the
2 expiration date is.

3 SENATOR MARGETT: You don't know when the
4 expiration is on this particular --

5 MR. BRADLEY: Not off the top of my head, sir.

6 SENATOR MARGETT: I mean just -- well, just off
7 the top of my head, I would think that an \$11 million deal,
8 that's not -- I mean that's not peanuts. I got to tell you
9 that's a nice contract for somebody.

10 I would think that you could probably go ahead and
11 bid that. I'm not saying you're going to get it less, but I
12 would say that they would still be interested in performing
13 under that contract going through the legal aspects of this
14 thing and you could very well get your buildings in at your
15 \$11 million -- budget.

16 MR. BRADLEY: Absolutely, sir. We're very well
17 aware of that and we do have two and perhaps three modular
18 manufacturers that we know are very anxious to bid this work
19 with us should it go --

20 SENATOR MARGETT: Oh, I think this whole
21 competitive thing is -- really works in America, believe it
22 or not, today. I mean it's there and I'm happy for it.

23 May I ask counsel one question also? Mr. Ness, if
24 there's a consortium that comes together of school districts
25 that know in their planning that they're going to want

1 modular buildings and they want -- could that consortium
2 group of school districts form a consortium to be able to do
3 that and escape this business with regards to piggybacking?

4 In other words, that's an entity that's buying as
5 opposed to --

6 MR. NESS: I think I know what you mean and quite
7 frankly I don't know what the answer is to that. I'm not
8 that familiar with the school districts public contract code
9 requirements to give you a good answer on that. So I guess
10 I'd have to duck your question and say I don't know the
11 answer to your question.

12 CHAIRPERSON SHEEHAN: Ms. Girard.

13 MS. GIRARD: My concern is that it gives the
14 appearance of favoritism when you start to do that. When you
15 do put something out to bid, the reason -- not just the
16 lowest cost or whatever, but you've opened it up for more
17 people to bid.

18 When you go to one distributor, it just doesn't
19 appear to look good. It looks like there's something going
20 on. If it's wide open and everybody could bid it, then you
21 feel everybody that's involved -- the Board giving money
22 here, the taxpayers, everybody else is getting the best price
23 and that it's a full and open competition.

24 When you limit that, you make it look ugly, and I
25 know. I'm a contractor. So I know. I'm speaking because I

1 know this, that you should always have more than one bid to
2 know that you're getting the best price.

3 MR. BRADLEY: Ma'am, we actually did have a
4 request for a proposal process that was competitive. It
5 was -- our bid contract, but we had request for proposal. We
6 had criteria specification. There were two modular
7 manufacturers who looked at the pricing on this and we
8 were -- yeah. We were basically finalizing the contract with
9 the manufacturer who had offered us the best price on that
10 basis.

11 CHAIRPERSON SHEEHAN: All right. Thank you for
12 your comments.

13 MR. BRADLEY: I thank the Board.

14 CHAIRPERSON SHEEHAN: Anyone else? Yes. Please
15 come forward and identify yourself.

16 MR. BUCKLEY: Thank you, Madam Chair, members of
17 the Board. My name is David Buckley. I'm the Chief
18 Executive Officer of ModTech.

19 ModTech is the largest provider of modular
20 facilities in the State of California and in the country.
21 Each year we provide approximately 2,000 classrooms for the
22 State of California which equals about -- 60,000 -- that's
23 probably me. Let me turn that off. I'm sorry.

24 Approximately 50- to 60,000 students are housed in
25 our buildings each year in California.

1 I want to address Senator Lowenthal's question
2 about why aren't these publicly bid. Quite frankly we prefer
3 public bids. We prefer public bids because we are always 15,
4 20, 25 percent cheaper than on-site construction and we're
5 typically 50 to 75 percent faster.

6 So we aren't afraid of the public bid.
7 Approximately 30 or 35 percent of our revenues come from
8 piggyback type revenues. One of the reasons that we're
9 hearing from the school districts that come to us on that
10 basis is the fact that they don't have the internal
11 capabilities to put together a bid document.

12 A typical bid document is 600 to 700 pages long.
13 It takes a lot of experience to put something like that
14 together and it takes a lot of wherewithal to know how to go
15 out and publicly bid one of those documents.

16 Half of the reason for the piggyback in our eyes
17 is so that school districts that don't have that internal
18 capability can piggyback off of a school district that does
19 have that capability, that has that expertise in-house.

20 So for those school districts that don't have that
21 capability, what do they do now? Where do they go and how do
22 they do this because it's our opinion that there's not enough
23 people in the State of California with enough mileage to fill
24 that gap right now.

25 So by forcing the cutoff on January 25th, it's our

1 belief that there's going to be quite a few school districts
2 that are left out in the cold and quite frankly we think a
3 lot of children that will truly be left out in the cold as a
4 result of this.

5 We are not the answer to everything. We provide a
6 need that can be quickly fulfilled by schools that need space
7 quickly.

