

STATE AGENCY WORKSHOP

PLANNING FOR AND ADDRESSING NATURAL DISASTERS

A SCHOOL FACILITIES PERSPECTIVE

As the state heads into peak wildfire season, the Governor's Office of Emergency Services (Cal OES), the California Department of Education (CDE), the Division of the State Architect (DSA), and the Office of Public School Construction (OPSC) are conducting a free workshop to provide information on planning for and addressing natural disasters to help Local Education Agencies (LEAs) plan their facility needs.

Topics include the following:

- Overview of each state agency's role in the pre-planning and recovery process.
- Top tips for steps LEAs can take to prepare for disasters.
- Tips and guidance from each agency on how to successfully navigate the respective program(s).
- Overview of the California State Emergency Management Systems.
- Panel discussion with an LEA that has experienced a major natural disaster.
- Key contact information for each agency.

This workshop will include a presentation, a panel discussion, and a question & answer session.

Individuals who need auxiliary aids for effective participation are invited to make their requests and preferences known to Ms. Lisa Jones at (279) 946-8459 seven business days prior to the meeting.
