The second filing round for the expanded California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program opened February 1, 2023 and will close March 2, 2023. OPSC received three applications from one school district requesting an estimated \$7.5 million as of February 6, 2023. Staff from both agencies were available to provide assistance in all areas of the plan review and approval process, funding application and approval process, and construction and funding closeout process that is required for state-funded programs. Twelve participants joined in the inaugural session! Future dates will be announced in the coming weeks.

EXECUTIVE OFFICER'S STATEMENT (cont.)

OPSC Online Project Tracking System

OPSC released a “beta” version of the new Project Tracking System in the [OPSC Online](#) environment. The updated Project Tracking System provides a simpler “fuzzy logic” search functionality than the original system created over 20 years ago.

For maximum transparency of state funding allocations, the system may be accessed from the [OPSC Online login screen](#); however, users are not required to have an OPSC Online login. Users may click on Project Reporting in the application header to access the database.

The new Project Reporting functionality includes the following features:

- “Fuzzy Logic” search functionality - Allows users to enter partial and/or combined search criteria to locate applications for school district projects.
- Includes information on Lease-Purchase Program, School Facility Program, and California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program projects.
- Project specific funding application information, including key application details used to determine the project funding eligibility.
- Project fund release information, including State Controller’s Office’s warrant release information.
- Project Budget Summary – Provides an itemized summary of all grants provided for a project, including funding sources.
- Transaction History – Lists every State Allocation Board approval for a project, all OPSC accounting activities such as fund release approvals, and State Controller’s Office’s warrant release dates.
- Claim Schedule/Voucher ID Search Functionality – Used by local county treasurers to deposit released funds into the correct school district’s accounts.
- View New Construction and Modernization established and remaining eligibility baselines, including all SAB approved adjustments.

The “beta” version is currently in a near final development stage. Feedback may be provided to OPSCCommunications@dgs.ca.gov.

Next SAB Meeting

The SAB and stakeholders were reminded that the next SAB meeting would be Wednesday, March 22, 2023 at 10:00 a.m. The meeting will be conducted by way of Zoom meeting and teleconference. Senate Bill 189 (Chapter 48, Statutes of 2022) permits the SAB to resume meetings remotely through June 30, 2023.

RECENT FILING ROUND FOR THE CALIFORNIA PRESCHOOL, TRANSITIONAL KINDERGARTEN AND FULL-DAY KINDERGARTEN FACILITIES GRANT PROGRAM

The second filing round for the expanded California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program occurred from February 1, 2023 through March 2, 2023. As of March 14, 2023, OPSC has received a total of 446 applications from 208 applicants requesting an estimated \$1.48 billion.

SPRING BOND SALE PROCEEDS

The State Treasurer's Office held a General Obligation Bond Sale this month. From the proceeds of this sale, OPSC plans to continue the existing process of providing Direct Apportionments, as well as address any remaining Priority Funding Apportionment Requests. Priority Funding Apportionments will be brought to the April meeting. Once the General Obligation Bonds proceeds are exhausted, OPSC will resume the distribution of General Fund proceeds via Direct Apportionments. This will maximize the usage of all available cash proceeds for the program.

JOINT AGENCY VIRTUAL OFFICE HOURS

OPSC, the California Department of Education (CDE), and the Division of the State Architect (DSA) hosted the second monthly virtual office hours session on Friday, March 17, 2023 from 11:00 a.m. to 12:00 p.m., no appointments were necessary. Staff from all three agencies were available to provide assistance in all areas of the plan review and approval process, funding application and approval process, and construction and funding closeout process that is required for state-funded programs.

Future dates will be announced in the coming weeks.

NEXT MEETING

As a result of Senate Bill 189 (Chapter 48, Statutes of 2022), the Board is permitted to hold meetings remotely via Zoom and teleconference through June 30, 2023.

The next meeting is scheduled for Wednesday, April 26, 2023 at 4 p.m. by way of Zoom meeting and teleconference.

State of California
State Allocation Board
School Facility Program

This Resolution of the State Allocation Board (hereafter referred to as the "Board") is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on March 22, 2023.