8 I live down in Southern California where it's
9 growing like mad and quite frankly if you started a project
10 today on traditional construction, three years from now,
11 you'd have a school.

12 With modular construction, you can typically fill
13 that much quicker. So our position is that we think there
14 does need to be an extension to allow for these school
15 districts that don't currently have the wherewithal or the
16 capabilities to put out a bid to go and find the expertise
17 that will allow them to put a bid out, and secondly, we think
18 that there needs to be some legislation that clarifies this
19 because we happen to be one of those manufacturers that
20 builds a complete unit in the factory.

21 We bring it to the site and we bolt it together to
22 form a classroom or we can bolt 2 together or we can bolt 200
23 together. And where's the definition? Where's the
24 distinction between 2 bolted together and 200 bolted together
25 because it's not fair to us and it's not clear to three

1 lawyers that we've gone out to and gotten opinions on.

2 So I think there is still some ambiguity and I
3 think there's about 35 percent of the school districts in the
4 state that are going to be in real trouble here if there's an
5 immediate cut off.

6 MS. MOORE: Can I just ask --

7 CHAIRPERSON SHEEHAN: Sure.

8 MS. MOORE: -- staff, in his -- in that example,
9 is it in or is it out?

10 MS. PARK: Is what in?

11 MS. MOORE: The example that he gave of the type
12 of portable construction.

13 MR. BUCKLEY: Two fully complete units that are
14 brought to a site and bolted together.

15 MS. PARK: That's a relocatable classroom.

16 MR. BUCKLEY: But most of ours are attached to
17 permanent foundations. Now, they can be relocated at some
18 point in the future, but most schools do not. So where's the
19 definition and where's the defining line?

20 MS. PARK: The relocatable is defined in law and
21 the definition for a relocatable is that it does travel in
22 two pieces. They come onto the site. Yes, sometimes they
23 put them on temporary foundations. Sometimes they put them
24 on permanent foundations, but in essence, it's just putting
25 the two pieces together and sealing them.

1 MR. BUCKLEY: So that's okay?

2 MS. PARK: Yes, sir.

3 MR. BUCKLEY: Regardless of whether it's 2 or 50?

4 MS. PARK: Yes, it is.

5 MR. BUCKLEY: Okay. I'm done.

6 CHAIRPERSON SHEEHAN: But you may want to meet
7 that gentleman from Vista because --

8 MS. MOORE: However, doesn't our definition talk
9 about a permanent foundation?

10 CHAIRPERSON SHEEHAN: Um-hmm.

11 MS. MOORE: And in that instance, you said it
12 could be on a permanent foundation. So --

13 MS. PARK: We have found that some districts will
14 put a portable on a permanent foundation.

15 MS. SPEAKER: And that's what the AG is
16 prohibiting.

17 MS. MOORE: But then isn't that a prohibited
18 piggyback because it's on a permanent foundation?

19 MS. PARK: I do not believe that that is the case.
20 I mean these buildings are being transported and brought to
21 the site basically complete with the exception of being
22 placed on a foundation.

23 MS. MOORE: So the foundation --

24 MS. PARK: And the modular comes in pieces, single
25 walls. They have to be put together on site and -- and so

1 that type of construction is different than a relocatable.

2 MS. MOORE: So it can be located on a permanent
3 foundation and perhaps that's where clarity needs to --

4 ASSEMBLY MEMBER DAUCHER: I have a question.

5 MS. MOORE: -- to be because I think it states --

6 MS. PARK: In here on the bottom of page 224, the
7 opinion does not address portable or relocatable classroom as
8 defined in the Education Code Section 17070.15(j), which
9 typically -- the word typically -- are factory built as two
10 complete building modules that are simply connected on site
11 and placed on a temporary foundation.

12 There are times that they are placed on permanent
13 foundation, but they come in in two pieces.

14 And, Garry, do you want to read that -- do you
15 have that section with you?

16 MR. NESS: Find it right now.

17 CHAIRPERSON SHEEHAN: Okay. Ms. Daucher, did you
18 have a question?

19 ASSEMBLY MEMBER DAUCHER: I just want to follow up
20 with what you said.

21 MR. BUCKLEY: Yes, ma'am.

22 ASSEMBLY MEMBER DAUCHER: You didn't think you
23 were talking about relocatables based on what you provide,
24 but based on that definition, you could -- is what you're
25 saying you could set them up that way and bring them in two

1 pieces and then they're now instantly poof.

2 MR. BUCKLEY: Yes, ma'am. All of ours are built
3 in that manner. We do not build on site. We do not assemble
4 on site. Nothing -- when our units go out to site, they are
5 typically 80 to 90 percent complete. The only thing that's
6 necessary on site is to seal the modular line where the units
7 are brought together, to complete the cross-connects, and to
8 seal the roof.

