The Department of General Services, Procurement Division (DGS-PD) is pleased to announce the award of the new Statewide Contracts (SC) for Zero Emission Transit Buses. The SCs are as follows:

<table>

<th>Contractor Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-19-23-17B</td>

User Instructions and Contract Pricing are available on Cal eProcure. Click on the contract numbers above to access contract details.

These SCs are considered an Environmentally Preferable Purchasing (EPP) or “green” contracts. Zero emission buses translate into cleaner air for all of us. They dramatically reduce tailpipe pollution from buses and also reduce energy consumption and greenhouse gases. Visit the DGS Buying Green Website for additional EPP information.