WHEREAS, the Board has previously approved or determined to be approvable a number of projects for construction or modernization eligibility of facilities for school districts and is making apportionments and/or unfunded approvals for the grant amounts for projects that meet the Board's criteria for the apportionment of grants pursuant to Education Code Sections 17072.10, 17078.52, 17078.70, 17079 or 17074.10 or Board Regulations 1859.81.1 or 1859.83;

WHEREAS, Treasury Regulations Section 1.150-2 require the State (on whose behalf the Board is acting) to declare its reasonable intent to provide grant funding to school districts, in accordance with Board policy and law, for costs of the projects with proceeds of State bonds;

NOW THEREFORE, BE IT RESOLVED:

1. This Resolution is adopted by the Board for the purposes of establishing compliance with Treasury Regulations Section 1.150-2, and this Resolution does not bind the Board to make any additional apportionment, or bind the State to incur any indebtedness.
2. The Board anticipates that some or all of the school districts listed on the list of "Projects" referred to in this Resolution will pay certain capital expenditures in connection with some or all of the project costs prior to the issuance of bonds by the State to pay for the grants for the projects. The reimbursement of such costs is consistent with the State's budgetary and financial circumstances, and in accordance with Board policy, as no other funds or accounts of the State have been budgeted or are available to pay the costs of the projects on either a short-term or a long-term basis.
3. The Board, acting on behalf of the State, hereby declares that it is the State's official intent to use proceeds of general obligation bonds and/or General Fund proceeds that may become available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants in accordance with applicable laws and regulations.
4. This Resolution shall be continuously available for inspection by the general public during normal business hours at the offices of the Board at 707 3rd Street, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.
5. Any eligibility determination does not constitute a commitment of future funding by the Board.

I, the undersigned, duly authorized as the Executive Officer of the State Allocation Board, do hereby certify the foregoing to be true and correct, and that this Resolution was adopted at a meeting of said Board on March 22, 2023 at West Sacramento, California.

SCHOOL FACILITY PROGRAM APPORTIONMENTS

PURPOSE OF REPORT

To present to the State Allocation Board (Board) a list of School Facility Program (SFP) applications for Apportionment.

DESCRIPTION

On September 21, 2022, the Board took action, due to the availability of General Fund proceeds, to return to making direct Apportionments while keeping the same benefits of the quick distribution of funds, as the priority funding system, by adopting proposed emergency regulations that revised the fund release deadlines from 18 months to either 180 calendar days for non-financial hardship school districts or 365 calendar days for school districts that qualify for financial hardship. The SFP new construction and modernization projects presented on the Attachment are in date order of a complete application being received by the Office of Public School Construction (OPSC) and are Ready for Apportionment. The list also includes health and safety facility hardship applications for funding that have been processed and are ready for approval regardless of received date.

AUTHORITY

SFP Regulation Section 1859.90 states:

“(a) With the exception of an apportionment made pursuant to Sections 1859.81.1(e) or 1859.81.2, apportionments provided through the Priority Funding Process and subject to 1859.90.2, or of an Inactive Apportionment subject to Section 1859.96, the OPSC will release State funds that the Board has apportioned to the district after submittal, by the district, of the Form SAB 50-05 and a Grant Agreement, pursuant to Section 1859.90.4.

(b) With the exception of an apportionment made for a Type II Joint-Use Project, not part of a qualifying SFP Modernization project, pursuant to Article 12 of these Regulations, a district must submit the Form SAB 50-05 and Grant Agreement, within 180 calendar days of the Apportionment of the SFP grant for the project or within 365 calendar days for Apportionments that include financial hardship assistance. If the district does not submit the Form SAB 50-05 and Grant Agreement within the above specified time, the entire New Construction Adjusted Grant, or Modernization Adjusted Grant or Type I or II, part of a qualifying SFP Modernization, or Joint-Use Project apportionment shall be rescinded without further Board action, and the pupils housed in the project, if applicable, will be

added back to the district's baseline eligibility. The district may refile a new application for the project subject to district eligibility and available State funds at the time of resubmittal.