9 Sometimes there's some stucco work that's done,
10 but we don't do that. We let the local contractors do
11 that -- general contractors or people of that nature. The
12 only thing that we really concentrate on is those modular
13 units.

14 ASSEMBLY MEMBER DAUCHER: So does that change -- I
15 guess I'd ask Mr. Ness if that changed the definition.

16 MR. NESS: We have a definition in the school
17 facilities program that defines what a portable classroom is.
18 It means a classroom building of one or more stories that is
19 designed and constructed to be relocatable and transportable
20 over public streets and with respect to a single-story
21 portable classroom, is designed and constructed for
22 relocation without the separation of the roof or floor from
23 the building when measured at the most exterior walls has a
24 floor area not to exceed -- not in excess of 2,000 square
25 feet.

1 ASSEMBLY MEMBER DAUCHER: Does that -- just as
2 follow-up. Does that -- your units would fit that
3 description or they could?

4 MR. BUCKLEY: Well, it depends on what size unit
5 you're looking at. This project for Vista is a project that
6 we bid. And we say bid because the school district's --
7 there's many, many modular manufacturers in the state.

8 All of those modular manufacturers -- the majority
9 of them have gone out and received a contract with a school
10 district that is then piggybackable. So when a school
11 district comes to us for a job, they are also going to each
12 of those other manufacturers and in essence they're holding a
13 public bid on top of a public bid.

14 So when they come to us, it's already been bid
15 once and then it's in essence being bid a second time,
16 although it's not a formal public bid.

17 The issue with the Vista project is that it's a
18 large project with multiple school pods where there's four or
19 five classrooms per pod, and for those pods, we are
20 connecting --

21 ASSEMBLY MEMBER DAUCHER: So does it fit the
22 definition --

23 MR. BUCKLEY: -- units. I don't know.

24 MS. PARK: I don't think so.

25 MS. MORGAN: To amend our answer earlier, the

1 definition as Garry read into the record would need to be met
2 in order to be exempt from this opinion. If it does not --

3 CHAIRPERSON SHEEHAN: Relocatable --

4 MS. MORGAN: -- meet the definition, then it would
5 not -- then it would be subject to the AG opinion.

6 CHAIRPERSON SHEEHAN: Ms. Goldberg, did you have a
7 question?

8 ASSEMBLY MEMBER GOLDBERG: Actually no, just a
9 comment. I think at some point it isn't just a matter of
10 whether it's 1, 2, 50, or 100. One or two or three or four
11 is not a whole school without a bid. I mean that's the
12 difference. We're talking about building a whole school
13 unbid.

14 MS. PARK: Yeah.

15 ASSEMBLY MEMBER GOLDBERG: That's a big
16 difference. That's \$11 million versus a few hundred thousand
17 dollars.

18 The reason we want people to bid is so that we can
19 guarantee the public that their tax dollars are going to the
20 lowest bidder and it isn't negotiating. These are sealed
21 bids in which everybody knows what the specifications are and
22 you're trying to bid the contract so you're going to try to
23 get the cost down. That's why we ask there to be bids.

24 I'm sorry that this interfering with some folks.
25 I'm fighting for higher grants. That's how I think we solve

1 this. It is not to try to say that a whole school is the
2 same as a few portables being put on because the public's
3 going to look at us and say are you guys nuts.

4 You just built a school without a bid.

5 MS. PARK: Some of these schools are complete
6 schools with core facilities built in this manner.

7 MS. GIRARD: Can I just interject here?

8 CHAIRPERSON SHEEHAN: Yeah, oh. Ms. Girard.

9 MS. GIRARD: I never -- you brought up -- you had
10 mentioned that some schools don't have the ability or the
11 staff to --

12 MR. BUCKLEY: Currently the --

13 MS. GIRARD: -- put together a proposal and get it
14 out. Okay. And you're telling me they don't have
15 construction management companies that work in their behalf
16 because that's part of the cost of construction is
17 construction management company --

18 MR. BUCKLEY: Sure.

19 MS. GIRARD: -- that puts the bid out. So who are
20 they using?

21 MR. BUCKLEY: I don't know.

22 MS. GIRARD: Because I cannot believe that the
23 school district is running a construction job on themselves
24 so there's -- somebody's running this project. It will be
25 the -- the first person you bring onboard is the construction

1 management that works on your behalf as the school district
2 or whoever's building the school.

3 That is the person who handles the project, gets
4 the bids out, and takes care of it. Cost of construction.

5 MR. BUCKLEY: You may want to ask some of the
6 school district --

7 MS. GIRARD: Well, now you brought the project --
8 you brought it forward, so I'm asking you.

9 MR. BUCKLEY: Yes, ma'am. Typically we do not
10 deal with construction management firms on a case-by-case
11 basis. On the larger schools, we do. On the smaller
12 schools, we do not. So it depends on the size of the project
13 and it depends on the school district in question.

14 I heard a lot of noise back here. I'm sure
15 there's people with opinions about this. I don't have the
16 overall answer for each school district, but what I do know
17 is that there are school districts that are now purchasing
18 from us the two-unit, fully-portable schools and they're
19 doing it because they have no other way to get schools by
20 September.

21 And so what you're doing in effect by not
22 extending this piggyback out but by forcing action now is
23 causing schools to go out and purchase additional portable
24 units that are just going to be there four or five years from
25 now and need to be replaced with permanent again.

1 So you're extending a problem that already exists
2 in that there's a ton of portables out there that we might
3 have to dispose of. And this is going to come right back for
4 those schools that need space for September and cause another
5 problem.

6 CHAIRPERSON SHEEHAN: All right. Any further
7 questions? Thank you for your comments.

8 MR. BUCKLEY: Thank you.

9 CHAIRPERSON SHEEHAN: Is there anyone else who
10 would like to address the Board on this? Did you want to --

11 MR. HANSEN: Just a brief statement. Jay Hansen
12 with the State Building Construction Trade Council. We
13 thought that the Attorney General's opinion was quite clear
14 and I think that the Board took a courageous action at the
15 last meeting and by giving an extension, all that's going to
16 do is continue to put school districts in jeopardy. If
17 they've received faulty legal advice that told them that
18 piggyback contracting was okay to do, now that's between them
19 and their law firms.

20 They should follow the law. It's affecting a very
21 small amount of school districts. The vast majority of
22 school districts are doing things properly.

23 You know, our organization is advocating put it
24 out to bid. That's all we're asking for. It doesn't prevent
25 someone from using modular facilities, but it prevents

1 problems from happening when things don't go out to public
2 bid.

3 There was a company that went under called Turnkey
4 Construction that some of you might be familiar with earlier
5 this year -- or last year. They wasted millions and millions
6 and millions of dollars of taxpayer dollars because probably
7 part of it was they failed to put these projects out to bid
8 and it was a company that was not financially solvent.

9 And they left school districts holding the bag and
10 the school districts probably came here asking for you to get
11 extra money to pay for portable or modular facilities that
12 were never constructed.

13 And by letting these kind of companies continue to
14 do it, you know, sure, they've got a financial interest in
15 it. That's why they're asking for an extension.

16 You know, but you have a responsibility to the
17 taxpayers that you step forward on and took that action last
18 month. And we'd ask you to keep to that commitment and let's
19 just do things the right way.

20 All we're asking is for a modular facility be put
21 out to bid and I think the Attorney General's opinion was
22 very clear and school districts that want to continue to do
23 that same thing of putting themselves in legal jeopardy from
24 folks from who'd like to see things go out to public bid.

25 So I think the action that was taken last month

1 was the appropriate one and we'd like to ask that the Board
2 just stand by that. Thank you.

3 CHAIRPERSON SHEEHAN: Thank you, Mr. Hansen. Any
4 questions? Any other comments from Board members?

5 MS. MOORE: Anne, I just have a final comment.

6 CHAIRPERSON SHEEHAN: Sure.

7 MS. MOORE: I agree that the Attorney General has
8 provided their opinion. However, I'm still not clear as a
9 Board member what constitutes the type of portable or
10 relocatable or modular building that is considered in the
11 Attorney General's opinion and that is considered outside the
12 Attorney General's opinion.

13 And if it is that it's a permanent foundation that
14 is part of the definition, and yet I heard that it could --
15 the type of building could be on a permanent foundation. So
16 is there need for clarity or do you --

17 MS. PARK: I think the law is clear on what a
18 relocatable is.

19 MS. MOORE: And so the foundation doesn't matter.

20 MS. PARK: I do not believe that that is the big
21 issue here.

22 MS. MOORE: Okay.

23 MS. PARK: It's that definition that Garry read.
24 The fact is that the relocatable has to be able to move again
25 and even if you put it on a permanent foundation does not

1 mean that that building can't be moved again. And size.

2 MS. MOORE: And the definition that is referenced
3 here does not talk about a foundation.

4 MS. PARK: I do not believe that it was specific
5 to the foundation in the law, Garry?

6 CHAIRPERSON SHEEHAN: I don't recall that. He's
7 going to look that up and then we'll see. The classrooms
8 were small.

9 MR. NESS: The definition contained in the school
10 facilities program of what a portable classroom does not
11 address a foundation.

12 MS. MOORE: Okay. Good. Thank you.

13 CHAIRPERSON SHEEHAN: Okay. Did you have
14 something else you wanted to add? Okay. This is an action
15 item? All right. So is there a motion?

16 SENATOR LOWENTHAL: I so move to accept the
17 Attorney General Office's opinion and direct staff to provide
18 additional notices to ensure that school districts are aware
19 that all contracts for permanent modular construction signed
20 after January 25th, 2006, must be competitively bid in order
21 to receive funding consideration by the Board.