....“

BACKGROUND

As part of the Governor's approved Budget Act for the 2022-2023 fiscal year, one-time General Fund dollars were appropriated to the Board in the amount of \$1.3 billion for new construction and modernization projects under the SFP. As a result of receiving funding for the SFP that is not contingent on bond sales, the Board was able to return to using an existing regulatory process that allows for Apportionments to be made on a flow basis outside the current Priority Funding process, which is designed to accommodate twice yearly bond sales. Making Apportionments on a flow basis will enable school districts to more quickly and efficiently access much needed cash for construction projects. In order to ensure that cash moves quickly once allocated to school districts, regulations were changed to shorten the deadlines for fund release from 18 months to either 180 calendar days or 365 calendar days for districts that qualify for financial hardship.

School districts must submit the Grant Agreement and a valid *Fund Release Authorization* (Form SAB 50-05) 180 calendar days from Board approval for non-financial hardship projects and 365 calendar days from Board approval for financial hardship projects.

RECOMMENDATIONS

1. Approve the SFP applications as presented on the Attachment.
2. Specify that the projects are subject to the fund release deadlines as outlined in SFP Regulation Section 1859.90.

SCHOOL FACILITY PROGRAM UNFUNDED APPROVALS

(Lack of AB 55 Loans)

PURPOSE OF REPORT

To present to the State Allocation Board (Board) a list of School Facility Program (SFP) applications for unfunded approval.

DESCRIPTION

At the February 2022 Board meeting, the Board elected to provide an increase adjustment of 15.80 percent to SFP projects for calendar year 2022. The projects listed on the Attachment reflect the Board's action of the adoption of the 15.80 percent increase based on the RS Means Construction Cost Index. In addition, the project applications represent SFP New Construction, Modernization, Charter School and Overcrowding Relief Grant projects in date order of a complete application being received by the Office of Public School Construction (OPSC).

AUTHORITY

SFP Regulation Section 1859.2 defines an Unfunded List (Lack of AB 55 Loans) as an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008.

SFP Regulation Section 1859.95 states:

"When the Board has no funds to apportion ..., the Board will also accept and process applications for apportionment for purposes of developing an Unfunded List based on the date the application is ready for Apportionment, with the exception of New Construction funding applications that utilize eligibility generated by the Alternative Enrollment Projection.

An application for funding included on an Unfunded List is eligible for reimbursement subject to adjustments in the New Construction Grants amount pursuant to Section 1859.77."

BACKGROUND

At the March 11, 2009 SAB meeting, the Board requested that Staff continue to process applications to the Board for unfunded approval, up to the bonding authority. The Attachment reflects applications being presented for unfunded approval, including SFP modernization and new construction projects in date order of a complete application being received by the OPSC. The list also includes health and safety facility hardship applications for funding that have been processed and are ready for approval regardless of received date. The unfunded approval of the applications as reflected on the Attachment does not constitute a guarantee of future funding.

RECOMMENDATIONS

1. Approve the SFP applications as presented on the Attachment.
2. Provide that these unfunded approvals do not constitute a guarantee of future funding.

Section 1859.81. Financial Hardship.

Except for Joint-Use Projects and Career Technical Education Facilities Projects, a district is eligible for financial hardship to fund all or a portion of its matching share requirement after demonstrating the requirements of (a), (c), and (d) below:

(a) The district is financially unable to provide all necessary matching funds for an eligible project. To determine this, an analysis shall be made of the district's financial records by the OPSC including data and records maintained by the CDE and the County Office of Education. The analysis shall consist of a review of the district's latest Independent Audit regarding funds available from all capital facility accounts, including, but not limited to, developer fees, funds generated from capital facility certificates of participation, federal grants, redevelopment funds, sale proceeds from surplus property, the appraised value of facilities approved for replacement pursuant to Section 1859.82, bond funds either encumbered, unencumbered or authorized but unsold, and savings from other SFP projects. All funds thus identified that have not been expended or encumbered by a contractual agreement for a specific capital outlay purpose prior to the initial request for financial hardship status shall be deemed available as a matching contribution.