22 CHAIRPERSON SHEEHAN: Which is the staff's
23 recommendation. Is there a second on that motion?

24 A second. One question that I would have is that
25 the staff is, in response to Mr. Duffy's concern in terms of

1 any further clarification, as you get questions to be able to
2 post that information to people so that we can get as much
3 information out there so that people are not inadvertently
4 making --

5 MS. PARK: We have had some questions and we have
6 responded to those --

7 CHAIRPERSON SHEEHAN: Okay.

8 MS. PARK: -- as they've come in. And we've also
9 tried to put further clarification on our Web site.

10 CHAIRPERSON SHEEHAN: Yeah. It may be helpful to
11 put -- you know, FAQs or some sort of question and answer on
12 the Web site to clarify for some of the districts who may
13 have questions about this, you know, like the questions
14 Ms. Moore had and what are the definitions. It could be
15 helpful.

16 MS. PARK: Most of them that -- you know, they --
17 when they've described their facilities, they have been
18 relocatable.

19 CHAIRPERSON SHEEHAN: Okay. Okay. So we have a
20 motion and a second to accept the staff recommendations. All
21 those in favor say aye.

22 (Ayes)

23 CHAIRPERSON SHEEHAN: Any opposed? Any
24 abstentions? That motion carries. All right. The final --

25 MS. PARK: The next item on Table 14, page 236,

APPEALS

Received as of January 31, 2021

<u>Appeal Received Date</u>	<u>District/County</u>	<u>Tentative SAB Date*</u>	<u>Description</u>
10/17/2017	San Bernardino City USD/San Bernardino	TBD	District requests OPSC to accept \$870,618 in expenditures for three SFP modernization projects.
6/13/2018	Inglewood Unified SD- Today's Fresh Start Charter/Los Angeles	3/2022	District requests allowance for expenditures deemed ineligible in audit findings.
11/17/2020	Eastside Union SD/Los Angeles	TBD	District requests to retain savings plus interest from a Financial Hardship new construction project.
12/18/2020	Santa Cruz County Office of Education/Santa Cruz	TBD	County Office of Education disagrees with audit findings that the cost associated with construction insurance is an ineligible expenditure.
8/25/2021	San Jacinto USD/Riverside	TBD	District requests a change in scope approval for a new construction project. The change involves constructing a two-story modular building instead of constructing a permanent building.
12/3/2021	Weed Union Elementary SD/Siskiyou	3/2022	District requests expedited apportionment outside of the priority funding process for all Design Only and Full Funding grants associated with Weed Elementary School.
1/18/2022	Los Angeles Unified SD/ Los Angeles	4/2022	District requests to retain excess funding received during the conversion of the project from a Lease-Purchase Program project to a School Facility Program project.

*Please note: Tentative SAB Date is not a guaranteed meeting date and may be subject to change.

STATE ALLOCATION BOARD MEETING DATES

The State Allocation Board (SAB) meeting dates for the 2022 calendar year are as follows:

Board Date	Type of Meeting
March 23, 2022*	Monthly (Consent/Appeals/Action)
April 27, 2022*	Monthly (Consent/Appeals/Action)
May 25, 2022*	Monthly (Consent/Appeals/Action)
June 22, 2022*	Monthly (Consent/Appeals/Action)
July 27, 2022*	Monthly (Consent/Appeals/Action)
August 24, 2022*	Monthly (Consent/Appeals/Action)
September 22, 2022*	Monthly (Consent/Appeals/Action)
October 26, 2022*	Monthly (Consent/Appeals/Action)
December 2022*	Monthly (Consent/Appeals/Action)

*The projected dates and time will be determined upon the discussion with the Vice-Chair and Chair based on workload.

The SAB meets in different rooms within the State Capitol at 4:00 p.m. when the State Legislature is in session and at 2:00 p.m. when the State Legislature is out on recess. Due to scheduling changes within the Legislature, some of the SAB meetings may be canceled or changed with short notice.

INFORMATION ITEM

SCHOOL FACILITY PROGRAM NEW CONSTRUCTION AND MODERNIZATION UNFUNDED LIST (as of January 26, 2022)

The New Construction and Modernization projects on this list have received an “unfunded” approval by the State Allocation Board (SAB). Note that an “unfunded” approval does not guarantee a future apportionment by the SAB.

Published monthly in the SAB Agenda.

This report is also located on the [OPSC Website](#)

INFORMATION ITEM

SCHOOL FACILITY PROGRAM OFFICE OF PUBLIC SCHOOL CONSTRUCTION FUNDING WORKLOAD LISTING (Applications Received Through January 31, 2022)

The New Construction and Modernization projects on this list represent completed applications awaiting the Office of Public School Construction (OPSC) processing and scheduling to the State Allocation Board.

This list includes future workload that is identified as:

- Pending reflects workload that has been processed by OPSC but awaiting further information/documentation from the district.
- Reviewing reflects currently being processed by OPSC.

Pursuant to SFP Regulation Section 1859.95.1, this list also includes applications that were received, but not reviewed by OPSC. This list is presented to the State Allocation Board for acknowledgement.

This list is also available on the [OPSC Website](#) and is updated on the first and third Fridays of each month.

Total of Estimated State Grant and State Loan	\$ 118,889,253.00

(a) Represents the requested state share of the project. Amounts shown have not been reviewed by OPSC for compliance with all Career Technical Education Facilities Program requirements.

(b) Represents the requested loan amount. Amounts shown have not been reviewed by OPSC for compliance with all Career Technical Education Facilities Program requirements.

*These applications exceed the available bond authority as of the date of this report. Placement on this list does not provide a future guarantee of funding.

**Final funding order for tied applications to be determined at a later date should bond authority become available.

School Facility Program Applications within Bond Authority*
- in millions of dollars, as of January 31, 2022 -

*The projects on this report only represents completed applications that are awaiting Office of Public School Construction (OPSC) processing and scheduling to the State Allocation Board. It does not reflect the OPSC's complete workload or guarantee the project is within available bond authority.

** Includes Facility Hardship Non-Seismic applications.

This list includes future workload that is identified as:

- Pending reflects workload that has been processed by OPSC but awaiting further information/documentation from the district.
- Reviewing reflects currently being processed by OPSC.

SCHOOL DISTRICT EXTENSION REQUESTS

DENIED EXTENSION REQUESTS

Denied Extension Requests	
Alpaugh Unified	The District requested a time extension to submit the final Expenditure Report to OPSC. The delay was due to staff turnover and not COVID-19 related; OPSC worked with District through the regular time extension request process.
Anaheim Union High	The District did not hire a cost estimator until after receiving the 15-day letter request from OPSC. A detail cost estimate is part of a complete application acceptance.
Glenn County Office of Education	District applied for funding in the sixth round of CTE funding. The architect's cost estimate included lump sums. The 15-Day letter sent July 3, 2020 requested them to be broken out. The extension request to November 2nd was well after the anticipated September 2020 funding round.
Greenfield Union Elementary	Change of scope requested for a Full-Day Kindergarten project. A two-year extension was requested. Request was denied because it was the subject of an appeal that OPSC could not administratively approve.
Hilmar Unified	The project was delayed due to the District and its advisory committee requesting a change the of scope to the project as a result of additional local funds being available. The project was approved by the State Allocation Board in May 2019, well before the start of the COVID-19 pandemic.
Hollister	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.
Island Union Elementary	This project was apportioned in October 2018 for Advanced Design. The District had one year to obtain DSA approval of plans. At the time of the extension request, the District still had three months to obtain DSA approval.
Lagunita Elementary	The project was funded in November 2018 and requested a Substantial Progress extension. The request was denied because the reason for the delay is a local funding/priorities issue. The District can also already request a Substantial Progress deadline extension under "other evidence" if needed.
Moreno Valley Unified	The District requested a time extension to decide how to respond to OPSC's 4-Day Letter for a CTE project. The District needed to determine how to address the need for an increase in the grant request after the application was scored by CDE. OPSC does not allow for cost increases beyond those already reviewed by CDE.
Oakland Unified	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.

Ripon Unified	District staff is currently focused on implementing Covid 19 protocols addressing the full time return of students to all campuses. Time resources of Staff were limited at the time due to the Covid 19 response referenced above. OPSC provided additional time through the normal extension process. District staff will need a few additional days to respond to the 15 day letter.
San Bernardino City Unified	The District was only one year into project construction. The District requested a 5th year to complete project (3 years in advance of deadline). Denied at this time; the request is premature.
Santa Ana Unified	The project was awarded an unfunded approval in May 2019. The District did not participate in the Priority Funding (PF) Process in Fall 2019 and incurred one non-participation occurrence. The District then participated in the PF process in Fall PF 2019 and was apportioned at the May 2020 SAB. Plans should have been well underway for design prior to COVID-19 pandemic. At the time of the request, the District still had 11 months to design and obtain approval from DSA.
Vacaville Unified	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.

INFORMATION ITEM

SCHOOL FACILITY PROGRAM APPLICATIONS RECEIVED BEYOND BOND AUTHORITY LIST (as of January 31, 2022)

The applications on this list represent School Facility Program (SFP) New Construction and Modernization projects in date order received that were received on or after September 13, 2018 through January 31, 2022. These applications have been received, but not reviewed, by the Office of Public School Construction (OPSC). This list is presented to the State Allocation Board for acknowledgement, but not approval pursuant to SFP Regulation Section 1859.95.1.

Published monthly in the SAB Agenda.

This report is also on the [OPSC Website](http://www.dgs.ca.gov/opsc) at:
www.dgs.ca.gov/opsc

*These projects have received approvals for design funding which are included in the Estimated State Grant amount.