After the initial request for financial hardship status is granted, no further encumbrances will be approved by the OPSC and all prospective revenue made available to the district's capital facility accounts shall be deemed available as matching contribution on the subsequent financial hardship review, with the exception of:

- (1) Approved interim housing expenditures.
- (2) Funding to pay for previously recognized multi-year encumbrances approved at the initial financial hardship approval.
- (3) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Federal Renovation Program when the amount expended out of that fund does not exceed the maximum Federal Renovation Grant amount.
- (4) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the School Facilities Needs Assessment Grant Program or Emergency Repair Program when the amount expended out of that fund does not exceed the maximum grant amount apportioned.
- (5) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Career Technical Education Facilities Program when the amount expended out of that fund does not exceed the applicant's share of the maximum grant amount apportioned.
- (6) Funding that is transferred into a Special Reserve Fund and used for the express purpose of the Overcrowding Relief Grant when the amount expended out of that fund does not exceed the amount of the site acquisition and design costs of the project and the district has submitted an approved Form SAB 50-11.
- (7) Funding that is used for the express purpose of reimbursing the State a proportionate share of financial hardship received when there has been a transfer of a special education program and title to the facility. In addition, the funding was used within five years of the title transfer.
- (8) Funding to pay for obtaining a structural report pursuant to Section 1859.82.2 for an approvable and funded seismic mitigation project.
- (9) All other capital facility funding for a period of three years when no subsequent financial hardship request is made during this period, with the exception of the funding identified in (6). The three-year period begins with the date of the most recent financial hardship new construction or modernization adjusted grant funding apportionment.

When Overcrowding Relief Grant funding is set aside pursuant to (6) and the School District has not submitted, or the OPSC has not accepted, a Form SAB 50-04 for an Overcrowding Relief Grant within three years from the date of deposit into the Special Reserve Fund, or the School District has not met the requirements in Sections 1859.90 or 1859.105, remaining funds plus interest accrued at the Pooled Money Investment Board rate at that time period shall be deemed available as matching contribution on a subsequent financial hardship project or be captured through an audit adjustment pursuant to Section 1859.106.

The financial hardship analysis is subject to approval by the Board.

(b) From the funds deemed available as a matching contribution, the district may retain \$19,776 per classroom in each enrollment reporting period for the cost to provide interim housing for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing for the currently unhoused pupils shall be the sum of the positive numbers determined in (b)(7) as follows:

(1) Determine the current enrollment of the district by grade level as shown on the latest Form SAB 50-01.

(2) Determine the New Construction Grants apportioned by grade level for all SFP projects and LPP funded under the provisions of Sections 1859.12 or 1859.13 where the district has submitted Form SAB 50-06 indicating that the project is 100 percent complete.

(3) Subtract (b)(2) from (b)(1).

(4) Determine the number of classrooms by grade level reported in Part 1, Line 8 on Form SAB 50-02.

(5) Multiply the classrooms determined in (b)(4) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe.

(6) Subtract the product determined in (b)(5) from the difference determined in (b)(3) by grade level.

(7) Divide the difference by grade level determined in (b)(6) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per portable toilet unit in each reporting period for the cost to provide necessary interim toilet facilities for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of toilet facilities needed for interim housing shall be the sum of the positive numbers determined in (b)(7) divided by eight rounded up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per classroom in each reporting period for the cost to provide necessary interim housing for the currently unhoused pupils displaced as a result of a SAB approved seismic mitigation project pursuant to Section 1859.82.2. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing shall be the quotient of the displaced pupils by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

If the district's available funds, as determined by the OPSC analysis less costs for interim housing, is less than its matching share, the district will be deemed to have met the requirements of this Subsection.

(c) The district has made all reasonable efforts to fund its matching share of the project by demonstrating it is levying the developer fee justified under law or an alternative revenue source equal to or greater than the developer fee otherwise justified under law at the time of request for hardship and the district meets at least one of the following:

(1) The current outstanding bonded indebtedness of the district issued for the purpose of constructing school facilities in accordance with Education Code Section 17072.35 or 17074.25 as appropriate, at the time of request for financial hardship status, is at least 60 percent of the district's total bonding capacity. Outstanding bonded indebtedness includes that part of general obligation bonds, Mello-Roos Bonds, School Facility Improvement District Bonds and certificates of participation which the district is paying a debt service that was issued for capital outlay school facility purposes.