**These projects have received conceptual approval from the State Allocation Board. Districts are no longer subject to a timeline to submit a funding request corresponding to these projects, however conceptual approval does not reserve Bond Authority.

Section 1859.81. Financial Hardship.

Except for Joint-Use Projects and Career Technical Education Facilities Projects, a district is eligible for financial hardship to fund all or a portion of its matching share requirement after demonstrating the requirements of (a), (c), and (d) below:

(a) The district is financially unable to provide all necessary matching funds for an eligible project. To determine this, an analysis shall be made of the district's financial records by the OPSC including data and records maintained by the CDE and the County Office of Education. The analysis shall consist of a review of the district's latest Independent Audit regarding funds available from all capital facility accounts, including, but not limited to, developer fees, funds generated from capital facility certificates of participation, federal grants, redevelopment funds, sale proceeds from surplus property, the appraised value of facilities approved for replacement pursuant to Section 1859.82, bond funds either encumbered, unencumbered or authorized but unsold, and savings from other SFP projects. All funds thus identified that have not been expended or encumbered by a contractual agreement for a specific capital outlay purpose prior to the initial request for financial hardship status shall be deemed available as a matching contribution.

After the initial request for financial hardship status is granted, no further encumbrances will be approved by the OPSC and all prospective revenue made available to the district's capital facility accounts shall be deemed available as matching contribution on the subsequent financial hardship review, with the exception of:

- (1) Approved interim housing expenditures.
- (2) Funding to pay for previously recognized multi-year encumbrances approved at the initial financial hardship approval.
- (3) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Federal Renovation Program when the amount expended out of that fund does not exceed the maximum Federal Renovation Grant amount.
- (4) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the School Facilities Needs Assessment Grant Program or Emergency Repair Program when the amount expended out of that fund does not exceed the maximum grant amount apportioned.
- (5) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Career Technical Education Facilities Program when the amount expended out of that fund does not exceed the applicant's share of the maximum grant amount apportioned.
- (6) Funding that is transferred into a Special Reserve Fund and used for the express purpose of the Overcrowding Relief Grant when the amount expended out of that fund does not exceed the amount of the site acquisition and design costs of the project and the district has submitted an approved Form SAB 50-11.
- (7) Funding that is used for the express purpose of reimbursing the State a proportionate share of financial hardship received when there has been a transfer of a special education program and title to the facility. In addition, the funding was used within five years of the title transfer.
- (8) Funding to pay for obtaining a structural report pursuant to Section 1859.82.2 for an approvable and funded seismic mitigation project.
- (9) All other capital facility funding for a period of three years when no subsequent financial hardship request is made during this period, with the exception of the funding identified in (6). The three-year period begins with the date of the most recent financial hardship new construction or modernization adjusted grant funding apportionment.

When Overcrowding Relief Grant funding is set aside pursuant to (6) and the School District has not submitted, or the OPSC has not accepted, a Form SAB 50-04 for an Overcrowding Relief Grant within three years from the date of deposit into the Special Reserve Fund, or the School District has not met the requirements in Sections 1859.90 or 1859.105, remaining funds plus interest accrued at the Pooled Money Investment Board rate at that time period shall be deemed available as matching contribution on a subsequent financial hardship project or be captured through an audit adjustment pursuant to Section 1859.106.

The financial hardship analysis is subject to approval by the Board.

(b) From the funds deemed available as a matching contribution, the district may retain \$19,776 per classroom in each enrollment reporting period for the cost to provide interim housing for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing for the currently unhoused pupils shall be the sum of the positive numbers determined in (b)(7) as follows:

(1) Determine the current enrollment of the district by grade level as shown on the latest Form SAB 50-01.

(2) Determine the New Construction Grants apportioned by grade level for all SFP projects and LPP funded under the provisions of Sections 1859.12 or 1859.13 where the district has submitted Form SAB 50-06 indicating that the project is 100 percent complete.

(3) Subtract (b)(2) from (b)(1).

(4) Determine the number of classrooms by grade level reported in Part 1, Line 8 on Form SAB 50-02.

(5) Multiply the classrooms determined in (b)(4) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe.

(6) Subtract the product determined in (b)(5) from the difference determined in (b)(3) by grade level.

(7) Divide the difference by grade level determined in (b)(6) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per portable toilet unit in each reporting period for the cost to provide necessary interim toilet facilities for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of toilet facilities needed for interim housing shall be the sum of the positive numbers determined in (b)(7) divided by eight rounded up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per classroom in each reporting period for the cost to provide necessary interim housing for the currently unhoused pupils displaced as a result of a SAB approved seismic mitigation project pursuant to Section 1859.82.2. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing shall be the quotient of the displaced pupils by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

If the district's available funds, as determined by the OPSC analysis less costs for interim housing, is less than its matching share, the district will be deemed to have met the requirements of this Subsection.

(c) The district has made all reasonable efforts to fund its matching share of the project by demonstrating it is levying the developer fee justified under law or an alternative revenue source equal to or greater than the developer fee otherwise justified under law at the time of request for hardship and the district meets at least one of the following:

(1) The current outstanding bonded indebtedness of the district issued for the purpose of constructing school facilities in accordance with Education Code Section 17072.35 or 17074.25 as appropriate, at the time of request for financial hardship status, is at least 60 percent of the district's total bonding capacity. Outstanding bonded indebtedness includes that part of general obligation bonds, Mello-Roos Bonds, School Facility Improvement District Bonds and certificates of participation which the district is paying a debt service that was issued for capital outlay school facility purposes.

(2) The district had a successful registered voter bond election for at least the maximum amount allowed under Proposition 39 within the previous two years from the date of request for financial hardship status. The proceeds from the bond election that represent the maximum amount allowed under the provisions of Proposition 39 must be used to fund the district's matching share requirement for SFP project(s).

(3) It is a County Superintendent of Schools.

(4) The district's total bonding capacity at the time of the request for financial hardship status is \$5 million or less.

(5) Other evidence of reasonable effort as approved by the SAB.

If the district's request for financial hardship status is denied by the Board, the district may be deemed eligible for rental payments of \$2,000 per year per classroom under the Emergency School Classroom Law of 1979 for a two year period when relocatable classroom buildings are available and the district provides financial documentation that it is unable to afford the full rental amount and any other information satisfactory to the Board that the rental reduction is necessary. The number of classrooms eligible for the \$2,000 rental payments shall be the sum of the numbers determined in (c)(5)(B) as follows:

(A) Determine the number of pupils by grade level that the district requested a New Construction Grant on the Form SAB 50-04 that were denied financial hardship status.

(B) Divide the number by grade level determined in (c)(5)(A) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

(d) The district has not signed a contract for acquisition or construction of classrooms that replace existing facility(ies), which were included in the determination of the district's new construction eligibility pursuant to Education Code Section 17071.75, in a locally funded project during the five-year period immediately preceding the district's application for financial hardship assistance. This restriction may be lifted if the Board finds that unforeseen and extenuating circumstances existed that required the district to use local funds to replace the facility(ies).

(e) If the district meets the financial hardship requirements in this Section, the amount of financial hardship is equal to the district's matching share less funds deemed available in (a).

(1) Once a district has been notified by OPSC that it meets the requirements of financial hardship in this Section, the district may file Form SAB 50-04 under the

provisions of financial hardship anytime within a period of 180 calendar days from the date of the OPSC notification.

(2) If the district does not submit Form SAB 50-04 under the provisions of financial hardship within 180 calendar days of the OPSC notification of approval of financial hardship status, the district must re-qualify for financial hardship status under the provisions of this Section by submittal of a new request for financial hardship status.

(3) If the project(s) has been included on an unfunded list for more than 180 calendar days, a review of the district's funds pursuant to (a) will be made to determine if additional district funds are available to fund the district's matching share of the project(s).

Financial hardship approval status by the OPSC for a separate design and/or site apportionment does not apply to any subsequent funding for the project(s).

(f) If the district submits Form SAB 50-04 within 180 calendar days of the OPSC notification of approval of financial hardship and the project(s) has been included on the "Unfunded List (Lack of AB 55 Loans)" for more than 180 calendar days as a result of the State of California's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans), the Board may suspend the unfunded review requirement as defined in Regulation Section 1859.81(e). Projects added to any other unfunded list shall be subject to the review detailed in Regulation Section 1859.81(e). Regulation Section 1859.81(f) shall become inoperative July 1, 2011.

(g) A project added to an unfunded list on or after July 1, 2011 will be subject to the review detailed in section (e)(3). For projects added to an unfunded list between February 25, 2009 and June 30, 2011, only the district's financial records on or after July 1, 2011 will be considered in calculating any adjustment to the district's matching share.

(h) On or after September 22, 2017, a district may submit a request for funding in advance of obtaining a determination of Financial Hardship.

(1) To be considered for Financial Hardship, the district must check the box on the Form SAB 50-04 requesting Financial Hardship pursuant to this subsection when submitting a request for funding.

(2) Prior to processing an application OPSC will notify the district in writing to submit the necessary documentation for a Financial Hardship analysis pursuant to (a), (b), (c) and (d). OPSC will not accept any documents for a Financial Hardship analysis in advance of the notification. Failure to submit the requested documentation within 60 calendar days of OPSC's notification will result in either a. or b.:

a. District may amend their Form SAB 50-04 to exclude the request for Financial Hardship determination.

b. OPSC will return the request for funding and related materials to the district.

(3) Upon notification of Financial Hardship approval, any Form SAB 50-04 processed within 180 calendar days of the approval date will be included in the approval.

(4) For any Form SAB 50-04 processed more than 180 calendar days after the date of the Financial Hardship approval the district shall re-qualify for Financial Hardship status.