(2) The district had a successful registered voter bond election for at least the maximum amount allowed under Proposition 39 within the previous two years from the date of request for financial hardship status. The proceeds from the bond election that represent the maximum amount allowed under the provisions of Proposition 39 must be used to fund the district's matching share requirement for SFP project(s).

(3) It is a County Superintendent of Schools.

(4) The district's total bonding capacity at the time of the request for financial hardship status is \$5 million or less.

(5) Other evidence of reasonable effort as approved by the SAB.

If the district's request for financial hardship status is denied by the Board, the district may be deemed eligible for rental payments of \$2,000 per year per classroom under the Emergency School Classroom Law of 1979 for a two year period when relocatable classroom buildings are available and the district provides financial documentation that it is unable to afford the full rental amount and any other information satisfactory to the Board that the rental reduction is necessary. The number of classrooms eligible for the \$2,000 rental payments shall be the sum of the numbers determined in (c)(5)(B) as follows:

(A) Determine the number of pupils by grade level that the district requested a New Construction Grant on the Form SAB 50-04 that were denied financial hardship status.

(B) Divide the number by grade level determined in (c)(5)(A) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

(d) The district has not signed a contract for acquisition or construction of classrooms that replace existing facility(ies), which were included in the determination of the district's new construction eligibility pursuant to Education Code Section 17071.75, in a locally funded project during the five-year period immediately preceding the district's application for financial hardship assistance. This restriction may be lifted if the Board finds that unforeseen and extenuating circumstances existed that required the district to use local funds to replace the facility(ies).

(e) If the district meets the financial hardship requirements in this Section, the amount of financial hardship is equal to the district's matching share less funds deemed available in (a).

(1) Once a district has been notified by OPSC that it meets the requirements of financial hardship in this Section, the district may file Form SAB 50-04 under the

provisions of financial hardship anytime within a period of 180 calendar days from the date of the OPSC notification.

(2) If the district does not submit Form SAB 50-04 under the provisions of financial hardship within 180 calendar days of the OPSC notification of approval of financial hardship status, the district must re-qualify for financial hardship status under the provisions of this Section by submittal of a new request for financial hardship status.

(3) If the project(s) has been included on an unfunded list for more than 180 calendar days, a review of the district's funds pursuant to (a) will be made to determine if additional district funds are available to fund the district's matching share of the project(s).

Financial hardship approval status by the OPSC for a separate design and/or site apportionment does not apply to any subsequent funding for the project(s).

(f) If the district submits Form SAB 50-04 within 180 calendar days of the OPSC notification of approval of financial hardship and the project(s) has been included on the "Unfunded List (Lack of AB 55 Loans)" for more than 180 calendar days as a result of the State of California's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans), the Board may suspend the unfunded review requirement as defined in Regulation Section 1859.81(e). Projects added to any other unfunded list shall be subject to the review detailed in Regulation Section 1859.81(e). Regulation Section 1859.81(f) shall become inoperative July 1, 2011.

(g) A project added to an unfunded list on or after July 1, 2011 will be subject to the review detailed in section (e)(3). For projects added to an unfunded list between February 25, 2009 and June 30, 2011, only the district's financial records on or after July 1, 2011 will be considered in calculating any adjustment to the district's matching share.

(h) On or after September 22, 2017, a district may submit a request for funding in advance of obtaining a determination of Financial Hardship.

(1) To be considered for Financial Hardship, the district must check the box on the Form SAB 50-04 requesting Financial Hardship pursuant to this subsection when submitting a request for funding.

(2) Prior to processing an application OPSC will notify the district in writing to submit the necessary documentation for a Financial Hardship analysis pursuant to (a), (b), (c) and (d). OPSC will not accept any documents for a Financial Hardship analysis in advance of the notification. Failure to submit the requested documentation within 60 calendar days of OPSC's notification will result in either a. or b.:

a. District may amend their Form SAB 50-04 to exclude the request for Financial Hardship determination.

b. OPSC will return the request for funding and related materials to the district.

(3) Upon notification of Financial Hardship approval, any Form SAB 50-04 processed within 180 calendar days of the approval date will be included in the approval.

(4) For any Form SAB 50-04 processed more than 180 calendar days after the date of the Financial Hardship approval the district shall re-qualify for Financial Hardship status.
